Budget Revision Petition

If you have special circumstances that you believe warrant a reevaluation of your budget, you may complete the attached Budget Revision Petition. You must provide a complete explanation and adequate documentation to substantiate your appeal. You should discuss your personal situation with an adviser before submitting your petition.

Circumstances

Circumstances which might be considered extenuating include, but are not limited to:

1. Tuition/fees in excess of the standard budget.
2. Books and supplies in excess of the standard budget.
3. Required field trips.
4. Transportation costs for commuting students.

Documentation

1. Fee increases—attach a copy of a fee payment receipt.
2. Increased book and supply costs—attach photocopies of receipts/canceled checks. Please number your receipts/cancelled checks and summarize on a single page.
3. Field trips—attach a departmental letter indicating typical costs and that the trip is a class requirement.
4. Commuting costs—Documentation of round-trip mileage and frequency of commutes per week or gas receipts along with statement of average weekly travel costs.

Decision

Your petition will be evaluated at the earliest available date. You may check with your financial aid adviser no sooner than one week after the submission of your petition to find out if it was approved or denied. The actual revision of your financial aid could take an additional two to three weeks, depending on the volume of petitions at the time.

All actions resulting from the petition process are contingent upon fund availability and any processing deadlines that may be in effect at the time of petition approval.
