2014-15 TUITION/FEES

The final approved tuition/fees for 2014-15 are not available at the time of printing. For current tuition and fee information, go to the University Bursar’s website, www.fa.ufl.edu/bursar.

The University Bursar’s Office is located in S-113 Criser Hall.

* Tuition/fee figures are projected estimates for 2014-15. Out-of-state undergraduates should add \$22,278 to projected tuition/fees. Out-of-state graduate students should add \$17,394 to projected tuition/fees. Undergraduate tuition/fees listed are based on an average of 30 credit hours of 0-4999 level courses. Graduate tuition/fees are based on 24 credit hours of 5000-9999 level courses.

** Effective July 1, 2014 the University of Florida requires new students to have health insurance. UF Online, transient, non-degree seeking, dual enrolled, certificate students, and UF employees enrolled in the EEP program are exempt from this requirement. Students who cannot provide proof of adequate health insurance coverage will be required to purchase the University of Florida plan. Students will be charged for the insurance through the UF accounts receivable system. Financial aid recipients who must purchase the UF plan will have the cost reflected in the personal component of their cost of attendance. The actual cost of the UF plan has not yet been finalized. The Office for Student Financial Affairs website will be updated with the actual cost for the UF plan as soon as the information is available.

All projected figures are subject to change.

HOW TO APPLY

**UF Federal School Code
001535**

- 1** Complete a FAFSA on or after January 1, 2014. Apply each year—financial aid is not renewed automatically.

Apply Online at www.fafsa.ed.gov

- Go to FAFSA on the Web at www.fafsa.ed.gov.
- Request a federal PIN, using www.pin.ed.gov. Follow the instructions on the site.
- Visit www.sfa.ufl.edu/applying/fafsa-tips to read SFA's tips for completing the FAFSA.
- List "University of Florida" and the UF Federal School Code (001535) as a school choice in the "School Selection" section.
- Sign your FAFSA. Students can sign the FAFSA electronically using their federal PIN. Parents of dependent students can also sign electronically but must either request their own PIN or print, sign, and mail the signature page to the processor.
- If you or your parents haven't filed federal income tax returns for the previous year when it is time to apply for aid, report "estimated" income information on your FAFSA. Consider using the "Income Estimator" option as you're completing the FAFSA. Once you've filed your taxes, you must correct your FAFSA if the estimate differs from your actual income.
- After successfully submitting your application, print and keep the confirmation page. This page contains your confirmation number and other important information. Remember, you can return to make corrections online at www.fafsa.ed.gov.

FAFSA Filing Options

- Request a paper FAFSA from the Federal Student Aid Information Center at 1-800-433-3243; OR
- Complete a PDF FAFSA, available for download from the FAFSA website at www.fafsa.ed.gov/options.htm. A PDF FAFSA can be filled out electronically. It must be printed and mailed for processing.

March 15, 2014 "On-Time" Financial Aid Application Deadline

- We must receive the results of your FAFSA with a valid Expected Family Contribution (EFC) by March 15 for you to be considered "on-time."
- Apply several weeks before this date to be sure the federal processor has time to send us your results before the deadline.
- Financial aid is awarded first-come, first-served. On-Time applicants are considered for the most, and best, aid. Late applicants are considered only for aid that remains when their application file is completed.
- Don't wait until you are admitted to UF to apply for financial aid.

- 2** You will receive a Federal Student Aid Report (SAR) from the federal processor after you submit your FAFSA.

The SAR indicates your Expected Family Contribution (EFC), which is used to determine your eligibility for financial aid. It also lists information you reported on your FAFSA—check it for accuracy.

- If you provide your email address on your FAFSA, you will get an online SAR as soon as 24 hours after your FAFSA is processed. If no corrections are needed, keep the SAR with your financial aid records.
- If you want to be considered for aid at UF and UF is not listed in the SAR's "College Release Section," you must use your Federal PIN to make a correction at www.fafsa.ed.gov. You can also call the federal processor at 1-800-433-3243.
- If your email or mailing address changes, update it with the federal processor to make sure you get your SAR, electronic PIN, renewal reminder, and other correspondence. You can make these updates at www.fafsa.ed.gov.

- 3** Follow up on your application. It may be selected for Verification or Quality Assurance.

- You are responsible for following up on your aid application.
- Check the status of your aid application and award on ISIS, www.isis.ufl.edu (see page 10 of this guide).
- Do not wait until school begins to submit required documents. Ask questions if you are unsure about any part of the application process.
- If your application is selected for Verification or Quality Assurance, you will be required to provide verifying documentation before aid can be disbursed to you (see "Verification & Quality Assurance," page 9). Respond promptly to requests for information or documentation. Most forms for this process are available to print from your "financial aid status" page on ISIS, or on SFA's website (see page 11 of this guide).

- 4** You will receive a Notification of Financial Aid Award from us.

- When UF receives your application information from the federal processor and you have been admitted to UF, SFA will award you an aid package based on your eligibility.
- You will receive a Notification of Financial Aid Award by email stating the terms and conditions of aid programs awarded to you. Read it carefully, and follow any instructions that pertain to you.

FINANCIAL AID PROGRAMS @ UF

GRANTS

Grants are awards for students with the greatest financial need. They do not have to be repaid.

Federal Pell Grant is the largest federally funded undergraduate grant program. Awards are based on students' enrollment status and their expected family contribution, as determined by the information supplied on the FAFSA. Awards for full-time students ranged from \$605 to \$5,645 for the 2013-14 academic year.

Federal Supplemental Educational Opportunity Grant (FSEOG) is a federally funded program awarded by SFA to undergraduates who demonstrate exceptional financial need. Awards at UF generally range from \$100 to \$2,000 per academic year.

Teacher Education Assistance for College and Higher Education (TEACH) Grant was created to help students planning careers as highly qualified full-time teachers in high-need subject areas in

schools serving low-income students. Recipients can receive up to \$4,000 per academic year. Students must sign a service agreement and comply with all requirements in order to avoid repayment of this grant as a loan.

Florida Student Assistance Grant (FSAG) is a need-based state grant program for undergraduates attending eligible Florida institutions. Recipients must meet Florida residency requirements for student aid. Awards range from \$200 to \$2,610 per academic year.

I. Douglas Turner Grant is a UF-funded program awarded by SFA to undergraduates who demonstrate exceptional need. Awards generally range from \$100 to \$7,500 per academic year.

UF Graduate Grants are UF-funded grants awarded by SFA to graduate students who demonstrate exceptional financial need. Awards range from \$100 to \$3,000 per academic year.

SCHOLARSHIPS

Florida Bright Futures Scholarships are awarded by the State of Florida and provide two awards:

- Florida Academic Scholars Award
- Florida Medallion Scholars Award

Each award has different academic criteria for eligibility. The awards are at fixed rates and are calculated per credit hour.

The top-ranked scholar from each high school district also receives the Florida Top Scholars Award.

① www.floridastudentfinancialaid.org/SSFAD/bf

SFA Awarded Scholarships include a number of privately funded scholarships ranging from \$200 to \$3,000 per academic year. These scholarships are awarded based on guidelines provided by the donors, financial need, and merit. Recipients must meet the on-time deadline for consideration and be enrolled full-time. See SFA's website for a complete list of these and other UF scholarships.

① www.sfa.ufl.edu/programs/scholarships

EMPLOYMENT

Part-time job opportunities are available for students through various job programs. To learn more about student employment related programs, visit SFA's website at www.sfa.ufl.edu/programs/employment.

To search and apply for on-campus jobs, including **Federal Work Study (FWS)** and **Other Personnel Services (OPS)** positions, go to the UF Jobs website at jobs.ufl.edu.

Federal Work Study (FWS) is a federally funded need-based work program that allows recipients to work while enrolled in classes.

Florida Work Experience Program (FWEP) is a state funded need-based work program that allows recipients to work while enrolled in classes.

Off-Campus jobs are through private employers. The Career Resource Center (CRC) website allows students to search and apply for jobs using their Gator CareerLink Account.

LOANS

Most long-term student loans have low interest rates and offer deferred repayment.

The Federal Direct Loan Program

Federal Direct Loans enable students to borrow money directly from the federal government. The U.S. Department of Education is the lender and delivers the money to the student through UF.

Subsidized Stafford Loans are need-based, federally subsidized loans available to undergraduate students. Interest is not charged on subsidized loans while enrollment is at least half-time and during deferment periods.

Unsubsidized Stafford Loans are not need-based. "Unsubsidized" means the interest is not deferred while in school.

Both subsidized and unsubsidized loans have a fixed interest rate, and repayment is deferred until a student graduates, withdraws, or enrolls less than half-time.

Federal Direct PLUS Loans are available to parents of dependent undergraduates as well as graduate/professional students. PLUS

Loans have a fixed interest rate and repayment begins 60 days after the loan is fully disbursed, unless a deferment is requested.

Interest rates for all Direct Loans are subject to change. Visit www.sfa.ufl.edu/programs/loans for current rates.

① www.studentloans.gov

Federal Perkins Loans are awarded by SFA to students with the greatest financial need. Interest of 5 percent begins to accrue when the loan becomes due, after a grace period of nine months.

University of Florida Long-Term Loans are awarded by SFA. These need-based loans are available, upon request, to students who have completed the FAFSA and who are ineligible for federal loans or have need remaining after federal eligibility has been exhausted. Annual interest rates range from 4 percent to 9 percent and most do not start accruing interest until six months following graduation or termination as a half-time student. All institutional long-term loans require the student to have a co-signer in addition to completing required loan disclosures and promissory notes.

Repayment begins six months following graduation or termination as a half-time student at UF.

FLORIDA BRIGHT FUTURES

The Program

The Florida Bright Futures Scholarship Program, funded by the State of Florida, provides scholarships based on high school academic achievement. The program has different award levels, each with its own eligibility criteria and award amounts. Awards are per credit hour.

① www.sfa.ufl.edu/programs/bright-futures

Current Award Levels & Amounts

The Florida Academic Scholars Award is \$103 per credit hour.

The Florida Medallion Scholars Award is \$77 per credit hour.

In addition, the Florida Academic Scholar with the highest academic ranking in each county will also receive the Academic Top Scholars Award—\$44 per credit hour.

FAFSA Information

As of July 1, 2013, students are **no longer** required to submit a FAFSA in order to be eligible to receive both initial and renewal Bright Futures funding. Students are encouraged to submit the FAFSA to learn of potential eligibility for additional state and federal aid.

Renewal Requirements

All Bright Futures recipients are required to meet minimum credit hour and GPA requirements in order to renew their award each

year. Students enrolled full time for both semesters are required to earn at least 24 semester hours in order to renew their award at the end of each academic year. For students not enrolled full time for both semesters, the hours required to renew are prorated.

Eligibility and Application:

Students must submit a complete, error-free Florida Financial Aid Application during their last year in high school, after December 1, and prior to graduation.

To be eligible, you must:

- be a Florida resident and a U.S. citizen or eligible non-citizen as determined by UF
- be enrolled as a degree seeking student
- enroll in a minimum of 6 semester hours per term by the end of UF's drop/add period.

Note: Eligibility criteria, award amounts, and renewal criteria are subject to change by the State of Florida. This information is accurate as of the 2013–2014 academic year.

For more information, students should contact the FDOE Office of Student Financial Assistance at 1-888-827-2004.

DON'T HESITATE

Estimate!

Not done with your taxes when it's time to do your FAFSA?

If you and/or your parents haven't filed your federal income tax returns for the previous year when it is time to do your FAFSA, report "estimated" income on your FAFSA. Waiting until federal income taxes are finished could cause you to miss the financial aid application deadline. You must correct your FAFSA if the estimate differs from your actual income.

Reapply!

Your financial aid application is not renewed automatically each year.

You must reapply for aid EVERY year by updating your financial information and status. FAFSA on the Web saves much of your application information from year to year, which makes reapplying much faster.

INNOVATION ACADEMY

Innovation Academy

Innovation Academy (IA) is an enrollment model that operates on a unique spring-summer calendar.

IA students take UF courses on campus during the spring and summer terms instead of the traditional fall and spring terms, leaving each fall free for online courses, study abroad, internships, research, community service, and employment. Additionally, students are able to participate in fall semester activities available to all UF students.

Innovation Academy & Financial Aid

IA students must meet the same financial aid deadlines as non-IA students, despite the difference in academic calendars.

Innovation Academy & Fall Semester

If you pursue fall coursework at another college or university, be careful about accepting financial aid (i.e. Federal Pell Grant, Stafford Loans, and Florida Bright Futures Scholarship). It may reduce or remove your IA financial aid eligibility for the summer. Be sure to talk to your UF financial aid adviser first.

Innovation Academy & Bright Futures

IA students will be the only students allowed to utilize their Florida Bright Futures Scholarships during the summer semester of their two-semester period of enrollment.

Important Information

March 15, 2014 "On-Time" Financial Aid Application Deadline

- We must receive the results of your FAFSA with a valid Expected Family Contribution (EFC) by March 15 for you to be considered "on-time".
- UF Online students beginning in the summer of 2014 should complete the 2013-14 **AND** 2014-15 FAFSAs.

HOW YOUR NEED IS DETERMINED

Need

The financial information you and your family provide on your FAFSA is analyzed by the federal need analysis processor using “Federal Methodology,” a formula established by the U.S. Congress. It is used by the federal processor to calculate the expected family contribution (EFC)—how much individual students and their families are expected to contribute toward their educational expenses.

After analyzing your financial information, the federal processor sends the results to the university, indicating how much you and your family should be able to contribute toward your education. If the cost of attendance at UF is greater than what the processor indicates is your family’s expected contribution, then the university considers you to have financial need.

$$\text{Cost of Attendance} - \text{Family Contribution} = \text{Financial Need}$$

Cost of Attendance includes tuition/fees, books and supplies, housing, food, transportation, clothing maintenance, and personal items (see “2014-15 Estimated Costs of Attendance” on page 2).

Expected Family Contribution consists of expected parental contribution and/or student contribution, depending upon the student’s classification (dependent or independent). The methodology used by the federal

processor takes into account the family’s income and assets, employment costs, living expenses, taxes, family size, and the number of family members in college.

① www.sfa.ufl.edu/basics/how-is-need-determined

Independence

The U.S. government has established criteria for classifying financial aid applicants as dependent or independent.

- If you are able to check “yes” to any item in the “Dependency Status” section of the 2014-15 FAFSA, you are considered independent for financial aid purposes. If classified independent, your need is evaluated using your own and, if applicable, your spouse’s income and assets.
- If you are classified dependent, your own income and assets, as well as your parents’ income and assets, are considered in determining your financial need.

OTHER AID & SUMMER AID

Other Sources of Aid

There are many sources of aid outside of SFA. Students who receive funds through any of the following sources while also applying for aid through SFA must notify us upon receipt of this assistance.

- **UF Admissions Office** The Admissions Office awards academic achievement scholarships, primarily to incoming freshmen and transfer students.
① www.admissions.ufl.edu/scholarships.html
- **Florida Prepaid College Plan** The Florida Prepaid College Plan allows parents, grandparents, and others to lock in the cost of college today.
① www.myfloridaprepaid.com
- **Individual UF Colleges** Aid available through individual colleges within the university is listed in our scholarship search engine.
① www.sfa.ufl.edu/search
- **Non-UF Scholarships/Loans** SFA’s scholarship search engine includes outside scholarships in its results.
- **The State of Florida** The FDOE Office of Student Financial Assistance (OSFA) sponsors many programs, such as the Florida Bright Futures Scholarship, the Florida Student Assistance Grant, the José Martí Scholarship Challenge Grant, the Scholarship for Children & Spouses of Deceased or Disabled Veterans & Service Members, and the Rosewood Family Scholarship.
① www.floridastudentfinancialaid.org

Summer Financial Aid

SFA will award summer money if:

1. you are attending UF as an Innovation Academy student, or
2. funds are available for summer awards after fall/spring semester needs have been met, or
3. a student chooses to use aid originally awarded for fall or spring term during the summer.

To apply for summer 2014 financial aid, students should use a 2013-14 FAFSA.

To apply for summer 2015 financial aid, students should use a 2014-15 FAFSA.

ADDITIONAL INFO

Graduate Students

graduateschool.ufl.edu

In addition to student loans, the Graduate Grant, and most work programs, graduate students can also apply for fellowships, assistantships, and other awards offered through individual colleges and the graduate school. For these awards, students should apply through the dean's office of their college or department.

Students applying for loans or work through SFA should understand that fellowships and fee waivers are considered part of a student's financial aid package, and as such affect eligibility for aid through SFA. Students must report all such aid on ISIS using the "Additional Aid Reporting" page.

Contact the graduate school for more information. The Office of Research, Technology, and Graduate Education in 256 Grinter Hall maintains a list of private and outside scholarships and fellowships.

Students with a Disability

www.dso.ufl.edu/drc

Student Financial Affairs in S-107 Criser Hall and the Dean of Students Office Disability Resource Center (DRC) in 001 Reid Hall work together to assist students with disabilities. When applying for aid through SFA, students with disabilities may qualify for an increase in their educational budgets to cover disability-related expenses. DRC helps determine disability-related expenses not offered or provided by other agencies.

For financial aid purposes, undergraduates must be registered for at least 12 credit hours per semester to be considered full-time, even if application has been made for a reduced course load through DRC.

The Disability Resource Center's phone number is (352) 392-8565. For a TDD number, call the Florida Relay Service—dial 711 or 1-800-955-8770 for voice assistance.

Transfer Students

www.registrar.ufl.edu

Generally, financial aid cannot be transferred from one institution to another. In most cases, you must reapply for aid. If you plan to transfer to UF:

1. Contact both SFA and the financial aid office at the institution you currently attend for transfer policies.
2. If you are receiving a Federal Direct Loan at your current school, you must cancel that loan, reapply at SFA, and contact all your previous lenders to update your enrollment status and address.

Veterans

www.veterans.ufl.edu

Veterans who are enrolled students may qualify for VA Work-Study or VA Tutorial Assistance benefits. Questions regarding VA benefits should be addressed to the VA Coordinator in the Registrar's Office. The Registrar is located in Criser Hall, Room 222.

Study Abroad Students

www.ufic.ufl.edu/sas/

Awards from federal, state, and institutional aid programs are available to students who participate in university-approved study abroad programs. The reasonable costs of a study abroad program, rather than the university's cost of attendance, can be used to determine students' financial aid awards.

Check with SFA in S-107 Criser Hall about receiving aid, including scholarships.

For more information, view SFA's study abroad video on our YouTube page, www.youtube.com/ufsf.

Transient Students

www.registrar.ufl.edu

UF degree-seeking students who enroll for courses at another state university or college in addition to taking UF courses or students who elect to exclusively attend another public post-secondary institution in the state of Florida for one term may be eligible to receive aid from UF.

Financial aid awarded at UF may be processed and paid by UF upon receipt of an approved application through the Florida Virtual Campus system along with an enrollment certification from the host institution.

To receive financial aid as a transient student, the student MUST see a financial aid adviser PRIOR to the transient term to see if they are eligible.

Distance Education Students

www.distance.ufl.edu

UF students enrolled in distance education or flexible learning (formerly correspondence study) classes may be eligible to receive financial aid. Check with SFA for information regarding your specific program or enrollment plans for more information and for special requirements that may apply.

Financial Aid Petitions

If you or your family have extenuating financial circumstances, check with your financial aid adviser to see if they might affect your financial aid application. Examples include:

1. Divorce of parents, or you from your spouse
2. Death of a major wage earner
3. Loss of employment of a major wage earner

Students petitioning financial aid awards are strongly encouraged to do so from March 1 through June 1.

UF Direct Deposit Policy

UF requires that all students receiving financial aid sign up for direct deposit.

To sign up, go to myUFL and select "Access myUFL" to login. On the top toolbar, select "Main Menu." Choose "My Campus Finances," then "Direct Deposit-Student or PLUS."

Direct deposit is the quickest and safest way to receive your financial aid refunds.

Please direct any questions about direct deposit to the University Bursar at (352) 392-0737.

VERIFICATION & QUALITY ASSURANCE

What Happens if You Are Selected?

Each year, about 30 percent of students' financial aid applications nationwide are chosen for "verification," a process of confirming data supplied by the applicant and/or parents on aid applications. Through verification, UF resolves discrepancies on students' aid applications.

UF's participation in the Federal Quality Assurance Program allows us to establish verification criteria for UF and determine which student files must be verified. Because of this, you should disregard any statement on your Federal Student Aid Report that you are being verified.

If your application is selected for verification or quality assurance, or if there are discrepancies on your aid application information, you will receive an email from us alerting you to check your financial aid status on ISIS at www.isis.ufl.edu to determine which documents to provide.

Federal regulations mandate that financial aid offices can only accept IRS tax return transcripts to verify income. We can no longer accept copies of tax returns. An alternative to providing a tax return transcript is to use the IRS data retrieval tool available through FAFSA on the Web.

Aid cannot be disbursed until you have submitted all requested documents and their accuracy has been checked. The review process can take four weeks or longer.

Do

- turn in all documents requested by SFA as soon as possible
- be sure all documents are signed
- be sure your name and UFID and/or Social Security number are on all documents you submit
- keep copies of all information you submit and record the date you send in the documents
- **if tax documentation is requested**, call the IRS at 1-800-829-1040 to request a tax return transcript or go online at www.irs.gov/Individuals/Order-a-Transcript to print a tax return transcript
- sign your tax return transcript before submission
- keep copies of your tax return transcript and W-2s

Don't

- forget to sign your forms
- submit incomplete or illegible documents; if you do, they will be returned to you with a request for acceptable forms, causing a delay in processing your aid
- submit photocopies of income tax forms; only tax return transcripts are acceptable
- submit any documentation unless requested to do so by SFA

STUDENTS' RIGHTS & RESPONSIBILITIES

It Is Your Responsibility To

- complete applications correctly and on time
- read and understand all materials sent to you from SFA and other financial aid agencies or provided on the SFA website; keep copies of all forms and materials that you send in;
- know and comply with the rules governing aid you receive;
- provide all documentation and information requested by SFA;
- comply with the provisions of any promissory note and all other agreements you sign;
- register for the number of hours required for your aid disbursement;
① www.sfa.ufl.edu/receiving/enrollment-requirements
