

Summer 2007 Aid & Enrollment

—Enrollment Requirements Affect WHEN Students Receive Summer Aid—

The term(s) for which you enroll—Summer A, B, and/or C—and the number of hours for which you enroll in those terms determine WHEN you receive your aid funds—during Summer A or B.

- ➔ You must enroll at least half-time to receive aid from any program except Pell Grant. Undergraduates are considered full-time if enrolled for at least 12 credit hours, half-time if enrolled for at least six credit hours. Graduate students are considered full-time if enrolled for at least eight credit hours, half-time if enrolled for at least four credit hours.
- ➔ Summer Pell Grant eligibility is calculated based on a student's Summer A/C **and** preregistered Summer B hours as of the end of Summer A/C Drop/Add. Hours added later will not be included when summer Pell eligibility is determined. **Exception:** Pell eligibility for students who attend "Summer B only" is calculated at the end of Summer B Drop/Add.
- ➔ **To receive funds in Summer A (with the exception of Pell Grant and Federal Work-Study), undergraduates must enroll for at least six credit hours in Summer A and/or C, and graduate students for at least four credit hours in Summer A and/or C.**
- ➔ Federal Work-Study students must enroll for at least six credit hours in Summer A and/or C to be eligible to work during Summer A, or be enrolled for a minimum of three credit hours in Summer A and be preregistered for a minimum of three credit hours in Summer B.
- ➔ If enrollment in Summer A and/or C is less than half-time, disbursement of all aid except Pell Grants and Federal Work-Study will be delayed until the beginning of Summer B, **regardless of whether the student preregisters for Summer B.**
- ➔ If overall summer enrollment is less than full-time, after Summer B Drop/Add budgets will be revised to reflect the reduced costs, and financial aid will be adjusted as necessary.
- ➔ Students who will enroll for Summer A only or Summer B only should contact their financial aid adviser for special processing.
