introduction

The Office for Student Financial Affairs

The Office for Student Financial Affairs (SFA) is a service-oriented department within the Division of Enrollment Management. The office is located on the ground floor of the Marshall M. Criser Student Services Center. SFA administers federal, state, private, and institutional funds. On average, 82 percent of students received some form of financial assistance during the 2013-14 academic year at the University of Florida. The *Student Financial Affairs Fact Book* is statistical in form and is designed to show the impact of financial aid in helping students achieve their desired educational goals at the University of Florida. Information reported will show trends in financial aid over the past three to ten years.

The change in amounts from 11-12 to 12-13 can be attributed to the elimination of the Federal Direct Subsidized loan, which is need-based for graduate and professional students as a result of the budget control act of 2011. These students had increased eligibility for the Federal Direct Unsubsidized loan, which is a non-need based loan.

Glossary of Financial Aid Terms

- **Academic Year**—A year, that contains fall, spring, and summer terms. For example, the academic year for 2010-11 is fall 2010, spring 2011, and summer 2011.
- **Custodial Funds**—Funds awarded by private donors and University of Florida offices other than Student Financial Affairs.
- **Dependent Student**—Defined federally as a single undergraduate student without dependents who has not reached the age of 23 and who is not a veteran, orphan, or ward of the court.
- **Duplicated Count**—A student may be counted more than once in the final total, depending on the number of aid awards the student receives.
- **Grants**—Gift aid awarded to undergraduates who show financial need. These funds do not have to be repaid.
- **Independent Student**—Defined federally as a student who is a graduate student, over the age of 23, married, a veteran of the US Armed Forces, an orphan or ward of the court, or a student who has dependent children.
- **Loans**—Financial aid awarded to students that is based on financial need and requires that students repay the money.
- **N/A**—Not available.
- **Need-Based Aid**—Aid awarded that takes the student's financial situation into consideration.
- **Non-Need-Based Aid**—The student's financial need is not considered in the determination of the award.
- **Package**—A combination of aid programs used to meet the student's financial need.
- **Scholarships**—Gift aid based on academic achievement. Scholarships may or may not also be based on financial need.
- **State Programs**—Financial aid awarded by the Florida Department of Education to Florida residents. These include such programs as the Florida Student Assistance Grant, Florida Bright Futures Scholarships, Robert C. Byrd Scholarship, and Florida Teachers' Scholarship.
- **Student Employment**—A section of Student Financial Affairs which is the clearing house for part-time employment and coordinates three employment programs: the Federal Work-Study Program (FWSP), Other Personnel Services (OPS), and off-campus jobs.
- **Total Awards**—The total number of awards given to students. This is not equal to a head count of students, since a student may receive more than one award.
- **Unduplicated Count**—Each student is counted only once in the total, regardless of how many awards the student receives.
