Dear Students:

The Office for Student Financial Affairs’ major purpose is to help eligible students meet educational costs while attending the University of Florida.

Understanding the financial aid process is critical. You probably have many questions about what you can expect and what is expected of you, and you will find many of your answers here. You can get answers to questions not covered in this handbook from our website or from direct interaction with your financial aid adviser in our office. This handbook will (1) provide you with basic information about expenses you can expect while attending the University, (2) summarize the kinds of financial assistance that may be available to you, and (3) explain how to apply for aid, how your eligibility to receive each type of aid is determined, and what your obligations will be when you accept aid.

The financial aid application process is lengthy and complex. Successfully completing this process will require intensive participation on your part. Students who are organized and responsible in their financial affairs, who take time to learn about the financial aid process, and who work with their aid advisers will find the process to be relatively smooth and free of frustration. Please study this handbook and any other materials you may receive, and if you have further questions, contact your adviser. We will be glad to assist you.

Karen L. Fooks, Director
Office for Student Financial Affairs

We have taken care to ensure the accuracy and timeliness of information in this handbook. However, contents are subject to change without notice because of changing federal and state legislation, as well as unintended error. All financial aid awards are contingent upon availability of funds and subject to revision.

The Gator Aid Handbook is available upon request in alternative formats for students with documented, print-related disabilities. Information from this handbook is also available on our screen-reader friendly website at http://www.sfa.ufl.edu.
This handbook was produced by the Office for Student Financial Affairs for distribution to University of Florida students.

Special thanks to all university colleges and departments, the University of Florida Foundation, and to the university community for assistance in compiling the information in this book.

CHAPTER 1: FINANCIAL AID BASICS

The Office for Student Financial Affairs (SFA) is the financial aid office at the University of Florida (UF). SFA is a service organization with the primary responsibility of helping students secure the necessary funding to pursue their educational goals at UF.

SFA awards aid to students as a part of the means by which they can attend college. Our basic philosophy is that students and parents have the primary responsibility for meeting the student’s expenses. Our role is to try to fill the financial gap that may exist between the cost of your education and money available from your family, job income, savings, and other sources.

As a service organization, SFA is committed to providing students with the resources and information they need to become fiscally responsible and to understand the rights and responsibilities incurred when they receive financial aid.

If you apply for assistance, SFA will evaluate your need and, if you are eligible for assistance, offer you a financial aid package. Your aid package may consist of grants, scholarships, part-time employment and/or loans (solely or in combination). The amount of your financial need is determined by your overall financial status. See "How Your Need is Determined" on page 2 in this chapter.

Because of limited funds, SFA cannot always offer enough assistance to meet each student’s financial need. Therefore, this handbook includes alternative sources of financial aid. See Chapter Nine, "Other Aid."

Financial Aid Advisers

SFA provides financial aid advising to students throughout the year. If you have questions about financial aid after reading this handbook, you can also access our website, http://www.sfa.ufl.edu.

We invite you to call or visit our office. SFA is located at S-107 Criser Hall. Our advising lobby is open Monday–Friday, from 8:00 a.m.–4:00 p.m. Financial aid advisers are not available until 9:30 a.m. on Wednesdays and Thursdays, but general information is provided.

Satellite Offices and Special Programs

SFA also has satellite offices at the College of Law; the College of Dentistry; the College of Medicine; the College of Business; and the Colleges of Public Health and Health Professions, Nursing, Pharmacy, & Veterinary Medicine. An adviser to athletes is housed in our main office.

TYPES OF AID

In general, financial aid falls into two categories—gift aid and self-help aid. Gift aid is not repaid. Self-help aid is provided in exchange for a service or with the understanding that it must be repaid.

Grants

Grants are awarded to students who show the greatest financial need. They are considered gift aid.

Scholarships

Scholarships are awards based on academic achievement, but financial need may also be considered. Scholarships are considered gift aid. Scholarships are awarded by various organizations such as the university, the state, individual colleges and departments, and private entities.

Part-Time Student Employment

Employment is considered self-help aid, as it is offered in exchange for a service.

Part-time Federal WorkStudy employment may be awarded by SFA to students with demonstrated financial need as part of their financial aid award packages.
Other student employment programs, such as Other Personnel Services (OPS), do not require that students show financial need. These programs are open to any student with the desire to work and who meets basic criteria of at least half-time enrollment and a 2.0 GPA. Wages, hours, and duties for student jobs vary depending upon the employer and work program. For information about on- and off-campus student jobs and how to apply, go to the SFA website, http://www.sfa.ufl.edu/programs/employment. Also, see "Employment" in Chapter Three.

Loans
Loans are considered self-help aid, as loan funds must be repaid.
Long-term educational loans are low-interest (3.4–9%) loans, some of which allow you to defer repayment until you graduate, withdraw, or drop to less-than-half-time status.
Short-term loans for emergency educational expenses are offered through SFA and some individual colleges. Generally, they must be repaid within the semester they were borrowed.

AID PACKAGES
Students who complete a Free Application for Federal Student Aid (FAFSA) (see "How to Apply" on this page) and list UF as a "college of choice" are considered for all aid programs administered by SFA. One or more of the four types of aid (grants, scholarships, part-time employment, loans) are usually offered to eligible students to make up their financial aid package.

ELIGIBILITY
Eligibility requirements vary by program. However, to be eligible for most financial aid programs you must
• be enrolled at least half-time as a degree-seeking student;
• be a citizen or permanent resident of the United States;
• demonstrate financial need;
• not be in default on a student loan or owe a refund on student financial aid;
• maintain satisfactory academic progress.

HOW TO APPLY
To be considered for financial aid at UF, you must apply by completing the FAFSA, meeting all deadlines, and complying with any requests from our office for additional documentation. The federal processor will analyze your data and send us the results.
Applying early and following up on your application is the best way to make sure you receive the assistance for which you qualify in time to begin school. Respond right away to requests from SFA and other processing agencies.
For more detailed information on how to apply, please see Chapter Two of this handbook.

WHEN TO APPLY
Although you must be accepted for enrollment at UF before you receive financial aid, you should apply for aid before being admitted. For admission applications, go to http://www.admissions.ufl.edu.

HOW YOUR NEED IS DETERMINED
For financial aid purposes, need is determined by the following formula:

\[
\text{Need} = \frac{\text{Cost of Attendance}}{\text{Expected Family Contribution}}
\]

There is more detailed information regarding how your need is determined on page 33 of this handbook.

COST OF ATTENDANCE
Financial aid must be used only for expenses directly related to your education. College costs include the following: tuition/fees, books and supplies, computer and cell phone costs, housing, meals, transportation, clothing maintenance, personal, and health insurance.
SFA calculates budgets for undergraduate and graduate students, on-campus and off-campus.
Student budgets can only include costs of attendance for the individual student. Additional living allowances for married students or students with children are not included. A standard child care allowance may be included, however, depending on the ages of the student’s children.
The estimated cost of attendance for the University of
Florida can be found at the bottom of this page and on SFA’s website at http://www.sfa.ufl.edu/basics/cost-of-attendance.

**Family Contribution**

In general, parents’ contribution plus student’s contribution equals expected family contribution, or EFC. Family contribution is the amount you and your family are expected to contribute toward your college costs. Your family’s total income and financial situation are taken into account when determining financial need.

**Parental Contribution**

In determining parental contribution, deductions are made for: parents’ employment costs; living expenses, such as food, clothing, and housing; and the amount of taxes paid. Also considered are family size, number of family members attending college or other postsecondary schools, number of parents working, and elder parent’s age. In general, parents and students are expected to pay as much of the educational costs as they can reasonably afford.

**Student Contribution**

Students are expected to help in paying their educational costs from resources they have, such as savings, income, benefits, or employment. After analyzing all student income and assets available, the student contribution is determined. There may be instances when no student contribution is required.

Married couples are considered for aid individually; if both spouses are students, each should apply for financial aid separately. Both spouses are expected to contribute toward joint expenses, regardless of student or employment status.

**FEDERAL VERIFICATION/ QUALITY ASSURANCE**

UF participates in the Quality Assurance (QA) Program, a federal program that allows the university to establish its own verification criteria and determine which student files must be verified. Verification is a process by which UF resolves discrepancies on students’ financial aid applications. For more information, see page 25 of this handbook.

**SUMMER FINANCIAL AID**

An academic year at UF consists of fall, spring, and summer semesters. Freshmen and sophomores entering the State University System must complete at least nine credit hours during a summer session to graduate. For exemptions, see http://www.registrar.ufl.edu/catalog/policies/regulationgraduation.html.

SFA supports this requirement, and summer money may be offered if

• you have Pell Grant eligibility
• federal or institutional funds remain for summer awards after fall and spring semester needs are met
• you choose to use aid originally awarded for the fall or spring term during the summer.

See Chapter Four for enrollment requirements for receiving aid.

**REQUEST SUMMER AID**

Students who will be attending school during the summer semester can now apply to receive available financial aid. To apply for Summer financial aid, go to ISIS, click on Financial aid for the appropriate academic year, then choose Aid Status, and complete the instructions found at the link for ‘Summer Financial Aid Request’.

* Tuition/fee figures are projected estimates for 2011-12 for incoming freshmen and graduate students entering UF for the first time. Tuition/fees for continuing students may be lower. Out-of-state undergraduates should add $25,722 to projected tuition/fees. Out-of-state graduate students should add $18,438 to projected tuition/fees. Undergraduate tuition/fees listed are based on an average of 30 credit hours of 0.4999 level courses. Graduate tuition/fees are based on 24 credit hours of 5000-9999 level courses. Rates per credit hour and block fees include the student health fee.

* All projected figures are subject to change.
CHAPTER 2: HOW TO APPLY

To be considered for financial aid at UF, you must apply by completing the Free Application for Federal Student Aid (FAFSA), meeting all deadlines, and complying with any requests from our office for additional documentation. The federal processor will analyze your data and send us the results.

Applying early and following up on your application is the best way to make sure you receive the assistance for which you qualify in time to begin school. Respond right away to requests from SFA and other processing agencies.

WHEN TO APPLY

Apply by the end of February to meet UF’s on-time application deadline. Applying even earlier will ensure that you have the necessary time to complete your financial aid file.

We must receive your FAFSA need analysis report with a valid "Expected Family Contribution" (EFC) from the federal need analysis processor by March 15, 2011. Missing the deadline will cause your application to be processed as late, and you may not be considered for all aid programs.

Financial aid is awarded firstcome, firstserved, and late applicants are only considered for remaining aid at the time their application file is complete.

UF ADMISSION

Although you must be accepted for enrollment at UF before you receive financial aid, you should apply for aid before being admitted. For admission applications, go to http://www.admissions.ufl.edu.

REAPPLY

You must reapply for aid each year by updating your financial information and status. FAFSA on the Web saves much of your information from year to year, which makes reapplying much faster.

STEP ONE: THE FAFSA

Applying for financial aid at UF begins with the FAFSA. Apply as early as, but not before, January 1.

Apply Online. We encourage all students to apply online using FAFSA on the Web, http://www.fafsa.ed.gov. The online application not only saves time, but also offers instant editing of your application, which helps to prevent errors.

Paper FAFSAs. If you decide to file a paper FAFSA, you can request one from the federal government by calling 1-800-433-3243. If you are hearing impaired, call the TTY line at 1-800-730-8913.

You can also download, fill out, and print a FAFSA as a .pdf from the Federal Student Aid website, http://www.federalstudentaid.ed.gov.

Take special care when you complete your FAFSA. It is the cornerstone of the application process, providing the federal need analysis processor with your important financial data. Completing it carelessly or filling it late may make you ineligible for the aid you need to attend UF.

STEP BY STEP FAFSA

- Go to http://www.fafsa.ed.gov to begin the process.
- Read "Common Mistakes on the FAFSA" on page 6 of this handbook.
- List "University of Florida" and the UF Federal School Code (001535) as a school choice in Step Six of the FAFSA.
• Sign your FAFSA. Students can sign their FAFSA electronically using their federal PIN. Parents of dependent students can also sign electronically, but must either request their own PIN or print, sign, and mail the signature page to the processor.

• After applying, you can check the status of your application and/or make corrections at http://www.fafsa.ed.gov.

STEP TWO: THE SAR

You will receive a Federal Student Aid Report (SAR) from the federal processor after you submit your FAFSA. The SAR indicates your Expected Family Contribution (EFC), which is used to determine your eligibility for financial aid. It also lists information you recorded on your FAFSA, so you can check the information for accuracy.

If you apply online and provide your e-mail address on your FAFSA, you will get an online SAR as soon as 24 hours after your FAFSA is processed. When you receive the SAR, review it for accuracy. If no corrections are needed, keep the SAR with your financial aid records. To make corrections, follow the instructions on the paper SAR, or make corrections electronically at http://www.fafsa.ed.gov. Remember, any inaccuracies on your application may prevent you from qualifying for the best aid available.

If you want to be considered for aid at UF and UF is not listed in the SAR’s "College Release Section," you can use your Federal PIN to make a correction at www.fafsa.ed.gov. You can also call the federal processor at 1-800-433-3243.

If your e-mail or physical mailing address changes, update it with the federal processor to make sure you get your SAR, electronic PIN, Renewal Reminder, and other correspondence. You can make these updates on the FAFSA website or on your SAR.

STEP THREE: FOLLOW UP

It is critical that you follow up on your application. It may be selected for verification.

• You are responsible for following up on your aid application.

• Check the status of your aid application and award on ISIS, http://www.isis.ufl.edu.

• Do not wait until school begins to submit required documents. Ask questions if you are unsure about any part of the application process.

If your application is selected for verification, you will be required to provide verifying documentation before aid can be disbursed to you (see "Verification/Quality Assurance," page 25). Respond promptly to requests for information or documentation. Most forms for this process are available to print from your "financial aid status" page on ISIS, or on SFA’s website, http://www.sfa.ufl.edu/publications/forms.

STEP FOUR: YOUR AWARD

You will receive a Notification of Financial Aid Award from our office.

When UF receives your application information from the federal processor and you have been admitted to UF, SFA will award you an aid package based on your demonstrated need and eligibility.

SFA will send you a Financial Aid Award Letter stating the terms and conditions of aid programs awarded. Carefully read the information accompanying your award and follow all instructions. Only first time in college students receive the initial award letter in paper form through the U.S. mail. All other award notifications and other correspondence will be sent to you by e-mail. See "SFA E-Mail Correspondence" on page 25 of this handbook.

For further information regarding your award or for descriptions of terms found in your award letter, you might want to view a sample award letter, available on SFA’s publications page at http://www.sfa.ufl.edu/publications/#awardguides.

REPORTING OUTSIDE AID

You must inform us of money or aid you receive that is not listed on your Financial Aid Award Letter from any organization other than our office. Examples include: tuition fee waivers, fellowships, private or state scholarships, Florida Prepaid, or any awards paid directly to you.

If your award letter does not list any such aid, you must list the type and amount on ISIS using the "Additional Aid Reporting" option. Submit this information only once, then wait to receive a notification of your revised award notice via e-mail from us. Check the new award to confirm that all changes were made correctly.

REPAYMENT

Certain programs require repayment if you receive aid in excess of your demonstrated eligibility for aid. Report outside resources early, or you might find yourself having to repay funds when you can’t afford it.

STUDENT’S STATUS: DEPENDENT OR INDEPENDENT?

The federal government has established very specific criteria for classifying financial aid recipients as dependent or independent. This classification is important, as it determines whose financial information must be reported on the FAFSA.

If you are able to check "YES" to any item in Step Three on the 2011-12 FAFSA, you are considered independent for financial aid purposes. If classified independent, your need is evaluated on your own and, if applicable, in conjunction with your spouse’s income and assets.

If you are classified dependent, your own assets and income are considered as well as your parents’ assets and
income when your financial need is determined.

Federal criteria of dependence/independence are extremely specific and can be confusing. See Step Three (questions 46-58) of the FAFSA for more information and help. In addition, the FAFSA website has an online Dependency Status Worksheet to assist you in determining your status.

### COMMON MISTAKES WHEN FILLING OUT THE FAFSA

#### MARITAL STATUS

Also see “Adjusted Gross Income/Income Tax Paid” below. You must report marital status as of the date you file the FAFSA for all individuals about whom you give information. If you are not married as of the date you sign the FAFSA, check “unmarried,” even if you plan to marry during the award year. Intended spouses cannot be included in household size, and this item cannot be updated after filing the FAFSA.

If your natural mother and father are divorced and the responsible parent has remarried, when indicating the responsible parent’s marital status, mark the box that says “married/remarried” and include income/asset information for both parent and stepparent.

#### NUMBER OF FAMILY MEMBERS IN HOUSEHOLD

Include only the number of people that you/your parents now support and for whom you/your parents will continue to provide more than 50% support between July 1, 2011, and June 30, 2012 (including your unborn child, if that child will be born before or during the award year). Also include your parents’ other dependent children who will be attending postsecondary schools in 2011-12. Always include yourself (the student).

#### NUMBER OF FAMILY MEMBERS IN COLLEGE

Include only household members who will attend college at least six credit hours per term or 12 clock hours per week between July 1, 2011, and June 30, 2012. Students must be working toward a degree or certificate leading to a recognized educational credential at a college eligible to participate in federal student aid programs. Do not include parents attending college.

#### ADDITIONAL FINANCIAL INFORMATION

Questions 44 & 92 of the FAFSA should be answered when either you or your parents have received an education credit, paid child support, or reported any of the following as income: Federal WorkStudy, earnings from work under a cooperative education program, scholarships, fellowships and/or grants, Hope and Lifetime Learning tax credits, or AmeriCorps awards. Combat pay included in the Adjusted Gross Income is also reported in this section.

### UNTAXED INCOME

Untaxed income generally refers to:
- Payments to tax-deferred pension and savings plans
- Untaxed portions of IRA and Keogh payments, 401(k) and 403(b) plans
- Total amount of child support you/your parent(s) received from Jan. 1, 2010, to Dec. 31, 2010
- Tax exempt interest income
- Untaxed portions of pensions (excluding “rollovers,” which must be identified as such on the IRS return)
- Military/clergy housing, food, living allowances
- Cash support or any money paid on your behalf (includes rent/mortgage, tuition, insurance paid by someone other than the parent, if dependent)
- VA non-education benefits

#### ADJUSTED GROSS INCOME/INCOME TAX PAID INFORMATION

Use a completed 2011 tax return, if at all possible, when completing the financial aid application.

If your tax filing is delayed, estimate your income to meet the “on-time” UF aid deadline. If you estimate, be sure to update your application after your taxes are filed. Keep a copy of your tax return and W-2s—you may be asked to provide a copy.

When reporting U.S. taxes paid, do NOT report the amount of tax “withheld” and do NOT include self-employment taxes.

If your responsible parent is remarried (even if they were not married in 2011), you must include your stepparent’s income and asset information.

If you/your parents are married and filed separate income tax returns, income information from both tax returns must be combined and reported.

If you/your parents are divorced, separated, or widowed, DO NOT include information about you or your parent’s spouse, even if you/your parents filed a joint tax return. For further assistance, call us at (352) 392-1275.

#### ESTIMATING TAXES

If you haven’t filed your 2011 federal income tax forms when it is time to apply for aid, report “estimated” 2011 income information on your FAFSA. You must correct your FAFSA if the estimate differs from your actual income. Be sure to keep a copy of your tax return and your W-2s.

#### ASSET INFORMATION

When answering questions pertaining to parent/student assets, you must report the net worth of those assets as of the date you complete the FAFSA. These items cannot be updated after filing the original form. Do not include financial aid you received.
DRUG CONVICTION AFFECTING ELIGIBILITY

Students must answer the question about drug-related offenses. Do not leave it blank.

A drug-related conviction does not necessarily mean you are ineligible for aid. For more information about the UF’s policy on alcohol and other drug use, see http://www.ufsa.ufl.edu/students/dts.shtml.

APPLICATION TIPS

YOUR FEDERAL AND STATE PINS

Your PINs are your “Personal Identification Numbers” that function as your electronic signatures and identifiers. There are separate PINs for federal student aid and State of Florida programs. Be sure to use the appropriate PIN. You will use them year after year. Keep this information in a safe place.

Your Federal PIN

Your federal PIN is your electronic identifier and signature which enables you access to personal information in various U.S. Department of Education (USDOE) systems.

You can use your Federal PIN to:

• Access FAFSA on the Web
• Sign your FAFSA electronically or obtain a copy of your FAFSA information
• Complete your Federal Direct Student Loan electronic Master Promissory Notes (MPNs)
• Make online corrections to your FAFSA
• Review your grant and loan history on the National Student Loan Data System (NSLDS)

You can request a PIN, request a replacement PIN, or update your PIN mailing address at the USDOE’s PIN Site, http://www.pin.ed.gov.

Your State of Florida PIN

If you receive a Florida Bright Futures award from the State of Florida, you will also receive a System ID and PIN with instructions on how to access your Bright Futures record on the Web. You can use these to:

• View your State of Florida award
• Update your demographic information
• Update your college choice
• Complete your Perkins Loan Master Promissory Notes
• View the amount disbursed each semester
• Monitor your hours remaining for the year and for the scholarship
• View a list of correspondence sent to you by the FBFS Program.

For questions, call 1-888-827-2004. Bright Futures information is available at http://www.floridastudentfinancialaid.org/ssfad.

SOCIAL SECURITY NUMBER

Your Social Security number is the primary identifier on all your federal records, including the FAFSA. Be sure it is correct on all forms.

PARENTS OF DEPENDENT STUDENTS

When filling out the FAFSA, parent(s) of dependent students MUST provide:

• Social Security Number(s)
• Date(s) of birth
• Last name and first initial
Not supplying a parent's name, date of birth, or Social Security number will cause a student's FAFSA to be rejected.

**KEEP A FINANCIAL AID FILE**

What to keep in your file:
- Gator Aid Application Guide
- FAFSA instruction booklet
- Federal Student Aid Report
- Federal income tax returns and W-2s
- Photocopies or printouts of all financial aid correspondence and forms and your completed FAFSA
- Borrower copies of promissory notes
- Your Federal PIN
- Your State of Florida PIN and paperwork

**YOUR UFID, GATORLINK, & ISIS**

**UFID**

You will be assigned a UFID by the University of Florida. The UFID is assigned by the office which has the first contact with the student, usually Admissions or SFA. The UFID is your primary identifier for all your UF records and transactions. You will use your UFID to conduct all types of UF business.

You can get your UFID online by going to [http://www.ufid.ufl.edu](http://www.ufid.ufl.edu).

**GatorLink**

Once you have been assigned a UFID, you will be able to create a Gatorlink account. GatorLink is an individual's computer network identity at the University of Florida.

If you are a student applicant, you are eligible for a GatorLink username and password, but not eligible for a mailbox or other central services. An admitted applicant, a registered student, or a non-registered active (summer term) student is eligible for a mailbox and other central services in addition to the basic network access account.

Students can create a Gatorlink account from the sign-on page of the myUFL Portal. Additional help with Gatorlink account creation is available at [http://www.gatorlink.ufl.edu](http://www.gatorlink.ufl.edu).

Students should wait a minimum of two business days after applying to the University of Florida to create their Gatorlink account.

**ISIS**

Successful creation of a GatorLink account grants a student access to ISIS, UF's Integrated Student Information System, available at [http://wwwisis.ufl.edu](http://wwwisis.ufl.edu). ISIS is the main way to get information about your financial aid, documents still needed to complete your file, your deferment status, and your disbursement status. On ISIS, look under "Financial Aid."

**E-Mail**

Once registered, you will be eligible for a UF mailbox (as well as other central network services such as access to UF's wireless network). Take care in setting up your Gatorlink e-mail account—you will receive important financial aid business correspondence at your GatorLink e-mail address. Check your GatorLink e-mail daily.

Financial aid e-mails may include: financial aid award notices; follow-up letters; direct loan correspondence; academic progress notifications; verification notifications; and requests for additional documentation.

---

**WWW.STUDENTLOANS.GOV**

For Students Receiving Federal Direct Loans

[Webpage Image]

Student borrowers receiving federal Direct Loans can use studentloans.gov to manage most aspects of their loans.

Using studentloans.gov, borrowers can:
- Get an overview of the Direct Loan program
- View their loan documents
- Apply for a federal PIN
- Complete Entrance Counseling
- Complete Exit Counseling
- Sign their Master Promissory Note (MPN)
- Request a PLUS loan
- Find information about student aid programs
- View their entire student loan history
- Find information about loan repayment plans, loan discharge, and loan forgiveness programs
CHAPTER 3: AID PROGRAMS

GRANTS

Grants are considered gift aid. They are awarded to students who show the greatest financial need. Students apply for the Federal Pell Grant, the FSEOG, the FSAG, and the I. Douglas Turner Grant by completing a FAFSA.

Undergraduates who complete the FAFSA will be automatically considered for a Federal Pell Grant and all other federal grant programs for which they may be eligible.

FEDERAL PELL GRANT

The Federal Pell Grant program provides financial assistance to students who could not otherwise afford to pay for college as an undergraduate. The federal government awards grants according to each student's financial need as determined by federal methodology, a congressionally established need analysis formula. Need for other aid is based upon and determined around the student's eligibility for Federal Pell Grant.

Awards are prorated according to enrollment status and can be received at less than half time status if eligible. Awards range from $555 to $5,550 per academic year.

To be eligible, you must be a U.S. citizen, national, or permanent resident; show financial need according to the Federal Student Aid Report (SAR); be an undergraduate enrolled in a degree-seeking program; maintain satisfactory academic progress; and not have defaulted on or owe a refund to any previous aid program.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)

This federally funded aid program is available to undergraduates who show exceptional financial need. UF selects recipients and determines award amounts based on greatest financial need. Awards at UF range from $100 to $2,000 a year.

To be eligible, you must be a U.S. citizen, national, or permanent resident; have financial need as determined from aid application; be an undergraduate enrolled for at least six credit hours; maintain satisfactory academic progress; not have defaulted on or owe a refund to any previous aid program; and be receiving a Federal Pell Grant.

TEACHER EDUCATION ASSISTANCE FOR COLLEGE AND HIGHER EDUCATION (TEACH) GRANT

The TEACH Grant is a federal program that was created for students who plan careers as full-time teachers in high-need subject areas. The grant provides up to $4,000 per year in grants for graduate and undergraduate studies; part-time students are eligible, but the maximum grant will be reduced.

The grant is also available for post-baccalaureate teacher certification coursework. If students do not fulfill all program requirements, TEACH grants must be repaid as Federal Direct Unsubsidized Stafford Loans. Interest will accrue from the date of the original disbursement.

To be eligible, you must complete a FAFSA; be a U.S. citizen or eligible non-citizen; be enrolled in one of UF's TEACH Grant Eligible programs; meet specific academic achievement requirements; complete TEACH Grant loan entrance and subsequent loan counseling; and sign a
FLORIDA STUDENT ASSISTANCE GRANT (FSAG)

The Florida Student Assistance Grant is a state-funded program awarded to qualified undergraduates who show financial need and academic promise and who have maintained Florida residency at least 12 months before the beginning of the term for which they are applying. Awards range from $200 to $2,069 per academic year.

Eligibility for Florida Student Assistance Grants (FSAG) is determined by SFA according to guidelines established by the Office of Student Financial Assistance in Tallahassee. Priority is given to Florida residents who meet the UF March 15 "on-time" financial aid application deadline.

To be eligible for the FSAG, you must:

- be a U.S. citizen, or an eligible non-citizen
- be an undergraduate enrolled at least six credit hours in a degree-seeking program
- be a Florida resident for 12 consecutive months before the beginning of the academic year
- meet state academic progress standards for renewal of FSAG
- have a minimum 2.0 GPA
- meet Selective Service registration requirements
- not have defaulted on or owe a refund to a state or federal aid program
- have a family contribution less than or equal to the amount required by the Florida Office of Student Financial Assistance (OSFA)
- and meet College-Level Academic Skills Test (CLAST) requirements.

To renew, students must have earned 12 credit hours each full-time semester, 9 credit hours for each three-quarter-time semester, and 6 hours for each half-time semester during which FSAG was received the previous year.

I. DOUGLAS TURNER GRANT

These grants are awarded to students who show extreme financial need. UF selects the recipients of this award. Turner Grants are funded by UF. This grant ranges in value from $100 to $5,000.

Eligibility requirements are the same as for FSEOG, with the exception that the student does not need to receive a Federal Pell Grant to receive these grants.

To be eligible, you must be a U.S. citizen, national, or permanent resident; have financial need as determined from aid application; be an undergraduate enrolled for at least six credit hours; maintain satisfactory academic progress; and not have defaulted on or owe a refund to any previous aid program.

UF GRADUATE AND PROFESSIONAL GRANTS

This UF-funded grant program is awarded by SFA to graduate and professional students who demonstrate exceptional financial need. This grant ranges in value from $100 to $3,000.

To be eligible, you must be a U.S. citizen, national, or permanent resident; have financial need as determined from aid application; maintain satisfactory academic progress; and not have defaulted on or owe a refund to any previous aid program.

SCHOLARSHIPS

Scholarships are considered gift aid; they do not have to be repaid and do not require recipients to perform services to receive them.

Several UF offices administer scholarships. For information on scholarships available through individual university departments and colleges, see Chapters 7 and 8, and/or check with your department or college.

SFA AWARDED SCHOLARSHIPS

SFA awards and/or administers the following scholarships. Students are automatically considered if they apply for financial aid by the "on-time" deadline, have financial need as indicated by the FAFSA, enroll as a full-time student with 3.0 GPA, and meet the donor-specified criteria.

Non-Endowed Scholarships

Jessie Ball duPont/Alfred I. duPont Scholarship

Established by Mrs. Jessie Ball duPont in memory of her husband. A guideline excerpt states: "These scholarships are to be given, not loaned, but the recipients are requested, after their graduation, when they have earning capacity, to pass a like amount, as they have received, on to some deserving boy or girl who needs assistance in acquiring an education. In this way, it will be a permanent chain for the benefit of our youth."

Follett Bookstore Scholarship

The Follett Bookstore provides scholarships in the form of credit at their main campus bookstores. The credit equals the standard cost for undergraduate books and supplies excluding computer hardware.

Robert D. and Flora E. Fuhrman Scholarship

This memorial scholarship was established in 1982 from the estate of Robert D. and Flora E. Fuhrman to help needy students.
Metta Heathcote Scholarship
Established by a trust fund created by Mrs. Metta Heathcote, longtime resident of St. Petersburg, this scholarship is available to Pinellas County residents. Awards are based on financial need, with preference given to St. Petersburg residents.

Endowed Scholarships
For descriptions of the following SFA-awarded, endowed scholarships and fellowships, see the UF Foundation website, [http://www.uff.ufl.edu/Scholarships/ScholarshipListing.asp](http://www.uff.ufl.edu/Scholarships/ScholarshipListing.asp).

Scholarships marked with an asterisk (*) require completion of an additional application, available on our website at [http://www.sfa.ufl.edu/publications/forms](http://www.sfa.ufl.edu/publications/forms).

**STATE OF FLORIDA PROGRAMS**

Applications for and information about these and other programs offered by the Florida Department of Education (FDOE) can be obtained from high school guidance offices and from the Florida Department of Education’s financial aid website, [http://www.floridastudentfinancialaid.org](http://www.floridastudentfinancialaid.org). The State Programs tollfree customer service line is 1-888-827-2004. You may email the Office of Student Financial Assistance at osfa@fdoe.org.

The Florida Office of Student Financial Aid offers numerous programs, including:

- Florida Bright Futures Scholarship
- Scholarships for Children and Spouses of Deceased or Disabled Veterans and Servicemembers
- Florida Student Assistance Grant
- José Martí Scholarship Challenge Grant
- Robert C. Byrd Honors Scholarship
- Rosewood Family Scholarship

Complete application information regarding these programs, their award amounts, and their renewal requirements can be found on the OFSA website, [http://www.floridastudentfinancialaid.org](http://www.floridastudentfinancialaid.org).

General eligibility requirements for all programs are as follows:

1. Students must meet Florida residency requirements for receipt of state student financial aid by maintaining residency in Florida for purposes other than education for a minimum of 12 consecutive months before the first day of class of the academic term for which funds are requested. Whether an individual meets residency requirements is determined by the postsecondary institution at which he or she enrolls. Applicants with questions about residency status should contact the University of Florida Admissions Office.

2. Students may not owe a repayment under any state or federal grant, loan, or scholarship programs, unless satisfactory arrangements to repay have been made.

3. Students may not be in default on any federal Title IV or state student loan program, unless satisfactory arrangements to repay have been made.
Students apply for OSFA scholarships by completing the Florida Financial Aid Application online at http://www.floridastudentfinancialaid.org or by submitting a paper application available through your high school guidance office. Some programs listed here also require completion of the FAFSA, available at http://www.fafsa.ed.gov.

Florida Bright Futures Scholarship Program

The Florida Bright Futures Scholarship Program provides scholarships based on high school academic achievement. It has three award levels: the Florida Academic Scholars Award, the Florida Medallion Scholars Award, and the Florida Gold Seal Vocational Scholars Award. Each award level has different academic criteria for eligibility, as well as different award amounts. Awards are per credit hour. Awards are funded for fall and spring semesters.

Students must submit a completed Florida Financial Aid Application during their last year in high school (after December 1 and prior to graduation).

Florida Academic Scholars Award recipients receive $125 per credit hour, Florida Medallion Scholars Award recipients receive $94 per credit hour, and Florida Gold Seal Vocational Scholars Award recipients receive $94 per credit hour. In addition, the Florida Academic Scholar with the highest academic ranking in each county will receive the Academic Top Scholars Award, $53 per credit hour.

Bright Futures Scholarship recipients who graduate with a baccalaureate degree in the 2010-11 academic year (or after) in either seven semesters or 105 semester hours, and who have remaining hours and time left on their program, and wish to pursue graduate study, may apply the unused portion of their FAS or FMS award toward one semester of graduate study, not to exceed 15 semester hours paid at the undergraduate rate.

Students are required to repay the amount awarded for any course dropped or withdrawn unless the student appeals for, and is granted, an exception by his/her home postsecondary institution.

More detailed information about the Bright Futures Program can be found at http://www.floridastudentfinancialaid.org/ssfad/bf and on SFA’s Florida Bright Futures page, http://www.sfa.ufl.edu/?p=318.

For more information about Bright Futures Reinstatement, Restoration, or Renewal, see page 24.

Robert C. Byrd Honors Scholarship Program

The Robert C. Byrd Honors Scholarship Program is funded by the U.S. Department of Education (USDOE). It provides scholarships to outstanding high school seniors who show promise of continued academic achievement. Awards are distributed equitably through all geographic regions in Florida.

To be considered, students must submit a completed, error-free Florida Financial Aid Application by April 15. High schools may nominate one student per high school by May 15. Nominated applicants are ranked and awarded by the FDOE according to available funding.

Scholarships for Children and Spouses of Deceased or Disabled Veterans and Servicemembers

The State of Florida provides scholarships for dependent children and unmarried spouses of Florida veterans or servicemembers who either: 1) died as a result of service-connected injuries, diseases, or disabilities sustained while on active duty, or 2) have been verified by the Florida Department of Veterans’ Affairs as having service-connected 100% total and permanent disabilities. The Florida Department of Veterans’ Affairs will certify the official status of veterans or service members. Applicants must submit a completed Florida Financial Aid Application and ensure that the Florida Department of Veterans’ Affairs certifies the applicant’s eligibility by April 1.

This scholarship will cover the student’s tuition and fees for two semesters per academic year for students enrolled in at least six credit hours; an eligible student may receive funding for up to 110% of the number of required credit hours of an initial baccalaureate degree, though unused hours may not be used for funding after a student earns a baccalaureate degree.

José Martí Scholarship

The José Martí Scholarship Challenge Grant Fund provides scholarship assistance to Hispanic-American students who meet scholastic requirements and demonstrate financial need. Applicants for undergraduate study must apply during their senior year of high school. Graduate students may apply—however, priority for the scholarship is given to graduating high school seniors.

To be considered, students must submit a completed, error-free Florida Financial Aid Application and provide supporting documentation by April 1. Students must also submit a completed, error-free FAFSA application in time to be processed by the U.S. Department of Education by May 13. The scholarship is awarded at $2,000 per academic year.

Rosewood Family Scholarship

The Rosewood Scholarship is a need-based scholarship that provides assistance for up to 25 eligible students to attend a state university. Students must be direct descendants of Rosewood families affected by the incidents of January 1923.

Applicants must complete and submit the Florida Financial Aid Application by April 1 and submit a FAFSA to the U.S. Department of Education in time to be processed by May 13. Students must also provide documentation of ancestry to OSFA by April 1.

Students may receive tuition and fees for 15 credit hours of undergraduate study per term, not to exceed $4,000 annually, or the amount established in the General Appropriations Act, whichever is less. Awards will be prorated if funds are insufficient to provide the maximum award to each of the 25 recipients.
OTHER STATE OF FLORIDA SCHOLARSHIP PROGRAMS

The following programs are administered by offices on campus rather than the OFSA. Please contact the individual offices indicated below.

Ethics in Business Scholarship
In 1997, the Florida Legislature established an ethics scholarship challenge grant as part of the State of Florida’s settlement with the Prudential Insurance Corporation. This grant allows private endowment gifts to be matched 100%. In addition to criteria established by individual donors, the Florida Legislature has added the requirements of need, an ethics course, and community service. The following scholarships support Ethics in Business Scholarships at UF:
- Steve Crebbin Memorial Scholarship; Robert L. Rose Memorial Scholarship; John S. & James Knight Foundation Scholarship; Don Thomas Memorial Scholarship; Billy Matthews Scholarship; Fin Jorgensen Memorial Scholarship Fund; William C. Mason III Memorial Scholarship; Peter and Nancy Barr Scholarship; Sara Lawin daKen Scholarship; Ralph W. Miller Scholarship; Latin Builders Association Scholarship; Prudential Business Ethics Scholarship; José M. Sánchez Scholarship; Sanibel/Captiva Rotary Club Jimmy Taucht Scholarship; F. Andrew Warden Advertising Scholarship.

Florida Fund for Minority Teachers/Minority Teachers Education Scholarship Fund (MTEF)
Contact: G415 Norman Hall/P.O. Box 117045, Gainesville, FL 32611-7045; (352) 392-9196, ext. 21; http://education.ufl.edu/RMRA

Eligibility: Students must be a member of one of the following racial groups: African-American, Hispanic/Latino, Asian-American/Pacific Islander, or American Indian/Alaskan Native. Students must also be Florida residents, be newly admitted into the teacher education program, and have no more than 18 upperdivision education credits. Recipients must maintain a 2.5 GPA each semester while in the scholarship program and teach one year in a Florida public school for each year the student receives the scholarship.

Minority Community College Transfer Scholarships (MCCTS)
Contact: Dr. Andy McCollough, Interim Associate Provost, University of Florida, Suite 235 Tigert Hall, P.O. Box 113175, Gainesville, FL 32611-3175; (352) 846-1761; TDD/V (800) 392-3008; http://www.aa.ufl.edu/aa/ccrel/tip9.asp

The MCCTS is a competitive program for qualified Florida residents that is awarded on the basis of financial need, academic merit, and other selected criteria. Criteria include academics, character of the applicant, whether the applicant has been awarded other scholarship aid, race, as well as a variety of other factors.

Applicant must provide:
- a completed 2011-12 application form;
- a current official (not a photocopy) transcript from the community college;
- a statement of your career goals, achievements, and activities;
- three letters of reference addressing your academic success and potential;
- a completed 2011-12 FAFSA.

To receive full consideration, the FAFSA should be submitted no later than June 15, 2011. Need and need/merit applicants only.

OTHER ACADEMIC SCHOLARSHIPS

OFFICE OF ADMISSIONS
Contact: Rebecca Johnson, Office of Admissions, 201 Criser Hall, PO Box 114000, Gainesville, FL, 32611; (352) 392-1365

The Office of Admissions awards academic scholarships to incoming freshmen students based on their academic ability and achievement. To be considered, students must submit their online application by November 1st and complete their application (transcripts, test scores, and application fee) by mid-December.

National Merit Finalist Scholarships (NMSC)
To qualify, students must take the PSAT/NMSQT (Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test) during their junior year of high school. Recipients must be National Merit Finalists who name UF as their "college of first choice" with the NMSC. These students will appear on a final roster sent from NMSC.

The following donors have created funds for NMSC through the UF Foundation:
- Jerome Bain Scholarship Fund; Col. Walter E. Barker Merit Scholarship; Thomas C. Chubb Merit Scholarship Fund; Daniel LeRoy Claville Jr. Scholarship Fund; Irving and Elna Kallman Scholarship Fund; Roger Long/W. J. and A. C. Wise Scholarship Fund; Bernard F. Masseria Scholarship/ Fellowship Fund; Wilma D. Meyer Scholarship Fund; Arthur W. Pugsley Memorial Fund; Richard Fay Warner Scholarship Fund; and the Ted Wysocki Scholarship Fund.

For information about these scholarship funds, go to the University of Florida Scholarship Endowed Scholarship and Fellowship website, http://www.ufl.ufl.edu/Scholarships/NationalMeritScholars.asp.

National Achievement Finalist Scholarship
To qualify, students must take the PSAT/NMSQT during their junior year of high school. Recipients must be named National Achievement Finalists by the National Merit Scholarship Corporation and provide verification of their status to the Office of Admissions.

Presidential Scholarships
Recipients are selected from admitted freshman based on scholastic accomplishment and academic potential. No separate application is required. The Presidential Scholarship Program awards scholarships to both in-state and out-of-state students. It is a tiered program with different award levels.
ACADEMIC AFFAIRS

The UF Foundation website, http://www.ufl.edu/ Scholarships/scholarshiplisting.asp, has descriptions of the following endowed scholarships and fellowships:

- Alfred T. Airth General Scholarship Fund; Alumni Graduate Fellowships Fund; Jim Anderson Memorial Fund; Jerome Bain Scholarship Fund; Col. Walter E. Barker Merit Scholarship; Haydon Burns Scholarship Fund; Firzighugh and Essie Carter Scholarship; Thomas C. Chubb Merit Scholarship Fund; Daniel Leroy Claville Jr., Scholarship Fund; Paul G. and Harriette C. Franklin Merit Scholarship; Gulf Power Foundation Scholarship; Grace Hausch and John M. Hausch Memorial Fund; John B. and Emily J. Higdon Fellowship Fund; Irving and Elina Kallman Scholarship Fund; Mary Karle Scholarship Fund; L. Gale Lemerand Scholarship Fund; Roger Long/W. J. and A. C. Wise Scholarship Fund; Bernard F. Missetta Scholarship/ Fellowship Fund; Alfred A. McKethan Scholarship; Wilma D. Meyer Scholarship Fund; Alyce Norine Haines Fellowship Fund; Charley Pell Memorial Scholarship Fund; Arthur W. Pugsley Memorial Fund; Albert G. Rayburn Scholarship Fund; Deb Richard Foundation Scholarship; Frank and Doris S. Richter Memorial Scholarship Fund; Dr. Greta Anderson Smolowe Scholarship; Sherwood L. Stokes Environmental and Water Quality Scholarships; Richard Fay Warner Scholarship Fund; Arthur K. Woodman Scholarship Endowment; A. F. Wentworth Honors Scholarship; Sara H. Woodruff Foundation Graduate Fellowships; Ted Wysocki Scholarship Fund; and the Sue K. Young Scholarship.

TUITION EXCHANGE PROGRAM

Contact: Ileana McCray, Office of the Provost, 235 Tigert Hall, P. O. Box 113175, Gainesville, FL 32611-3175; (352) 392-4792

Through Tuition Exchange, employee dependents attend colleges and universities other than their home institution. UF waives in-state and out-of-state fees for a limited number of children of employees at participating institutions. Students must meet all UF admissions requirements. The number of awards available depends on the availability of funds. Application and a list of participating institutions are available at http://www. aa.ufl.edu/aa/provost/tep.

ATHLETIC SCHOLARSHIPS

Students (or their high school coach) interested in athletic scholarships should contact the coaches of the sports in which they are interested. Students should call (352) 375-4683 or write the University Athletic Association, P. O. Box 14485, University of Florida, Gainesville, FL 32604-2485, for coaches’ names, addresses, and phone numbers. Intercollegiate athletic endowment funds are listed at the UF Foundation website at http:// www.ufl.edu/Scholarships/scholarshiplisting.asp.

DEAN OF STUDENTS OFFICE

Contact: Sylvia Parker, 202 Peabody Hall, (352) 392-1261 ext. 212; http://www.dso.ufl.edu

University Women’s Club Scholarships

Eligibility: for more information, go to the UF Foundation website, http://www.ufl.edu/ Scholarships/WomensClub.asp.

Application: by February 24 at 4:30 p.m.; applications can be obtained from DSO or from the DSO website at http:// www.dso.ufl.edu/scholarships/uwc.

Value: $1,000

Eccleston-Callahan Memorial Trust Scholarship

This trust fund was established to provide scholarships for needy students with disabilities to help meet their costs of education. Selection is made by the Disability Resource Center in the Dean of Students Office.

FLORIDA MUSEUM OF NATURAL HISTORY

R. Jerry Britt Jr. Paleobiology Scholarship

Submit applications to Roger W. Portell, Division of Invertebrate Paleontology, Florida Museum of Natural History, UF.

Eligibility: advanced UF undergraduate or graduate students who demonstrate outstanding academic achievement and are conducting paleobiologic research (especially field studies) in association with the Florida Museum of Natural History, See the website, http://www. flmnh.ufl.edu/invertpaleo/grants.htm.

Miss Lucy Dickinson Scholarship in Vertebrate Paleontology

Students should apply to the graduate program of an appropriate UF department (e.g. zoology, geology,
anthropology or wildlife). Students should send an electronic copy of their application, along with a letter of intent for consideration of the Dickinson Scholarship to: jblocher@flmnh.ufl.edu.

**Eligibility:** first-year graduate students pursuing a doctoral degree in vertebrate paleontology associated with the Florida Museum of Natural History; see the Museum website, [http://www.flmnh.ufl.edu/vertpaleo/fellowship.htm](http://www.flmnh.ufl.edu/vertpaleo/fellowship.htm) or the UF Foundation website, [http://www.uff.ufl.edu/Scholarships/scholarshiplisting.asp](http://www.uff.ufl.edu/Scholarships/scholarshiplisting.asp).

**GENERAL UNIVERSITY SCHOLARSHIP ENDOWMENTS**

The following endowments support UF student scholarships:

- **Paul G. and Harriette C. Franklin Merit Scholarship; James W. Kynes Memorial Scholarship Fund; Madelyn M. Lockhart Graduate Fellowship; Cynthia A. Melnick Endowment; Kathleen and James Pellicane Fellowship; Christopher M. Squitieri Scholarship Fund; The Jon L. and Beverly A. Thompson Endowment** supports the Florida Opportunity Scholarships program at UF.

For further information, see the UF Foundation website, [http://www.uff.ufl.edu/scholarships/scholarshiplisting.asp](http://www.uff.ufl.edu/scholarships/scholarshiplisting.asp) under General University Scholarships.

**SAMUEL P. HARN MUSEUM OF ART**

**Contact:** Eric Segal, Education Curator of Academic Programs, Harn Museum of Art, P. O. Box 112700, Gainesville, FL 32611; (352) 392-9826

Complete application information for the following internships is available at [http://www.harn.ufl.edu/workwithus](http://www.harn.ufl.edu/workwithus).

**Deadlines:** Harn Museum internships are available on an ongoing basis with three yearly selection periods and application deadlines: spring term, October 1; summer term, March 1; and fall term, June 1.

**Marshall Criser Internship**

**Eligibility:** students selected to participate in the internship program at the Harn Museum; strong writing, research, and critical thinking skills; writing sample required.

**Value:** $2,500 fall and spring semesters

**Dixie Neilson Museum Studies Registration Internship**

**Eligibility:** students already selected to participate in the internship program in Registration Department at the Harn Museum; The Neilson Internship is available one semester per calendar year to graduate students earning Master of Arts degrees/certificates in Museum Studies both at the University of Florida and other institutions.

**Value:** $1,250 one semester per year

**E. Robert Langley Internship**

**Eligibility:** undergraduate and graduate students enrolled full-time in the UF School of Art & Art History can apply; available spring and summer terms; if a project warrants, a student may be eligible for funding for two consecutive terms. Final approval of the Museum’s selected applicants is made by the School of Art and Art History.

**Value:** varies

**HOUSING AND RESIDENCE EDUCATION, DEPARTMENT OF**

**Contact:** Norbert W. Dunkel, Director of Housing and Residence Education, P. O. Box 112100, Gainesville, FL 32611-2100; (352) 392-2161

**Randall J. Bodner and Gary W. Faircloth Scholarship Fund**

For information on this endowed scholarship fund, contact the Department of Housing and Residence Education or visit the UF Foundation website, [http://www.uff.ufl.edu/Scholarships/scholarshiplisting.asp](http://www.uff.ufl.edu/Scholarships/scholarshiplisting.asp).

**Eligibility:** active members of the UF Inter-Residence Hall Association (IRHA); full-time students in good standing; high academic success (minimum 3.0 cumulative GPA); must be directly involved in residence hall activities and area/hall government.

**Application:** a committee of the Department of Housing and Residence Education professional staff and Inter-Residence Hall Association representatives will select the recipient.

**Value:** $500

**Cathie Ponikvar/NRHH Award**

**Eligibility:** Applicants must be undergraduates residing in an on-campus residence hall who exhibit strong leadership and maintain the best academic record possible; must be a continuing student and be enrolled in the following fall term. Awards will be made when funds reach the specified endowment level.

**MCNAIR SCHOLARS PROGRAM**

**Contact:** UF McNair Scholars Program, 1 Fletcher Drive, Infirmary Building, Room 319, University of Florida, Gainesville, FL 32611; [http://undergrad.aad.ufl.edu/mcnair](http://undergrad.aad.ufl.edu/mcnair)

The Ronald E. McNair Postbaccalaureate Achievement Program is designed to encourage undergraduates to pursue doctoral degrees.

**Eligibility:** UF juniors or seniors (must have three semesters remaining before graduation); a 3.0 or higher cumulative GPA; low-income and first-generation college students or a member of a group that is underrepresented and intends to pursue a Ph.D. after graduation; eligibility criteria set by the U.S. Department of Education; for more information, please contact UF McNair Scholar’s office.

**Application deadline:** November 30

**Value:** $2,800 research stipend to be used for research expenses

**J. WAYNE REITZ UNION**

**Billy Matthews Endowed Scholarship Fund**

**Contact:** Union Director’s Office, 101 JWRU; (352) 392-1643

**Eligibility:** outstanding undergraduate students who are employees of the Reitz Union; must have financial need, and at least one credit hour of an ethics course; see the UF Foundation website, [http://www.uff.ufl.edu/scholarships/](http://www.uff.ufl.edu/scholarships/)
The following awards are available to students who are at least 18 years old by the start of the program of choice; are a U.S. citizen or legal permanent resident; completed an online Study Abroad Scholarship Application (available at http://www.abroad.ufic.ufl.edu); provide a statement of purpose essay, a statement of financial need, and an unofficial UF transcript; and have a minimum 3.0 GPA (some scholarships require higher).

Each scholarship may have additional criteria or restrictions.

**Application Deadlines:** February 5 for summer; March 2 for fall and academic year, and September 15 for spring programs.

**Semester & Academic Year Scholarships**
- Daniel Sinclair Bredahl Scholarship for Academic Year;
- Daniel Sinclair Bredahl Semester Scholarship;
- Daniel Sinclair Bredahl Semester Scholarship/College of Liberal Arts and Sciences; Daniel Sinclair Bredahl/International Center Semester Scholarship; College of Liberal Arts and Sciences Scholarship.

**Summer Scholarships**
- International Center Summer Study Abroad Scholarship;
- International Center Summer Study Abroad Merit Scholarship; Irene Phillips Alliance Scholarship for Summer Study Abroad; UF Honors Summer Study Abroad Scholarship; Scarborough Scholarship for Summer Study Abroad.

**Spring Scholarships**
- Daniel S. Bredahl Spring Semester Scholarship; UF International Center Spring Semester Study Abroad Scholarship; Alliance Scholar-Irene Phillips Award Semester Scholarship; Marco Souer Academic Year in Utrecht Scholarship.

**UF GATOR CLUB SCHOLARSHIPS**

**Contact:** Jeanna Goldberg, UF Alumni Association, 1938 W. University Avenue, P. O. Box 14425, Gainesville, FL 32604; (352) 392-5489

Gator Clubs® exist under the umbrella of the University of Florida Alumni Association for the benefit of UF.

With its many locations and diversity, Gator Clubs® serve to sponsor education and professional seminars, provide scholarship opportunities, host social and athletic functions, design community service projects, and foster young alumni programming. Membership in Gator Clubs® is open to all alumni, parents, friends, and students of the university.

The UF Alumni Association-chartered Gator Clubs® sponsor scholarships for students attending UF from all over Florida, as well as from many other parts of the country. Gator Club® scholarships are awarded based upon criteria established by each Gator Club®, including, but not limited to academic merit, school involvement, and community involvement.

Go to http://www.ufl.edu/Scholarships/GatorClubs.asp for information on the Gator Club® scholarships. Contact the Gator Club® in your area for more information.
UNIVERSITY HONORS PROGRAM

Contact: Regan Garner, Honors Program, 343 Infirmary,
University of Florida, Gainesville, FL 32611
The Awards Division of UF's University Honors Program
serves as a source of information for any UF student
considering applying to one or more of these nationally
recognized awards. The fellowships require an extensive
period of preparation before a student will be able to
submit an application, so students should contact the
appropriate awards adviser far in advance of the campus
deadline. You do not have to have been a member of
the Honors Program to apply. For more information
go to http://www.honors.ufl.edu/HonorsProgram-
Scholarships.aspx.

John V. Lombardi Scholarship Program
Penelope W. and E. Roe Stamps IV Leadership
Scholar Awards

Contact: Dr. Kevin Knudson, University of Florida, P. O.
Box 113260 Gainesville, FL 32611-3260, (352) 392-1519;
http://www.honors.ufl.edu/LombardiAndStampsScholars.aspx

The Lombardi Scholarship recognizes outstanding
students who rank at or very near the top of their class.
Criteria include exceptional academic achievement with
demonstrated leadership abilities and extensive extra-
curricular activities. Lombardi Scholars receive $2,700
each fall and spring for eight to ten semesters, depending
upon the major; four summer enrichment programs,
which include two international study trips; leadership
training and a community service retreat are also funded.
Bright Futures Program will cover tuition. Each Florida
high school may nominate one student for this award.

Employment is considered self-help aid, as it is offered in exchange for a service—work.

Employment enables students to cover part of their expenses while attending school.

Job opportunities exist for all students whether or not they are eligible for financial aid.

Almost every department at UF employs students part-time. These jobs offer students work related to their skills, academic or career fields, and experiences or interests. Job duties range from those demanding special research skills to those demanding only clerical, research-related skills.

The Student Employment Office in S-107 Criser Hall offers assistance to students as they seek part-time employment through various job programs.

Jobs are available through two programs: Federal Work-Study (FWS) and Other Personnel Services (OPS). Students can search available jobs by going to http://jobs.ufl.edu.

Employment should not interfere with students’ educational goals. A normal workweek is 10 to 20 hours, and 20 hours per week is the maximum students may work on campus.

Students can petition to work more than 20 hours per week by completing the Hours Extension form, available on SFA’s forms page, http://www.sfa.ufl.edu/publications/forms. The petition must also be completed by the student’s academic adviser. If the petition is approved, the maximum hours per week becomes 31.

Students and employers generally cooperate on the hours to be worked, and most jobs allow students to arrange their schedules around their classes. Students are not permitted to work during scheduled classes or exams.

**FEDERAL WORK-STUDY (FWS) PROGRAM**

The purpose of FWS is to provide students with part-time employment to help meet college costs and, if possible, provide work experience in a related field. FWS is federally funded and need-based. Your eligibility is determined from information you provide on your FAFSA.

To be eligible, you must show need on your federal need analysis report. The number of hours you may work will depend upon your financial need.

If FWS is part of your financial aid, you must print a UF Work Permit from ISIS. Under “Awards & Disbursements,” choose “Print Work Permit.”

The FWS program includes Federal Community Service (FCS) and also the “America Reads” program. FCS allows students to work off-campus with various community agencies dedicated to improving community living, especially for low-income individuals. All requirements for FWS apply to FCS.

“America Reads” is a tutoring program promoted by the federal government to help elementary school students improve their reading skills. Students interested in “America Reads” should contact the College of Education Program Coordinator, (352) 392-9101 ext. 253.

Earnings through FWS vary with the nature of the job, your skills, and the hours you can work. Salaries start at minimum wage and range upward according to skills and experience. Most students work 10 to 20 hours a week. Employers usually prefer students to work three or more consecutive hours depending on their class schedules. To retain FICA exempt status, students must enroll for six credit hours and work no more than 20 hours a week.

To be eligible, you must be a U.S. citizen, national, or permanent resident; show need on your FAFSA need analysis report; maintain satisfactory academic progress (2.0 GPA); be enrolled at least half-time as an undergraduate or graduate student; and not have defaulted on or owe a refund to any aid program.

**How To Find & Apply for a Job**

1. **Start Early**—Jobs are available throughout the year, but the best time to find one is at the beginning of semesters.

2. **Check for Jobs**
   - On-Campus Jobs: Go to http://jobs.ufl.edu.
   - Off-Campus Jobs: Go to http://www.crc.ufl.edu.
   - At Specific Departments: Check for open positions in your department or in other departments of interest.

3. **UF Work Permit**—FWS students are required to obtain a UF Work Permit to work on campus.
   
   OPS students are not required to obtain a UF Work Permit.

   Student Employment Office
   S-107 Criser Hall, (352) 392-0296
   Hours: 8:00 a.m.—4:00 p.m., Monday through Friday
FLORIDA WORK EXPERIENCE PROGRAM (FWEP)
FWEP is a state funded, need-based, student work program which is awarded by SFA.

OTHER PERSONNEL SERVICES (OPS)
OPS is state-funded and is not based on need. To be eligible, students employed by UF must have at least a 2.0 GPA and be enrolled for at least six credit hours per semester. Average earnings are generally the same as for workstudy jobs. The total hours students can work and the amount earned will depend upon the hiring department's budget and need. Students must report OPS income on their aid applications the following year.

OFF-CAMPUS EMPLOYMENT
Off-campus jobs do not require students to demonstrate financial need. Check the Career Resource Center job postings at http://www.crc.ufl.edu/ Employer/jobposting.php. Wages will vary depending upon the job and the employer.

VETERAN AFFAIRS (VA) WORK-STUDY
On- and off-campus jobs are available for enrolled veterans of the U.S. armed services. For complete eligibility and application information, check with the UF Veterans Affairs Support Services Office, 222 Criser Hall, PO Box 114000, Gainesville FL, 32611-4000; (352) 392-1374, ext. 7413.
Program information is available at http://www.registrar.ufl.edu/va.
WorkStudy job listings are available online at http://www.jobs.ufl.edu.

CAREER RESOURCE CENTER
The following work programs are administered by the Career Resource Center at the Reitz Union. For more information, contact the CRC, 1st Floor Reitz Union, University of Florida, Gainesville, FL 32611.

Cooperative Education
The Cooperative (Co-op) Education Program combines actual paid work experience with students' academic curriculums. This program is career-oriented—its primary purpose is professional training rather than financial assistance. Co-op experience is available in areas such as business, industry, and government.
To qualify for Co-op, you must have completed your freshman year with at least a 2.0 GPA. Co-op salaries vary, but students earn enough to allow them to pay immediate living expenses and often to supplement college expenses. Two work formats are available:
1. The alternating plan allows you to work full-time every other semester. For example, you may work fall semester, attend the university spring semester, and work summer session. Most UF Coop students follow this plan.
2. Students work a minimum of 20 hours per week within commuteable distance of the Gainesville area, while continuing to attend class. To complete the program, six semesters of parallel experience are required for undergraduate engineering students, and four are required for undergraduate students in non-engineering majors and graduate students. The parallel plan allows you to work and attend classes at the same time.
For more information, go to http://www.crc.ufl.edu/ students/interncoopep.aspx or call the Coop Office at (352) 392-1601.

Internships
Internships are professional, off-campus work experiences that assist students in acquiring experience and skills that help make them competitive in today's job market.
Internships are usually for one semester, which makes them ideal for students unable to meet Co-op work-semester requirements. Part-time positions are available locally. Internship experience is available to most majors, can be paid or unpaid, and may be available for academic credit based on departmental approval.
For complete information, go to http://www.crc.ufl.edu/ students/interncoopep.aspx or call the Internship Office at (352) 392-1601.

Externships
An externship is an employer shadowing experience that typically lasts from a few hours to one week. Externships provide students with the opportunity to observe professionals and learn about possible careers in that field. This is a great option for students of any academic year who are unsure of their major or career goals and want to "test" a career without a semester-long (or longer) commitment to a company, or who want to start networking with professionals in that industry.
For complete information, go to http://www.crc.ufl.edu/ students/interncoopep.aspx.
UF primarily offers student loans through the Federal Direct Loan Program, but there are a number of other loan programs available at UF. These include: Perkins Loans, UF Long-Term Loans, and UF Short-Term Loans.

### DIRECT LOANS

UF participates in the Federal Direct Loan Program which consists of the Federal Direct Subsidized Stafford Loan, the Federal Direct Unsubsidized Stafford Loan, the Federal Direct PLUS Loan, and the Federal Direct Consolidation Loan Program.

The U.S. Department of Education is the lender and, except for consolidation loans, delivers loan proceeds through the school. UF disburses the loans after loans have been processed and approved and classes have begun.

When it is time for repayment, you will send all loan payments to the federal loan servicer.

**Subsidized Loans** are loans for students with financial need, as determined by cost of attendance minus expected family contribution and other financial aid (such as grants or scholarships). Subsidized Loans do not accrue interest while the student is in school at least half-time or during grace and deferment periods (see chart below).

**Unsubsidized Loans** are loans for students that are not based on financial need. Eligibility is determined by your cost of attendance minus other financial aid (such as grants or scholarships). Interest is charged during in-school, deferment, and grace periods. Unlike a subsidized loan, you are responsible for the interest from the time the unsubsidized loan is disbursed until it's repaid in full. You can choose to pay the interest or allow it to accrue (accumulate) and be capitalized (added to the principal amount of your loan). Capitalizing the interest will increase the total amount you have to repay.

**Subsidized and Unsubsidized Loan Limit** refers to the amount you can borrow through the Federal Direct Loan Program. It is determined by your dependency status and classification in college. The annual and aggregate loan limits are listed in the charts on the next page.

You may not be eligible to borrow the full annual loan amount because of your expected family contribution or the amount of other financial aid you are receiving.

**Parent PLUS Loans** are loans for parents of dependent undergraduate students. Parents may borrow up to the student's cost of attendance, minus other financial aid. Interest is charged during in-school, deferment, and grace periods. The borrower is responsible for the interest from the time the PLUS Loan is disbursed until it’s repaid in full. The parent can choose to pay the interest or allow it to accrue and be capitalized. Capitalizing the interest will increase the amount that must be repaid.

**Graduate PLUS Loans** are loans for graduate and professional students who are ineligible for Subsidized and Unsubsidized Loans or need to supplement their Subsidized and Unsubsidized awards. Graduate and professional students may borrow up to the student’s cost of attendance, minus other financial aid. Interest is charged during in-school, deferment, and grace periods. The borrower is responsible for the interest from the time the PLUS Loan is disbursed until it’s repaid in full. The borrower can choose to pay the interest or allow it to accrue and be capitalized. Capitalizing the interest will increase the amount that must be repaid.

### Loan Table

<table>
<thead>

charged during in-school, deferment, and grace periods. The borrower is responsible for the interest from the time the PLUS Loan is disbursed until it’s repaid in full. You can choose to pay the interest or allow it to accrue and be capitalized. Capitalizing the interest will increase the amount you have to repay.

**To Receive Your Direct Loan:**

2. When the loan is processed, go to [http://studentloans.gov](http://studentloans.gov) to either complete a Master Promissory Note or verify that one already on file.
3. Accept your loan award on ISIS. Under "Financial Aid" on the left-hand menu, choose "Awards and Disbursements" for the appropriate academic year. You may also cancel or reduce the amount of your loan. Parent PLUS loans do not need to be accepted.
4. Once classes have begun, federal requirements have been completed, and UF has verified that the student is enrolled at least half-time, UF disburses these funds.

**Direct Loan Borrower Services**

When your loan is due, the federal loan servicer will mail you a payment schedule. It will list your monthly payment on principal and interest and the unpaid balance for each month of the period it takes to repay your total debt. If they do not contact you, you are responsible for contacting them at U.S. Department of Education, Borrower Services, Direct Loan Payment Center, P. O. Box 530260, Atlanta, GA 30353-0260, 1-800-848-0979, 1-800-848-0983 (TDD). You can also contact Borrower Services on the Web, at [http://www.dl.ed.gov](http://www.dl.ed.gov).

**FEDERAL PERKINS LOANS**

Perkins loans are federally funded, long-term, low-interest loans with repayment deferred until after you graduate, withdraw, or drop to less than half-time enrollment. SFA selects recipients and determines loan amounts based on greatest financial need as determined by a student’s FAFSA. To be considered for this program, apply as soon as possible after January 1.

Undergraduate students may borrow up to $4,000 an academic year, up to a total of $27,500 toward an undergraduate degree through the Federal Perkins Loan program. Graduate students may borrow up to $6,000 a year up to a total of $40,000, including both undergraduate and graduate loans. Repayment is made in equal installments, beginning nine months after you withdraw, graduate, or drop to below half-time status. The minimum repayment amount is $40 a month, and 5% interest is charged on the unpaid balance.

The maximum time for repayment is ten years, not including deferred payment time. Provisions are made for deferment or cancellation of loan repayment under specific circumstances.

**To Receive Your Perkins Loan:**

1. First-time Federal Perkins Loan borrowers must complete Entrance Counseling before their loans can be disbursed. Before the start of classes, University Financial Services (UFS) will mail instructions on how to complete online Entrance Counseling. For more information, call UFS at 352-392-0737. or go to [http://fa.ufl.edu/ufs/disbursements/loan-counseling.asp](http://fa.ufl.edu/ufs/disbursements/loan-counseling.asp).

2. First-time Federal Perkins Loan borrowers must complete an online Federal Perkins Master Promissory Note (MPN). UFS mails borrowers
instructions on how to sign the online MPN.

3. Complete the federal Perkins Loan Disclosure/Acceptance process. Perkins Loan "disclosures" are completed on ISIS. Federal Perkins Loan Acceptance is done on ISIS under "Financial Aid" under "Awards and Disbursements." For more information, contact University Financial Services in S-113 Criser Hall.

**UF LONG-TERM LOANS**

UF Long-Term Loans are available to full-time students. Funds are donated by many private donors and administered by UF. The amount and type of loans a student receives will vary according to their financial need. Interest on UF loans ranges from 4% to 9% a year, depending on the loan fund. Most institutional loans do not start accruing interest until six months following graduation or less than halftime enrollment. Repayment begins six months after graduation or dropping to less than halftime enrollment. Repayment schedules are handled individually with a recommended minimum of $20 a month.

These loans require an endorser over 18 years of age who is not a student or student spouse. Parents are preferred. The repayment period is ten years. If you enter active military service, you may defer repayment for the period of your original enlistment or compulsory service in the armed forces. Major UF Long-Term Loan funds include: Student Aid for Education (SAFE); Meril S. Beers; Hart R. Stringfellow; Cora B. Pilling; Arthur L. Wallace; John G. and Fannie F. Ruge Memorial funds.

Each UF loan has its own disclosure documentation which students are required to read, sign, and submit prior to disbursement of funds. These disclosures clearly spell out the terms, conditions, and overall cost of each loan the student is accepting. The disclosure documentation can be found on SFA's forms page, http://www.sfa.ufl.edu/publications/forms.

To be eligible for UF Long-Term Loans, you must: be a U.S. citizen, national, or permanent resident; show need on your FAFSA; maintain satisfactory academic progress; not have defaulted on, or owe a refund to, any previous aid program; and be enrolled halftime.

**UF EMERGENCY SHORT-TERM LOANS**

Short-term Loans (STL) are available to students enrolled at least halftime to help meet temporary, emergency financial needs related to educational expenses. Registered students with valid repayment sources may borrow up to $1,000, if tuition is paid or deferred, or the amount of their in-state tuition.

Major Short-Term Loan funds include: Claude S. Ginn Memorial Educational; Edward J. Triay Jr. Memorial; B. A. Tolbert Memorial; Exxon Loans; Sarafem Dervech Loans; and Dean R.C. Beaty Memorial funds.

Interest is computed monthly at the rate of 1% on the unpaid balance from the date the loan is disbursed. A minimum of one month's interest will be charged if the loan is paid in full within 30 days. Short-Term Loans must be repaid, either when the repayment source is received or by the first day of the last month in the semester in which the loan is taken out, whichever comes first. Payment may be made at UFS in S-113 Criser Hall.

To be eligible, you must be enrolled at least halftime as an undergraduate or graduate student, have a valid repayment source, and have no "flags" or credit holds.

To apply, see an adviser at Student Financial Affairs in S-107 Criser Hall.

**REPAYMENT OF LOANS**

Educational loans awarded by UF (Federal Perkins Loans and UF Institutional Loans, such as SAFE Loans) may be repaid in equal or graduated installments. The minimum monthly repayment for Federal Perkins Loans is $40. The university may require a minimum repayment for institutional loans of $30 a month.

**Federal Direct Loan Repayment**

When it comes time to start repaying your student loan(s), you can select a repayment plan that's right for your financial situation. Generally, you'll have between 10 and 25 years to repay your loan, depending on which repayment plan you choose.

To find out more about repayment options, go to http://www.studentloans.gov.

**Student Loan Exit Counseling**

Any student who receives a student loan while attending UF must complete an online Student Loan Exit Counseling session when they graduate, drop below halftime enrollment, or withdraw from UF. Student Loan Exit Counseling is available at myUFL.

Failure to complete exit counseling may result in a hold being placed on your records, including your diploma, transcripts, and registration. Contact UFS at (352) 392-0737 if you have questions about exit counseling.
CHAPTER 4: RECEIVING YOUR AID

RECEIVING YOUR FINANCIAL AID

Once your application for financial aid at the University of Florida is complete, and you have received your award letter, there may be additional steps required before actually receiving your aid.

Grants & Scholarships

If grants and scholarships are part of your financial aid package, no further action is required of you to receive this aid, aside from complying with all relevant enrollment and academic progress requirements.

Employment

If employment is part of your award package, you have the opportunity to exchange a service (work) for financial assistance. In order to receive this aid, you must find a job. Employment comes in three varieties, Federal Work Study (FWS), Florida Work Experience Program (FWEP), and Other Personnel Services (OPS). FWS and FWEP are need-based aid, while OPS is not. All on-campus jobs are posted through GatorJobs, while off-campus jobs are posted with the Career Resource Center.

Loans

If Federal Direct loans are part of your financial aid package, you can either accept, cancel, or reduce loans using ISIS. If your loan is a Direct Loan, you are required to complete Entrance Counseling and sign a Master Promissory Note (MPN), both of which can be done on http://www.StudentLoans.gov.

If your loan is a UF Institutional Loan (loans for which UF is the guarantor), you will be required to read, sign, and return loan disclosure documentation to SFA and UFS before any money can be disbursed. The loan disclosure documentation can be found on SFA’s forms page, http://www.sfa.ufl.edu/publications/forms, in the “Loans” section.

ENROLLMENT REQUIREMENTS

UF students must enroll at least half-time to receive most types of financial aid. Students who enroll less than full time may have their aid adjusted after the drop/add period. To receive funds through some State of Florida programs, students must enroll for at least 12 credit hours. Federal Pell Grant awards are prorated according to enrollment status. Please refer to the chart below for minimum enrollment eligibility requirements for most programs.

DISBURSEMENT

Students generally receive their financial aid by direct deposit or by mail from University Financial Services (UFS), S-113 Criser Hall, after classes begin and as soon as aid is available. For students who do not sign up for direct deposit, UFS mails financial aid checks directly to the local address in the UF Directory. See also, ”Direct Deposit,” on the next page.

UFS disburses aid only after verifying enrollment status and making sure students have no financial or academic
service indicators (holds) on their records. Service indicators on records may prevent disbursement of financial aid. All unpaid tuition/fees and housing are deducted from students’ Title IV financial aid before disbursing the balance to the student. Other UF debts (such as, but not limited to, lab fees, infirmary charges, and library fines) will be deducted for students who have completed the Student Permission Agreement (see “Non-Institutional Fees,” below) on myUFL. **Financial aid cannot be used to pay prior-term tuition fees.**

**NON-INSTITUTIONAL FEES**

UF must obtain the permission of students to allow federal aid to be used to pay non-institutional charges. Non-institutional charges may include books, meal plans, laser prints, health care services, parking decals, and parking tickets.

On ISIS, students will see a page under “Financial Services” called “View Student Permissions.” This is where students can authorize payment of all UF charges. From there, students will be directed to myUFL, where they should choose “Access Permission Forms.”

**DIRECT DEPOSIT**

The University of Florida (UF) offers you the service of delivering your financial aid money directly into your checking account.

**What is direct deposit?**

Instead of receiving a check for your financial aid, your aid funds are deposited electronically into your checking account at the bank of your choice. A written notification or e-mail is sent to you each time a transfer is made to your account.

**What are the benefits?**

- Delivered directly to your account within 24 to 48 hours (next business day service)
- Mailing address problems are eliminated.

**How do you sign up?**

To sign up for direct deposit, use UF’s ISIS system on the Web at [http://www.isis.ufl.edu](http://www.isis.ufl.edu). Under “Services” select “Financial Services,” then choose “Student Direct Deposit.”

You can also sign up using direct deposit Authorization form, available from the University Financial Services website, [http://www.fa.ufl.edu/ufs](http://www.fa.ufl.edu/ufs). After doing so, you will need to complete and sign the authorization form and return it to University Financial Services in S-113 Criser Hall.

**When can you sign up?**

- You can sign up any time throughout the semester.
- It takes 24 hours for your authorization to take effect if you sign up online. It takes about three weeks if you use the Direct Deposit Authorization form.

Signing up will not delay or affect your financial aid or fellowship disbursements.

**FLORIDA BRIGHT FUTURES REINSTATMENT/RESTORATION**

Students who lose a Bright Futures scholarship because of a low GPA or a failure to fulfill the hours requirements can apply to have the scholarship restored—this process is called “restoration.” 2010 high school graduates (and those years following) can only restore their award if it is lost in their first academic year. Currently enrolled students can restore the scholarship in any year.

An eligible student who did not receive scholarship funds for the previous academic year (fall through spring) is eligible for “reinstatement.”

Students who qualify for restoration or reinstatement must complete a Reinstatement/Restoration application available on the OSFA website.

**FLORIDA BRIGHT FUTURES RENEWAL REQUIREMENTS**

All Bright Futures recipients are required to meet minimum credit hour requirements to renew their award each year. Full-time students are required to earn at least 24 semester hours (prorated for part-time students) in order to renew their award at the end of each academic year.

Additionally, Florida Academic Scholars must earn a minimum cumulative 3.0 GPA to renew their award each year. Florida Academic Scholars with a 2.75-2.99 GPA will renew as Florida Medallion Scholars. Florida Medallion and Florida Gold Seal Vocational Scholars must earn a 2.75 minimum cumulative GPA to renew their award each year.

**RECEIVING YOUR LOAN FUNDS**

Each type of loan offered as part of your financial aid has specific disbursement requirements. Students should be aware of these requirements and ensure that they have all been met. Loan funds will not be disbursed until all program requirements are met.

For specific information regarding receiving Direct Loans, see page 21.

**Short-Term Loans (STL) Disbursement**

If you apply for an STL at Student Financial Affairs in S-107 Criser Hall and your application is approved, you
will either (1) receive the loan check and a copy of the promissory note at your local address within 48 hours of the approval date, (2) receive the money via direct deposit into your checking account, or (3) be given an appointment to pick up your check at University Financial Services in S-113 Criser Hall.

**CHECK YOUR STATUS ON ISIS**

All students receiving financial aid are responsible for keeping track of their aid file and awards through ISIS, including providing information still needed to complete their file.

On ISIS, under “Financial Aid” under the correct award year, you can choose from:

- Aid Status (deferment, missing documents, verification, financial aid academic progress, etc.)
- Awards and Disbursements (review your award; accept, cancel, and reduce work and loan programs awards; report additional aid)

Additional Aid Reporting (select to report additional aid not listed on your aid award; you can also do this on the Awards and Disbursements page).

**EXPECT FINANCIAL AID E-MAIL**

Once registered, you will receive important financial aid business correspondence at your GatorLink e-mail address. Check your GatorLink e-mail daily for important financial aid correspondence. SFA uses e-mail as the primary way to communicate with financial aid applicants and recipients.

SFA also generates e-mails directly from your aid file to alert you to requirements you have yet to complete. These e-mails often provide a link directly to ISIS.

Types of financial aid e-mails include:

- Financial Aid Awards and Revised Awards
- Financial Aid Follow-Up Letters
- Direct Loan Correspondence (e.g., entrance counseling)
- Academic Progress Notifications
- Verification Notifications
- Requests for Additional Documentation

**FEDERAL VERIFICATION/ QUALITY ASSURANCE**

Each year, about 40% of students’ aid applications nationwide are chosen for verification, a process of confirming data supplied by the applicant and/or their parents. UF also must resolve discrepancies on students’ financial aid applications. UF participates in the Quality Assurance (QA) Program, a federal program that allows the university to establish its own verification criteria and determine which student files must be verified.

If your application is selected for verification, or if there are discrepancies with your application information, we will send you an e-mail alerting you to check your "Financial Aid Status" on UF’s ISIS system to determine what documents to provide. **Do not submit any documents unless we ask you to do so.** Aid funds cannot be disbursed to you until you submit all requested documents and the accuracy of your information has been checked. This can take four weeks or longer.

NOTE: Students who receive financial aid based on incorrect information may be required to pay it back. Anyone intentionally giving false or misleading information on aid applications may be subject to a fine of $10,000, receive a prison sentence, or both.

**Your Responsibilities If Selected for Verification or Quality Assurance**

- Quickly submit all requested documents to SFA.
- Keep in touch with your parents throughout the verification process, if you are a dependent student.
- Keep your mailing address, phone number, and e-mail address current with the UF Directory through ISIS.

**VERIFICATION SURVIVAL GUIDE**

Simply put, verification is a process by which UF resolves discrepancies on students’ financial aid applications.

For students who have been put into verification:

1. If your application has been selected for federal verification or quality assurance, don’t panic.
2. If SFA requests copies of tax returns, please submit clear copies of all pages of the tax form, any schedules completed, and all W-2s. Remember to sign the copy of your tax return, and make sure the return and W-2s are for the appropriate year.
3. If other verification forms are requested, make sure the documents have all necessary signatures. Do not leave any questions unanswered. If an item on the form does not apply or you did not receive the described item, write "0" or "N/A" in the space provided. Leaving it blank is not the same.
4. In some cases, such as verifying citizenship status, original documents must be presented to our office in person. Bring the original, not a copy. Do not mail copies or originals.
5. Be sure to include your name and UFID with all submitted forms.
6. Be aware that, if you have been selected for verification, no financial aid will disburse until verification has been completed. Incomplete documents and missing signatures often result in delayed disbursement of financial aid.
7. Remember, the amount of aid awarded to you by SFA could change as a result of the information found during verification.
8. Please read all instructions on our forms, and feel free to call or visit our office if you have any questions at all.

**REPORTING OUTSIDE AID**

You must inform us of money or aid you receive that is not listed on your Financial Aid Award Letter from
any organization other than our office. Examples include: tuition fee waivers, fellowships, private or state scholarships, Florida Prepaid, or any awards paid directly to you.

If your award letter does not list any such aid, you must list the type and amount on ISIS using the “Additional Aid Reporting” option. Submit this information only once, then wait to receive a notification of your revised award notice via email from us. Check the new award to confirm that all changes were made correctly.

Certain programs require repayment if you receive aid in excess of your demonstrated eligibility for aid. Report outside resources early, or you might find yourself having to repay funds when you can’t afford it.

**UF PAYMENT METHODS**

**Electronic Funds Transfer**

Students may pay their tuition, fees, and other University of Florida debts directly from their checking accounts without writing a check or using a debit card. To sign up for the service: select “Make a Payment” from the “My Campus Finances” menu on myUFL. Select the radio button that reads “Electronic Payment (Credit Card or EFT/ACH),” check the box after reading and accepting the terms, choose “Pay Now.”

On the “Welcome to the UF Electronic Payment” website, select “Click here to make a payment” under the Account Summary. Students currently receiving financial aid and fellowship payment by direct deposit may already be authorized for this service. Once authorized, the student can initiate an EFT payment from their checking account by visiting myUFL and select “My Campus Finances” then “Make a Payment.”

**Bank Debit/ATM Card**

MasterCard, Discover and American Express may be used to make payments on tuition and other University debts via myUFL. Since July 26, 2005, a 2.6% service charge has been added to all online credit card transactions. MyUFL transactions include the payment of student tuition, fees, and accounts receivable charges (i.e., laser printing, library fines, infirmary charges, etc.). VISA does not allow this type of service charge and is not a payment option.

Payments made before 6:00 p.m. and after 10:00 p.m., Monday–Friday (excluding State holidays) will directly update the UF account of the student and any service indicators. Payments made between 6:00 p.m. and before 10:00 p.m. will update the account and service indicators the next business day. You may make credit card payments by visiting myUFL and select “My Campus Finances” then “Make a Payment.”

**GatorParent**

The student can initiate this form of service by selecting “Make a Payment” from the “My Campus Finances” menu on myUFL. Select the radio button that reads "Electronic Payment (Credit Card or EFT/ACH)," check the box after reading and accepting the terms, choose "Pay Now." On the Welcome to the UF Electronic Payment website, select “Add New” next to the GatorParents. The student will list the Parent’s name(s), email address, and Password then OK.

The GatorParent will receive an email confirmation for making payments. Please note, a 2.6% service charge will be added to all credit card transactions. These transactions include the payment of student tuition, fees, and accounts receivable charges (i.e., laser printing, library fines, infirmary charges, etc.). VISA does not allow this type of service charge and is not a payment option.

Payments made before 6:00 p.m. and after 10:00 p.m., Monday through Friday (excluding State holidays) will directly update the UF account of the student and any service indicators. Payments made between 6:00 p.m. and before 10:00 p.m. will update the account and service indicators the next business day.

**No-Cost Payment Methods**

All checks used for payment should be made payable to the University of Florida and include the student’s name, UFID, local address, and local telephone number.

**Secure Drop Box**

Pay by cashier’s check, check, or money order by placing a payment in the secure drop box located outside the University Cashier’s near the vending machines on the NW side of Criser Hall.

**By US Postal Service**

Payments by cashier’s check, check, or money order may be mailed to:

University Financial Services, PO Box 114050,
Gainesville, Florida 32611-4050

Checks from foreign countries must be made payable through a US bank in US dollars.

Returned items (checks and Electronic Funds Transfer) must be paid with a money order or cashier’s check.

A service fee, which ranges from $10.00 to $40.00, is assessed depending on the face value of the check, draft, money order, or EFT.

**Payment Facts**

Payments on all financial obligations will be applied on the basis of age of the debt. The oldest debt will be paid first. Payments are considered on time based on the date received by the cashier, and not based on the date of postmark.

**UNIVERSITY POLICIES ABOUT MONEY**

**Service Indicators**

The university places “service indicators” on student records for outstanding debts for tuition, parking tickets, housing, infirmary charges, library fines, returned checks, loan repayment problems, etc. A service indicator prevents further academic progress. With a service indicator on their records, students cannot receive grades or transcripts, register for another term, receive a diploma, or use many university services. If the Registrar’s Office informs you that you have a financial service indicator on your records, use myUFL to find out about
debts (amounts due and source and type of debt). You may also go to UFS at S-113 Criser Hall to learn the reason for the service indicator and clear your records. To prevent a service indicator on records, pay university bills promptly.

**Fee Payment/UF Bills**

Students may view and print detailed tuition statements and other detailed account information through the myUFL system, in addition to making payment. Student’s accounts on ISIS provide links to pay electronically (ePay) and instructions to pay by mail. Check with UFS on their Web site, http://fa.ufl.edu/ufs, or at S-113 Criser Hall for complete and up-to-date information on your UF accounts.

All payments other than tuition are due on the first of the month. Tuition fee payments are due by the established tuition fee payment deadline for each term and are not billed before the deadline.

**Deferrals**

The university may permit deferral of tuition and fees for students receiving aid from federal or state programs if such aid is scheduled for disbursement after the fee payment deadline. A fee deferral will appear as a positive “service indicator” on your UF accounts. Deferrals are automatically granted to eligible financial aid recipients against financial aid they have been awarded. Deferrals are posted about one week before the semester begins. To see if your fees have been deferred, use ISIS, myUFL, or check with your financial aid adviser. Students who do not receive a deferral and think they may be eligible for one should check with SFA prior to the payment deadline.

**Veterans**

Fee deferrals are also issued to veterans and to some dependents of veterans who receive educational benefits and are based on information received from the UF registrar’s office.

**Housing**

Questions about deferments for UF housing should be addressed to the UF Department of Housing and Residence Education, (352) 392-2161. To qualify, students must be receiving $3,900 in verifiable financial aid for fall semester.

Students whose fees are deferred against financial aid must pay fees by the deferred fee payment deadline, whether or not their aid has arrived.

**Late Fees**

UF charges a $100 late fee for registering late and another $100 late fee for paying fees after the deadline. Students may be charged one or both late fees. If you have a fee deferment, you will be charged a late payment fee if you do not pay by the deferred payment deadline date.

**Returned Payment Items/Late Loan Repayment**

Students whose paper or e-checks are returned or who dispute a credit card transaction for any reason or are late repaying loans may: (1) lose eligibility for paying debts by check and for short-term loans and other UF loans (Perkins, institutional loans); and (2) have aid disbursements withheld until they clear the check(s) and/or repay their loan in person at UFS, S-113 Criser. A $25–$40 fee is assessed for returned items based on the face value of the returned item.

**Library Fines**

Overdue library book charges are 25¢ per day; minimum fine: $1.00. UF will bill you for overdue charges. You cannot pay these fines when you return the books, but must wait for the bill.

**Parking Fines**

If you purchase an on-campus parking decal, UF Traffic and Parking will provide you with a parking policy brochure. You MUST have a decal to park on campus. Tickets for parking violations range from $10–$250. If the UF Police Department has your car towed or places a lock on your wheel, you must pay $50 plus outstanding tickets and tow charges to retrieve your car.

*Late fees and fines are subject to change*

**UF BOOKSTORES**

Checks are accepted for amount of purchase with a photo ID. UF Bookstores accept MasterCard, Visa, Discover, or American Express. There are branches located at Health Sciences Bookstore, Law School Bookstore, Veterinary Medicine Bookstore, and the Reitz Union Corner Store. For financial aid recipients who meet eligibility requirements, a Textbook Deferred Payment Program is available. See the Online Bookstore website, http://www.books.ufl.edu/bookstore.
CHAPTER 5: ADDITIONAL INFO

ACADEMIC PROGRESS REQUIREMENTS

UF students receiving financial aid are required to be in good standing and maintain satisfactory academic progress. To be eligible to receive financial aid, students must comply with all relevant policies regarding Academic Progress at the University of Florida. These policies are available on SFA's website at http://www.sfa.ufl.edu/additional/academic-progress.

YOUR RIGHTS AND RESPONSIBILITIES

As a student consumer, you have the right to:

- be informed of the correct procedures for applying for aid, cost of attendance, aid programs available, how financial need is determined, criteria for awarding aid, how academic progress is determined, and what you must do to continue receiving aid
- be informed of the type and amount of assistance you will receive, how much of your need has been met, and how and when you will be paid
- appeal financial aid office decisions with regard to your application
- view the contents of your financial aid file, in accordance with the Family Educational Rights and Privacy Act
- know the terms of any loan that you accept, including the annual interest rate, the interest accrual schedule, the repayment schedule, and default penalties
- know the job description and pay rate for any student job you accept or for which you apply

It is your responsibility to:

- complete and submit applications correctly and on time
- read and understand all materials sent to you from SFA and other financial aid agencies or provided on the SFA website;
- keep copies of all forms and materials you sign and send in
- know and comply with the rules governing aid you receive
- provide all documentation and information requested by SFA
- comply with the provisions of any promissory note and all other agreements you sign
- register for the number of hours required for your aid disbursement (http://www.sfa.ufl.edu/receiving/enrollment-requirements)
- maintain satisfactory academic progress (http://www.sfa.ufl.edu/additional/academic-progress)
- notify SFA of all resources not listed on your award letter (see Reporting "Outside Aid", p. 25)
- use aid only for educational expenses related to attending UF
- check your GatorLink e-mail often for financial aid business e-mail
- keep your local and permanent addresses, e-mail address, and phone number up to date in the University Directory. Sign on to myUFL and select "My Account," then "Update My Directory Profile."
Policies

Changes in Family Circumstances/Petitions
Check with your financial aid adviser immediately if you believe extenuating family circumstances, such as the following, might affect your financial aid application:
1. Divorce of parents, or you from your spouse
2. Death or disability of a major wage earner
3. Loss of employment of a major wage earner
4. Loss of other income or benefits (such as child support), by you, your parents, or spouse

Financial aid award petitions should be filed between March 1 and June 1.
The workload at SFA at the time you file a petition will determine the response time to the appeal. All actions resulting from the petition process are contingent upon fund availability and any processing deadlines that may be in effect at the time of petition approval.

Withdrawals & Refunds

Withdrawals
Students who wish to withdraw must follow UF’s official withdrawal policy. The Registrar’s Office assists students who wish to withdraw from UF and coordinates the process. Complete information, as well as the application form, can be downloaded from the Registrar’s website, at [http://registrar.ufl.edu/pdf/withdrawal.pdf](http://registrar.ufl.edu/pdf/withdrawal.pdf).

Withdrawing from classes will affect your percentage of hours earned. All students must earn 75% of all hours attempted to remain eligible for financial aid.

If you officially withdraw or stop attending all courses, you may be required to repay all or part of the financial aid disbursed to you for the term in which you withdraw.

Students receiving federal funds may be required to repay aid determined to be "unearned." The earned/unearned calculation is based on the percentage of days attended during the term in which you withdrew. The amount you have earned is determined on a pro-rata basis. That is, if you completed 30% of the term in which you withdrew, you have earned 30% of the federal aid you received. Once you have completed 60% of the term, you are considered to have earned all of your aid.

The difference between your earned federal aid and 100% equals the percentage of unearned federal funds that are subject to repayment. Federal regulations require Title IV aid to be refunded in the following order:
1. Federal Direct Unsubsidized Stafford Loans
2. Federal Direct Subsidized Stafford Loans
3. Federal Perkins Loans
4. Federal Direct Graduate PLUS Loans
5. Federal Direct PLUS Loans (for parents)

6. Federal Pell Grants
7. Federal Supplemental Educational Opportunity Grants
8. Federal TEACH Grant

For grants, the law provides that you return 50% of any grant you receive requiring repayment. Any amount you do have to return is a grant overpayment, and you must arrange with UF or the U.S. Department of Education to return the funds.

Please Note:
(1) You may also be required to repay other federal, state, institutional, or private student financial aid programs based on the terms and conditions associated with those programs.
(2) UF is required to return the applicable federal program account the unearned percentage of institutional charges (tuition, fees, on-campus housing). UF may bill you for any funds returned on your behalf, including loan funds.
(3) UF's tuition refund policy is separate from the federal requirement to return unearned aid. Whether or not you receive a tuition/fee refund has no bearing on the amount you must repay under this formula.

Refunds
If, as a result of withdrawal, cancellation, or termination of attendance, you are entitled to a refund of tuition/fees (determined by UFS) or campus housing charges (determined by the Division of Housing and Residence Education) and you received aid for the same payment period, part of your refund will be returned to the appropriate federal Title IV or institutional account. Any amount remaining after accounts from which you received aid have been reimbursed will be returned to you.

Confidentiality of Student Records
UF ensures the confidentiality of student records in accordance with State University System rules, state statutes, and the Family Education Rights and Privacy Act of 1974—Buckley Amendment. Your family financial information and the type and amount of your aid are held in the strictest of confidence.

Information is released only with your written consent.
For further information regarding the Buckley Amendment, visit [http://epic.org/privacy/education/ferpa.html](http://epic.org/privacy/education/ferpa.html).
The University of Florida values individuals’ privacy and actively seeks to preserve the privacy rights of those who share information with UF. For more information regarding UF’s privacy policies, visit [http://www.privacy.ufl.edu](http://www.privacy.ufl.edu).

Financial Aid History & NSLDS
SFA will confirm each student’s prior financial aid history information through the National Student Loan Data System (NSLDS) for all students who attend or
have attended another postsecondary school, regardless of whether or not they received financial aid. If SFA is unable to obtain the required information, we will notify you that you must pursue this matter directly. The NSLDS Web address is http://www.nslds.ed.gov. Dual enrollment students who have jointly attended a high school and a community college as part of their high school programs must also have any prior financial aid history confirmed through NSLDS before their funds are released.

**TAXATION OF AID PROGRAMS**

Any funds you receive from scholarships, benefits, fellowships, and grants from UF or any other source that, combined, exceed the cost of tuition, fees, books, and required equipment and supplies, are considered taxable income. This includes Federal Pell Grants, but not UF or federal loans.

You are responsible for keeping records and completing your tax forms properly. You may want to keep a receipt file of educational purchases. For more detailed information, consult the IRS, your income tax form instruction booklet, or your personal tax adviser.

**ANTI-DRUG ABUSE ACT**

A summary of UF’s policies concerning the use of alcohol and other drugs is provided to you through the Division of Student Affairs and may be viewed at http://www.ufsa.ufl.edu/students/dfs.shtml.

**BUDGETING TIPS**

**BASIC BUDGETING**

**Step 1—Calculate Your Projected Income**

Begin by estimating the amount of money you will have to cover your expenses for the semester. Potential income sources may include:

- Your savings
- Earnings from a part-time job
- Financial aid awarded
- Parental contribution
- Benefits

**Step 2—List Fixed Expenses**

Fixed expenses are those that do not vary, such as tuition and fees. Ask yourself if you have any control over the cost of the item or service. List the item as a fixed expense only if the answer is no. The university develops standard budgets for categories of students within the school’s population (see “How Your Need is Determined,” on page 2). You can use these sample budgets as a guide to estimate your costs, here and in Step 3.

**Step 3—List Variable Expenses**

Variable expenses are subject to a certain amount of control. They can be obtained at varying costs, and in some cases you can do without them.

Examples are:

- Housing and meals
- Books and supplies
- Computer & cell phone costs
- Transportation
- Personal expenses
- Insurance
- Clothing maintenance

**Step 4—Total Expenses**

Add your fixed expenses to your variable expenses to obtain your "total expenses."

**Step 5—Balancing Your Budget**

Subtract your total expenses (Step 4) from your projected income (Step 1). If your estimated expenses are higher than your projected income, see "Cutting Costs" for ways to reduce your spending.

**Cutting Costs**

If your costs are out of line with your income, the solution lies in your variable expenses (Step 3). Try the following cost-cutting suggestions:

**Housing & Meals**

- Compare costs of living on campus with living off campus.
- Estimate the cost of utilities in each housing option.
- Consider living at home.
- Compare the cost of cooking or eating out with the cost of a meal plan.

**Books & Supplies**

Consider buying used books or checking out supplementary texts from the library.

**Transportation**

- Invest in a bicycle.

**Student Loans & Debt Management**

In recent years, more students have begun to rely on educational loans to help pay for college. Educational loans can be an excellent resource for students, but the amount of debt incurred should be considered carefully.

Borrowing money to pay for college has long-term financial implications. Like any other debt, a student loan is a serious financial obligation that must be repaid. In addition to the principal amount you borrow, you will be charged interest for use of the funds. Once you enter repayment, failure to make on-time monthly payments may affect your credit rating and your ability to borrow for other purposes.

**How Much Will You Be Able To Pay?**

To determine how much indebtedness you will be able to manage when you graduate, consider your expected starting salary, earnings prospects, and lifestyle. Then estimate your level of debt and monthly payments and see if the two are in line. If you can’t afford your projected payments, try to borrow less.

**Key Points to Remember**

- Develop a financial plan for the complete cost of your education.
- Consider your chosen field of employment and its expected annual income before you accept a student loan.
- Re-evaluate your future expenses each time you borrow.

**Factors to Consider When Borrowing**

**Amount** Think about how much you need to borrow. You may not want to borrow the full amount for which you are eligible.

**Number of Loans** Your total indebtedness will be affected by your plans for further study. For example, are you going to graduate school?

**Loan Limits** Most loan programs specify minimum and maximum amounts you can borrow.

**Length of Repayment Period** You will save interest costs if you choose a shorter repayment period. The Federal Direct Loan Program offers a variety of repayment options.

**Minimum Monthly Payments**

Monthly payments will depend on the amount you borrow and the repayment plan you select. Perkins Loans require a minimum payment of $40 per month.

**Borrowers Rights and Responsibilities**

Be sure you understand your rights and responsibilities under each loan program. Keep all paperwork for future reference.

**Good Credit Records**

For most students, a student loan is their first experience with a credit program. Student loans can be an excellent way to finance an education and establish a good credit rating at the same time. When it is time to begin repaying your student loan, pay promptly each month. Frequent late payments constitute delinquency and may harm your credit history.

**What If You Have Trouble Repaying Your Loan?**

Communicating with your lender or loan servicer is the best policy. When it is time for repayment to begin, if you have extenuating circumstances or know you will not be able to meet your payment schedule or amount, contact the lender or loan servicer at once. Under certain conditions you may be eligible for a “forbearance” period. If you meet certain conditions, deferment may be possible.

**Loan Consolidation**

Following are just a few of the loans that may be consolidated: Federal Direct Subsidized Stafford Loans, Federal Direct Unsubsidized Stafford Loans, Federal Family Education Loans, Federal Perkins Loans, and Public Health Service Loans. For more information, call Direct Loan Borrower Services Consolidation at 1-800-557-7392; 1-800-557-7395 TDD; OR go to [http://www.loanconsolidation.ed.gov](http://www.loanconsolidation.ed.gov).

**Capitalization of Interest**

If you request and are granted deferment of interest payments on a federal direct loan, be aware that the interest on your loan will continue to accumulate.
during deferment. Periodically, the accrued interest will be capitalized (added to the principal), so you will also pay interest on the accrued interest. The disadvantage to capitalizing interest is that you pay more interest over the life of the loan.

MORE ABOUT HOW YOUR NEED IS DETERMINED

Family Contribution
As stated earlier, parents' contribution + student's contribution = expected family contribution. Family contribution is the amount you and your family are expected to contribute toward your college costs. Your family's total income and financial situation are taken into account in determining financial need.

Parental Contribution
In determining parental contribution, deductions are made for parents' employment costs; living expenses, such as food, clothing, and housing; and the amount of taxes paid. Also considered are family size, number of family members attending college or other postsecondary schools, number of parents working, and the elder parent's age. In general, parents and students are expected to pay as much of the educational costs as they reasonably can afford.

Student Contribution
Students are expected to help pay their educational costs from resources they have, such as savings, income, benefits, or employment. After analyzing all student income and assets available, a determination of the student contribution is made. There may be instances when no student contribution is required.

Married couples are considered for aid individually; if both spouses are students, each should apply for financial aid separately. Both spouses are expected to contribute toward joint expenses, regardless of student or employment status.

CALCULATION OF FEES
Once the semester begins, students may determine their tuition fee debt on ISIS or myUFL (view tuition statement).

Fees are based on the total number of registered credits. The hourly rate is based on residency status, course level, and first enrolled term of the current degree.

Student Health Fee
The student health fee is included in both the rate per credit hour and the block fees figures. It includes professional office visits with the Student Health Care Center medical and nursing staff, except those with specialty personnel and special tests. Counseling sessions at the Infirmary's Mental Health Service are covered. UF strongly encourages students to investigate their family insurance coverage. Students may purchase the Student Government Sponsored Insurance group plan designed to cover most fee-for-service charges.

BUDGETS
Budges are based on a two-semester academic year and vary according to academic classification and residency status.

1. Tuition/Fees. Fees for undergraduate students are based on an average of 30 credit hours of 0-4999 level courses. Graduate tuition fees are based on 24 class hours from 5000-9999. Graduate students in dentistry, medicine, and veterinary medicine pay block fees.

2. Books and Supplies. Costs are determined by averaging the total cost of books and supplies for a four-year accounting curriculum at the UF Bookstore (with 25% of books purchased used at 75% of new book price, and assuming resale of 50% of texts at 50% of cost).

3. Computer/Cell Phone Costs. Computer costs built into student budgets are "annualized." This means the figure is derived from one year's monthly costs for purchase or lease of equipment (including printer) and annual software purchases/upgrades. The costs are figured over a two-year period.

4. Housing. Housing costs for undergraduate students living on campus are based on costs of living in an airconditioned double room for ten months (utilities and refrigerator rental allowance included). On-campus graduates' costs are based on an average of rents for available graduate housing. Off-campus costs are derived from averaging rates quoted by phone survey of local apartment complexes. Rents are assumed to pay for water, sewage, and refuse collection. An allowance is made for utilities.

5. Food. Food costs for on- and offcampus students are based on the open access seven day campus meal plan provided by gator dining services. Food costs for students living with parents are based on Gator Dining Service's commuter 75 block meal plan.

6. Transportation. On- and offcampus transportation costs allow for three round-trips to Miami per two semesters.

7. Personal/Health Insurance. The personal budget is based on the U.S. Department of Labor's established personal costs. Health insurance costs are based on literature from UF's Insurance Director and Committee Chairperson.

8. Clothing Maintenance. The budget for clothing maintenance is based on the U.S. Department of Labor's established clothing maintenance costs.

IDENTITY THEFT AND FRAUD
Identity theft is a form of fraud where one person pretends to be another by stealing sensitive information such as their social security number, usernames and passwords, and credit card information.

Students are at a greater risk of identity theft and credit card fraud due to their relatively high use of credit cards.
78% of undergraduates have at least one credit card and the average balance carried is $2,478. The numbers are even higher for graduate students.

Students have reason to be especially careful about fraud and identity theft. 31% of identity-theft victims fall into the 18-29 age group.

The consequences of identity theft and credit fraud can be especially damaging for students just beginning their credit history. Long-term consequences of an adverse credit history can include:

- Higher interest rates on loans
- Denial of loans
- Difficulty in renting an apartment
- Denial of certain jobs
- Higher insurance premiums
- Large deposits for utilities or cell phone accounts

As part of our mission to prepare students for financial success, SFA presents workshops throughout the school year highlighting safe credit practices and how best to avoid identity theft. Topics covered include: safely applying for credit cards, responsible use of credit cards, and how to safeguard your electronic identity. Watch our website, our Facebook page, and our Twitter feed for dates and times.

Some further hints from SFA:

- You may be a victim of identity theft if you stop receiving your monthly bills, receive credit cards you didn’t apply for, or receive unexpected poor credit.
- If you believe you are a victim of identity theft, immediately close all accounts including bank accounts, contact your local drivers license agency to cancel your license and get a new one, and file a police report.

To help prevent identity theft:

- Don’t give your sensitive information to distrusted sources
- Never give personal information over the phone or internet unless you initiated the contact
- Check your credit annually with a free copy of your credit report
- Establish secure passwords that do not contain your name, your birthday or other easy-to-guess information
- Shred all credit card offers, receipts, or other documents with your information
- Only use your credit card to make purchases online when you are sure the site is secure
- Keep your computer up-to-date with virus protection

**CONSUMER INFORMATION**

The university is committed to providing important information to its students, faculty, and staff. Consistent with this commitment and pursuant to the university’s notice and reporting obligations under various laws, a comprehensive listing of relevant consumer information disclosures can be found at [http://www.isis.ufl.edu/consumerinfo.html](http://www.isis.ufl.edu/consumerinfo.html).

You also may obtain this information from the Office of the University Registrar, 222 Criser Hall, and at various other offices throughout the University of Florida.

Should you require assistance, you may contact the Assistant Vice President for Student Affairs in 155 Tigert Hall.
CHAPTER 6: SPECIAL AID CATEGORIES

STUDENTS WITH DISABILITIES

Students with disabilities frequently have expenses not incurred by other students and, when applying for financial aid through SFA, may qualify for an increase in their educational budgets. Costs of special equipment, fees for special services such as personal care attendants, and medical costs related to the disability may have an impact on a student’s overall financial aid situation.

COORDINATION WITH THE DEAN OF STUDENTS OFFICE

The Disability Resource Center (DRC), as part of the Dean of Students Office, works with SFA to assist students with disabilities when applying for financial aid. Criser Hall, Peabody Hall, and Reid Hall (where the Disability Resource Center is located) are all wheelchair-accessible buildings. Students may contact DRC or SFA to discuss specific financial aid issues. The DRC is located on the ground floor (south entrance) of Bldg. 0020 (Reid Hall); (352) 392-8565 (v), (352) 392-8570 (f), or 1-800-955-8771 (Florida Relay Service TTY); http://www.dso.ufl.edu/scholarships.

Disability-Related Expenses

The DRC can help determine whether an expense is disability-related as a student begins the financial aid application process. When these expenses have been identified, students should submit a Budget Revision Petition form to SFA, documenting any such expenses not paid for or provided by another agency.

The budget revision form may be downloaded from http://www.sfa.ufl.edu/pub/forms.html.

FLORIDA RELAY SERVICE

Persons with hearing or speech impairments trying to contact a university agency that does not list a TDD number should call the Florida Relay Service by dialing 711, or 1-800-955-8771 (TTY).

SUPPORT AGENCIES

Center for Independent Living of North Central Florida

222 S.W. 36th Terrace, Gainesville, FL 32607, (352) 378-7474; (352) 372-3443 (TTY); (352) 378-5582 (fax); 8:30 a.m.–5:00 p.m.; http://www.cilncf.org

The Center assists persons with disabilities through four core services: advocacy, referral, peer support, and independent living skills education. In addition, the Center also provides employment services, sign language interpreting services, FTRI distribution of specialized telecommunications equipment, ADA Paratransit screenings, travel training, wheelchair ramps, and a medical equipment Loan Closet.

DisAbility Affairs Cabinet

Student Government, University of Florida, Room 305 Reitz Union, P. O. Box 118505, Gainesville, FL 32611-8505; (352) 392-1665

The DisAbility Affairs Cabinet is devoted to promoting the needs and voices of the disability population on the University of Florida campus. The Cabinet will primarily be used as a means of connecting the various forces on campus, including administrators, faculty, and students, who are devoted to the social amelioration of people with disabilities. To achieve these goals, the Cabinet will host various events, such as the Disability Student Assembly, an intercollegiate leadership conference, and a wheelchair basketball game. For questions, contact (352) 392-1665; disability@sg.ufl.edu; or go to http://www.
Florida Division of Blind Services 417 S.W. 8th Street Gainesville, FL 32601; (352) 955-2075; toll free 1-800-443-0908; Fax (352) 955-2382; http://www.myflorida.com/dbs

The Division ensures that people of all ages in the state who have visual impairments can live independently and achieve their goals. The Division assists individuals who have serious eye conditions and offers financial aid, vocational counseling, reader services, and other services, depending on need.

To determine eligibility, contact the agency in your hometown.

Florida Vocational Rehabilitation Agency (VR) 2610 N.W. 43rd St., Suite 1A, Gainesville, FL 32606; (352) 955-3200; http://www.rehabworks.org

The primary role of this state agency is to help students find employment. VR provides eligible students with tuition expenses, technological aids, and job counseling. To be eligible, you must be determined by a VR counselor to have a disability that is a substantial impediment to employment. Counselors may look closely at a student’s educational plans in terms of job potential. For information, contact the VR office in your community.

Social Security Administration Benefits 1610 N.W. 23 Ave., Gainesville, FL 32605; 9:00 a.m.–4:00 p.m., Monday–Friday; 1-800-772-1213; (352) 375-4178; TTY: (352) 375-6198

Supplemental Security Income (SSI) is a federal program that provides financial assistance to blind and disabled individuals with low incomes. The Social Security Disability Insurance (SSDI) program allows workers, eligible dependents, and survivors of workers to receive cash benefits during a period of disability. For information, contact your local Social Security Administration office. Also, go to http://www.socialsecurity.gov.

OUTSIDE SCHOLARSHIPS

Students and families should research other sources of aid on their own through bookstores, libraries, and the internet. The following is information received from private organizations, and SFA cannot guarantee results from these sources.

You may contact SFA at S-107 Criser Hall to see if application forms are available, since the organizations listed here sometimes send forms to us during their main application period.

SFA’s Scholarship Search Engine, at http://www.sfa.ufl.edu/search, also has a complete database of outside (non-UF) scholarships.

AFB administers a scholarship program for deserving students. Each year, individuals who are legally blind can apply for financial awards to support their postsecondary/graduate education. AFB awards scholarships of $500 to $2,500 to legally blind individuals for undergraduate, graduate, and vocational study. Applicants must provide evidence of legal blindness, letters of recommendation, official transcripts, and an essay.

Deadline: April 30

Eccleston-Callahan Memorial Trust Scholarship Contact: Disability Resource Center, Bldg. 0020 (Reid Hall), P. O. Box 114085-4085, (352) 392-8565 (v), (352) 392-8570 (f), or 1-800-955-8771 (FRS); http://www.dso.ufl.edu/scholarships

Administered through the Office for Student Financial Affairs, this trust fund was established through the Community Council of Central Florida to provide scholarships for needy students with disabilities to help meet their costs of education. The award amount is generally $1,000 per year, payable in one semester. Nominee selection is made in conjunction with the Disability Resource Center in the Dean of Students Office. To be considered, a student must be age 21 or younger, have a physical disability, and have established financial need based on the results of the current FAFSA. Nominees must sign a release of information granting permission to release the nature of their disability, their academic records and financial aid status to the Office for Student Financial Affairs and to the Foundation of Central Florida.

Florida Council of the Blind Contact: Barbara Grill, 2030 Preymore Street, Osprey, FL 34229; (941) 966-7056; grillbh@comcast.net

Four scholarships are available in 2011. They range from $750 to $2,500, for legally blind students who are state of Florida residents and otherwise qualify. Deadline: March 15.

Florida Council of Citizens with Low Vision Scholarship Contact: Barbara Grill, 2030 Preymore Street, Osprey, FL 34229; (941) 966-7056; grillbh@comcast.net

An award of $500 is given to an outstanding student enrolled in academic, professional, or technical training beyond high school who is a resident of the state of Florida. Preference is given to low-vision applicants. Deadline: March 15.

Theodore R. and Vivian M. Johnson Scholarship Program Contact: Disability Resource Center, Building 0020 (Reid Hall), P. O. Box 114085-4085, Gainesville, FL 32611; (352) 392-8565 (v), (352) 392-8570 (f), or 1-800-955-8771 (FRS); http://www.dso.ufl.edu/scholarships

The Johnson Scholarship, established by the Theodore R. and Vivian M. Johnson Scholarship Foundation Inc., is a competitively awarded program that is available to undergraduate students with disabilities and with financial need who enroll in a State University System.
of Florida institution. The amount of each scholarship award will vary according to established criteria with an annual award limit of $6,000. The scholarship award may be used to cover the cost of tuition, fees, room and board, books, and auxiliary aids.

Scholarships are renewable for a maximum of 12 semesters, provided the recipient makes satisfactory academic progress toward a degree and meets minimum performance requirements (a cumulative GPA of at least 2.0 on a 4.0 scale). Scholarship recipients must enroll for a minimum of nine credit hours each semester. Refer to the DSO website for application information and due dates. Applicants must have established financial need based on the results of their FAFSA no later than April 15.

**National Federation of the Blind**
**Contact:** 200 East Wells St., Baltimore, MD 21230; (410) 659-9314; [http://www.nfb.org/scholarships](http://www.nfb.org/scholarships)

Thirty awards ranging from $3,000 to $12,000 are for high-achieving individuals who are legally blind in both eyes, residing in and attending school in the United States or Puerto Rico, and are enrolled in a post-high school degree program. Annual contests are active from each November to the following March 31.

**National Federation of the Blind of Florida Scholarship**
**Contact:** Mr. Richard Brown, 9 Misners Trail, Ormond Beach FL 32174; rbrown1@cfl.rr.com

Scholarships of $1,000 to legally blind students with a 2.7 minimum GPA and who attend the State convention (costs covered). Applications are due by April 15.

**Rita O’Connell Scholarship Fund**
**Contact:** Disability Resource Center, Bldg. 0020 (Reid Hall), P. O. Box 114085-4085, (352) 392-8565 (v), (352) 392-8570 (f), or 1-800-955-8771 (FRS); [http://www.dso.ufl.edu/scholarships](http://www.dso.ufl.edu/scholarships); [http://www.uff.ufl.edu/Scholarships/WomensClub.asp](http://www.uff.ufl.edu/Scholarships/WomensClub.asp)

The Rita O’Connell Scholarships annually award two $1,000 scholarships to students who have a physical or cognitive disability and are currently registered with the Disability Resource Center. Scholarships are based on academic performance and involvement in university activities. The scholarship is not need-based and is highly competitive. Refer to the DSO website for application information and due dates.

**Pfizer Epilepsy Scholarship Award**
**Contact:** Pfizer c/o Eden Communications, 30 Irving Place, 10th Floor New York, NY 10003; (646) 602-7060; [http://www.epilepsy-scholarship.com](http://www.epilepsy-scholarship.com)

Forty awards of $2,000 are available to students who are under a physician’s care for epilepsy. To enter, you must be a good student who participates in activities outside of school, a high school senior who has applied to college, a freshman, sophomore, or junior in college, or a college senior who has applied to graduate school. Please check the scholarship’s website for updates on this award.

**Deb Richard Foundation Scholarship**
**Contact:** Disability Resource Center, Bldg. 0020 (Reid Hall), P. O. Box 114085-4085, (352) 392-8565 (v), (352) 392-8570 (f), or 1-800-955-8771 (FRS); [http://www.dso.ufl.edu/scholarships](http://www.dso.ufl.edu/scholarships)

The Deb Richard Foundation scholarship is a competitively awarded program that is available to undergraduate students with physical disabilities who enroll at the University of Florida. The amount of each scholarship award will vary according to established criteria. The scholarship award may be used to cover the cost of tuition, fees, room and board, books, and auxiliary aids. Scholarships are renewable for a maximum of 10 semesters, provided the recipient makes satisfactory academic progress toward a degree and meets minimum performance requirements (a cumulative GPA of at least 2.0 on a 4.0 scale). Scholarship recipients must enroll for a minimum of nine credit hours each semester. Refer to the DSO website for application information and due dates. The scholarship is not need-based and is highly competitive.

**Christopher M. Squitieri Grant**
**Contact:** Disability Resource Center, Bldg. 0020 (Reid Hall), P. O. Box 114085-4085, (352) 392-8565 (v), (352) 392-8570 (f), or 1-800-955-8771 (FRS); DSO website: [http://www.dso.ufl.edu/scholarship](http://www.dso.ufl.edu/scholarship)

The fund is available to undergraduate and graduate/professional students in degree-granting programs. The award amount will vary depending upon the need (equipment costs, etc.) of those qualified students. The award cannot be used to support tuition. The application period is open enrollment and the fund committee will meet, as needed, to review any pending requests. This is a one-time award. Refer to the DSO website for application information.

### INTERNATIONAL STUDENTS

Students in the U.S. on an F1, F2, J1 or J2 exchange visitor visa, or a G-series visa are not eligible to receive federal aid administered by SFA.

These students, however, may be eligible for private or college-awarded scholarships administered by agencies other than our office. The UF International Center (UFIC) may be able to provide information on other programs available to international students.

### STUDY ABROAD STUDENTS

Awards from federal aid programs are available to students who participate in university-approved study abroad programs. The reasonable costs of a Study Abroad program, rather than the university's cost of attendance, can be used to determine students' financial aid awards. Check with Student Financial Affairs (SFA) in S-107 Criser Hall about procedures to receive aid, including scholarships.
POSTBACCALAUREATE STUDENTS

Postbaccalaureate students must submit a Financial Aid Academic Progress Petition to SFA to have their postbaccalaureate status evaluated before their eligibility for financial aid can be determined. Financial aid eligibility is directly related to a student's degree-seeking status. Petitions may be downloaded from our forms page, [http://www.sfa.ufl.edu/publications/forms](http://www.sfa.ufl.edu/publications/forms).

TRANSIENT STUDENTS

UF degree-seeking students who do not enroll for any UF courses and elect to attend another school in the Florida State University System for one term may be eligible to receive aid from UF. Financial aid awarded at UF may be processed and paid by UF upon receipt of consortium agreements and enrollment certifications from the host institution.

Students wishing to receive financial aid as a transient student MUST see a financial aid advisor PRIOR to the term of non-UF attendance to see if they are eligible.

TRANSFER STUDENTS

Generally, financial aid cannot be transferred from one institution to another. In most cases, you must reapply for aid. If you plan to transfer to UF:

1. Contact both SFA and the financial aid office at the institution you currently attend for transfer policies.
2. When you receive your Federal Student Aid Report (SAR) from the processor, be sure the University of Florida (Federal School Code 001535) is listed as a "School to Receive Results" of your FAFSA.
3. If you are receiving a Florida Bright Futures Scholarship or other aid program from the State of Florida, contact the Florida Department of Education in Tallahassee. Inform them that your school of record is UF.
4. If you are receiving a Federal Direct Loan or Federal Family Education Loan at your current school, you must cancel that loan, reapply at SFA, and contact all your previous lenders to update your enrollment status and address.

VETERANS

Veterans who are enrolled students may qualify for VA WorkStudy or VA Tutorial Assistance benefits. Questions regarding VA benefits should be addressed to the VA Coordinator in the UF Registrar's Office.

The Registrar is located on the second floor of Criser Hall, Room 222. Veterans can utilize the Registrar's Veterans Affairs website, [http://www.registrar.ufl.edu/va](http://www.registrar.ufl.edu/va).

GRADUATE STUDENTS

In addition to the UF Graduate Grant, graduate students may apply for Federal Direct Stafford Loans, Federal Direct Unsubsidized Stafford Loans, Federal Direct Graduate PLUS Loans, and most work programs described in this Handbook.

Graduate students pursuing master's or doctoral degrees can also apply for fellowships, assistantships, and other awards offered through individual colleges and the graduate school. For these awards, students should apply through the dean's office of their college or department and check on their application deadlines.

Students applying for loans or work through SFA should understand that fellowships, fee waivers, and health insurance benefits must be included in aid packages. Students who accept an assistantship, fellowship or traineeship must receive graduate school approval before accepting other employment.

You are responsible for notifying SFA of all assistance you receive from any source. Receiving fellowships or fee waivers affects eligibility for aid through SFA.

Contact the graduate school for more information about graduate aid. The Office of Research, Technology, and Graduate Education in 256 Griner Hall maintains a comprehensive list of private and outside scholarships and fellowships.

More info can be found at [http://gradschool.rgp.ufl.edu/students/financialaid.html](http://gradschool.rgp.ufl.edu/students/financialaid.html).

DISTANCE EDUCATION/CORRESPONDENCE STUDY

UF students enrolled in distance education or correspondence classes may be eligible to receive financial aid.

Check with SFA for information regarding your specific program or enrollment plans for more information and for special requirements that may apply.

Further information regarding distance education at the University of Florida is available at [http://www.distancelearning.ufl.edu](http://www.distancelearning.ufl.edu).

Further information regarding correspondence study at the University of Florida is available at [http://www.correspondencestudy.ufl.edu](http://www.correspondencestudy.ufl.edu).
CHAPTER 7: UNDERGRADUATE AID

Most scholarships and awards included here are based on academic performance, but some also depend upon financial need. For information and applications, check with the contact person listed for the college or department which administers the award.

We have taken care to ensure the accuracy and timeliness of information in this handbook. Contents are subject to change without notice, because of changing federal and state legislation and donor requests, as well as unintended error. All financial aid awards are contingent upon availability of funds and subject to revision.

COLLEGE OF AGRICULTURAL AND LIFE SCIENCES (CALS)

Contact: Dr. Elaine Turner, 202 McCarty Hall, http://www.cals.ufl.edu

An application is required to apply for the awards listed below. The scholarship committee decides which students will receive scholarships. Unless otherwise noted, the application deadline for these awards is February 15 of each year.

UF Endowed Scholarships and Fellowships

The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at: http://www.ufl.edu/Scholarships/ScholarshipListing.aspx

Robert J. and Jane H. Barben Family Scholarship/Fellowship

Eligibility: students majoring in food science and human nutrition.
Value: varies

Branan Scholarship Fund
Eligibility: students with majors in agronomy, soil sciences, environmental horticulture, horticulture, and food and resource economics.
Value: $1,000

J. Milton Brownlee Agricultural Marketing Scholarship
Eligibility: students whose home residence was in a rural area and who have completed a second agricultural marketing course and enrolled in a third.
Value: varies

CALS Alumni Scholarship Endowment
Eligibility: CALS students.
Value: varies

Central Florida Fair Endowment for Scholarships/Fellowships
Eligibility: high school graduates from Central Florida (Brevard, Lake, Orange, Osceola, Seminole or Volusia Counties); awarded on the basis of scholarship and leadership.
Value: $1,000

Coca-Cola Scholarships
Established by Coca Cola to assist students pursuing a career in citrus production.
Eligibility: priority to horticultural sciences majors; agronomy, soil and water science, agricultural and biological engineering, entomology, and nematology majors also considered; demonstrated potential.
Value: varies

Doyle Conner Scholarship Fund
Eligibility: outstanding achievement in academic pursuits; financial need, leadership ability, professional potential and academic merit; must be a poultry science major from a Florida high school who has participated in FFA or 4H; consideration is given to foreign students.
Value: $1,000

Larry J. Connor Diversity Scholarship Fund
Eligibility: CALS students; based on merit, leadership, and potential or current contributions to diversity in the student body and society.
Value: varies, includes a medal of excellence

Florida Rural Rehabilitation Corporation Endowed Scholarship
Eligibility: CALS undergraduates; with a preference to students from farms and rural areas.
Value: $1,000

Florida Rural Rehabilitation Corporation Fund 4H Scholarship
Eligibility: Florida residents participating in the Florida 4H camping program who have financial need.
Value: $1,000

FRRC Off-Campus Scholarship Fund
Eligibility: students from Florida farms and rural areas pursuing agricultural degrees at remote, off-campus locations.
Value: amount varies

Paul B. Huff Sr. Memorial Scholarship
Eligibility: CALS students.
Value: $1,000

J. R. Greenman Memorial Scholarship Fund
Eligibility: junior, senior, or graduate food and resource economics majors; also based on academic merit, professional potential, and leadership ability.
Value: $1,200
Wayne Hawkins Agricultural Scholarship Fund
Eligibility: sophomore, junior, or senior food and resource economics majors who are Florida residents with a cumulative 2.75 GPA; with leadership ability and professional potential.
Value: unspecified
John H. G. Hutchinson Scholarship
Eligibility: worthy and capable CALS students who show extraordinary determination in pursuit of their studies; based on hard work, determination, and academic achievement.
Value: $1,000
Mary Ann Jones Memorial Scholarship
Eligibility: CALS students.
Value: $1,000
R. D. Keene Memorial Scholarship Fund
Eligibility: CALS students in the state or federal legislative internship program.
Value: support for travel, room and board, and other related internship expenses.
Doris Lowe and Earl and Verna Lowe Scholarship
Eligibility: CALS students; merit and potential for contribution to agricultural and wildlife environment; selected by the Vice President of the Institute of Food and Agricultural Sciences (IFAS), or a person designated by the Vice President.
Value: varies
Velma Lykes Fruit Crop Scholarship Fund
Eligibility: agriculture students with a minimum 3.0 GPA and financial need.
Value: $1,000
Edgar A. Martin Scholarship
Eligibility: undergraduate or graduate students in environmental horticulture.
Value: $1,000
Nathan Mayo Scholarship
Eligibility: students from Marion County, Florida, studying animal sciences.
Value: varies
Bobby F. McKown Scholarship/Fellowship Endowment Fund
Eligibility: undergraduate and graduate horticulture sciences majors with priority to students specializing in fruit crops.
Value: $1,000

Value: $500

Ponsoldt Family Educational Endowment
Eligibility: business students; preference to those who have suffered temporary financial setback (e.g. September 11, death of parent, hurricane or other natural disaster) that has left the student in a state of financial need (scholarship is not, however, a need based scholarship as determined by Student Financial Affairs); recipient must come from the geographical area between Fort Pierce and Miami, on the east coast of Florida, including but not limited to Martin, St. Lucie, Palm Beach, Broward, and Dade counties.
Value: varies

C. Addison Pound Sr. and Annie Cannon Pound Scholarship in Business Administration
Eligibility: undergraduate and graduate business students
Value: varies

Todd C. Prosser Memorial Scholarship
Eligibility: worthy undergraduate or graduate students; preference to students graduating from high schools in Marion County (first), Alachua County (second) and Lake County (third); if no possible recipients from these three counties, preference is given to any student who graduated from a Florida high school.
Value: varies

Robert L. Rose Memorial Scholarship
Eligibility: undergraduate business students; preference to those studying insurance; must have financial need; at least one credit hour of business ethics and documented community service.
Value: $500

Brent Schlueter Memorial Scholarship Fund
Eligibility: business students who show academic achievement and financial need; preference to members of the Delta Sigma Pi business fraternity, finance majors.
Value: Varies

Lauren Weiss Memorial Scholarship
Eligibility: undergraduates in the college studying abroad.

Non-Endowed Scholarships

Elizabeth and Julius Wohlgemuth Scholarship
Eligibility: undergraduates in any business major; academic achievement or financial need.
Value: $1,000

N. Young Student Exchange
Fund supports annual scholarships, loan for needy students, and an annual award for the outstanding business college student assistant.
Eligibility: students in the college; based on academic performance.
Value: varies
Financial aid in the college is divided among the School of Architecture, the School of Building Construction, and the programs in Interior Design and Landscape Architecture. Urban and Regional Planning, a graduate program, is described in Chapter 9.

### School of Architecture

#### UF Endowed Scholarships and Fellowships

The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at: http://www.ufl.edu/Scholarships/ScholarshipListing.asp.

- **Balfour Beatty Construction Scholarship**
  - Eligibility: BCN students; financial need and academic achievement.
  - Value: $1,000

- **H. H. Block Construction Education Fund**
  - Eligibility: nominated upper-division students in the M.E. Rinker Sr. School of Building Construction with a minimum 2.0 GPA; should be involved in non-academic, department-oriented activities, demonstrate a high standard of personal integrity and ethics, and show concern for the education and development of fellow students.
  - Value: $1,000

- **Central Florida Builder’s Exchange Frank W. Reed Scholarships**
  - Eligibility: upper-division and graduate students enrolled in the college who are Florida natives, preferably from Orange, Seminole or Osceola counties; minimum 2.5 GPA and demonstrated financial need.
  - Value: Foote Steel, $600; Hubbard Construction, $720; Jack Jennings & Sons, $1,200; Tri-City Electrical, $600; R. C. Stevens Construction, $600; Walker & Company, $1,200

- **Ida Rojero Childre Fellowship and Assistantship Fund in Affordable Housing**
  - Eligibility: students whose studies are in affordable housing or related to the Center for Affordable Housing.
  - Value: varies

- **Clark Construction Group Fund**
  - Eligibility: undergraduate and graduate students in the M. E. Rinker Sr. School of Building Construction with a primary interest in construction management; must be a U.S. citizen and junior 1 level or higher; academic merit and financial need; leadership or extracurricular activities may be considered.
  - Value: $1,500

- **James A. Cummings Inc. Scholarship Fund**
  - Eligibility: BCN students from (in priority) Broward county, Dade or Palm Beach counties or anywhere in Florida; must have at least 2.75 GPA and communicate well in writing.
  - Value: $2,000

- **Daugherty Endowment Scholarship**
  - Eligibility: BCN students; non-traditional students with financial need.
  - Value: $1,000

- **Paul & Laura Dickert Scholarship**
  - Eligibility: BCN students; financial need and academic achievement.
  - Value: $1,000

- **Fluor NAWIC Student Chapter Scholarship Fund**
  - Eligibility: National Association of Women in Construction students in BCN.

- **Greg Jones Endowment Scholarship**
  - Eligibility: upperdivision and graduate BCN students; academic achievement; participation in student clubs.
  - Value: $1,500

- **Laborers International Union of N. America (LIUNA) Arthur Coia and R. P. Vinall Scholarship Fund**
  - Eligibility: BCN majors in this order of preference: 1) union members eligible for benefits from LIUNA or dependents of such persons; 2) students within all academic units of the college who are members or dependents of members of LIUNA; 3) undergraduates within the college, with preference to BCN-enrolled students.
  - Value: varies

- **Matthew Remsen Scholarship**
  - Eligibility: BCN students with financial need.
  - Value: $1,000

- **Ronald Vincent Tadrowski Scholarship Fund**
  - Eligibility: BCN students, preferably from the Treasure Coast area (St. Lucie, Martin, and Indian River counties), showing evidence of financial need; second preference for any Florida resident showing financial need.
  - Value: $2,000

### Non-Endowed Scholarships

- **National Association of Home Builders**
  - Eligibility: upperdivision BCN students interested in a home-building career; awarded by semester if academic average is sustained; no students who previously received the award.
  - Value: varies

- **Retail Contractors Association Scholarship**
  - Eligibility: junior 1, junior 2, senior 1, and senior 2 students; 3.0 GPA in BCN; interest in pursuing a career in commercial construction.
  - Value: $1,500 each

- **CEMEX Awards**
  - Eligibility: BCN juniors, seniors, and graduate students; financial need.
  - Value: $1,000 each; ten awards

- **Anthony Section Memorial Scholarship**
  - Eligibility: for information on this endowed scholarship, go to http://www.ufl.edu.
  - Value: $1,500

- **Building Construction General Scholarship**
  - Eligibility: BCN students with financial need.
  - Value: varies
Department of Interior Design
Contact: Margaret Portillo, Chair,
336 Architecture Building; http://www.dep.ufl.edu/interior

UF Endowed Scholarships and Fellowships
The following endowed scholarships and fellowships are administered by the UF Foundation. For complete information, check with the departmental contact person or the Foundation website at http://www.uffoundation.org/

Barbara A. and John M. Cirino Scholarship Fund
Eligibility: Interior design students with at least a 2.6 GPA; must submit a typed communication describing their interest in pursuing the study of interior design; preference given to incoming freshmen.
Value: varies

Robert F. Smith Scholarship Endowment
Eligibility: Deserving 3rd or 4th year interior design undergraduates who demonstrate academic excellence, leadership qualities, community service, and professional attitude.
Value: varies

Department of Landscape Architecture
Contact: Tina Gurucharri, Associate Professor, 332 Architecture Building; http://www.dep.ufl.edu/landscape

UF Endowed Scholarships and Fellowships
The following endowed scholarships and fellowships are administered by the UF Foundation. For complete information, check with the departmental contact person or the Foundation website at http://www.uffoundation.org/

Steven C. Crebbin Memorial Award
Eligibility: Landscape architecture with professional potential; preference to high school graduates from Monroe or South Dade County, Florida.
Value: varies

Joshua W. Lepp Memorial Traveling Award
Eligibility: Graduate and undergraduate students participating in the department’s Paris studies abroad program.
Value: varies

Howard Sebold/Herrick Smith Fellowship in Landscape Architecture
Eligibility: Students with professional potential; 3.0 GPA or better.
Value: varies

Non-Endowed Scholarships
American Society of Landscape Architecture, Florida Chapter Awards
Eligibility: Students with professional potential and technical achievement.
Value: varies

Faculty/EDSA Scholarship Award
Eligibility: Service and contribution beyond demonstrated academic and technical abilities; especially activities on behalf of societal well-being, professional enhancement, and inter-professional understanding.
Value: varies

Florida Chapters of the Federation of Garden Clubs Grants and Scholarships
Eligibility: Local chapters throughout the state offer financial assistance based on demonstration of need; apply to chapter.
Value: varies by chapter

Foster Conant Scholarship Award
Made possible by the Central Florida Builders Exchange/Frank Reed Endowed Fund
Eligibility: Excellence in detail design and a GPA of 3.0 or better.
Value: varies

Gilkey Pin-Up Award
Eligibility: Best second-year student pin-up.
Value: varies

Gilkey Planting Design Award
Eligibility: Best third-year student planting design project.
Value: varies

Gilkey Third-Year Student Professional Award
Eligibility: Character and dedication of a third-year student who has love of and commitment to the profession.
Value: varies

Gilkey Fourth-Year Student Professional Award
Eligibility: Character and dedication of a fourth-year student who has love of and commitment to the profession.
Value: varies

Gilkey Fifth-Year Student Professional Award
Eligibility: Character and dedication of a fifth-year student who has demonstrated love of and commitment to the profession.
Value: varies

Rain Bird Award
Eligibility: Accomplishments in water conservation through irrigation design.
Value: varies

Paul Verlander Award
Eligibility: Undergraduate and graduate students with demonstrated scholarship and potential for professional distinction.
Value: varies

For all College of Education scholarships, the application forms and instructions are available at the Office of Student Services Web page above. All applications and associated materials (essay, letters of recommendation, resume/vita, etc.) are due to the Office of Student Services by 5:00 p.m. on February 11. Scholarships are available in the Fall unless otherwise noted.

UF Endowed Scholarships and Fellowships
The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at http://www.uffoundation.org/

John F. and Marjorie J. Alexander Scholarship
Eligibility: First generation college students seeking a degree in the College of Education, based on financial need; students applying after freshman year must have a minimum of a 2.5 GPA to receive the award.
Value: $500

Vernice Law Hearn Scholarship
Eligibility: Full-time ProTeach juniors, seniors, or graduate students in unified early childhood, elementary, or special education.
Value: $750

Charles A. and Alma A. Hoffman Scholarship
Eligibility: Full-time students preparing to teach mathematics; must demonstrate financial need.
Value: $1,000

Everett L. Holden and Marian G. Holden Memorial Scholarship
Eligibility: COE students of high scholastic standing with financial need.
Value: Two $1,000 awards for undergraduates, six $2,500 for graduate students

Lancaster Scholarship
Eligibility: COE undergraduates admitted to a professional teacher education program
Value: $500

William T. Phelps Scholarship Fund
Eligibility: Full-time ProTeach undergraduate or graduate students in elementary or early childhood education
Value: Six $3,000 awards

J. W. Martin and A. M. Martin Phillips Scholarship Fund
Eligibility: Full-time students pursuing a degree in education at UF; preference to students who attended high school in Alachua county (submit copy of diploma or official high school transcripts); must demonstrate financial need.
Value: Two $2,000 undergraduate and six $3,000 graduate awards

Ralph D. Turlington Scholarship and Fellowship Fund
Eligibility: Full-time students in the
college.
Value: $2,500, two awards

**Non-Endowed Scholarships**

**Norman F. Nelson Fellowship Fund**
Eligibility: undergraduate and graduate students in the college; must demonstrate financial need.
Value: $750

**Margaret Rosenberger Annual Award**
Eligibility: undergraduate or graduate students specializing in elementary education.
Value: $500

**Mary Bradshaw Wood Award**
Eligibility: students in the college; admission to or full-time enrollment in an undergraduate program in the college; must demonstrate financial need.
Value: $500

---

### COLLEGE OF ENGINEERING

**General College of Engineering**

Contact: Dr. Angela Lindner, 312 Weil Hall
Check with the Associate Dean for Student Affairs; Chairman, College of Engineering Undergraduate Scholarship Committee, or your departmental undergraduate coordinator for more information about the following aid.

**UF Endowed Scholarships and Fellowships**

The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at [http://www.ufl.edu/Scholarships/ScholarshipListing.asp](http://www.ufl.edu/Scholarships/ScholarshipListing.asp).

**Henry Bauch Scholarships**
Eligibility: juniors or seniors majoring in engineering; academic achievement and financial need.
Value: $1,000; may vary, multiple awards.

**Robert A. Bryan Scholarship Fund**
Eligibility: electrical or materials engineering undergraduates; based on merit.
Value: $1,000

**Wayne H. Chen Endowed Memorial Scholarship Fund**
Eligibility: juniors or seniors in engineering; based primarily on academic achievement and leadership; financial need is considered.
Value: $1,000

**John W. and Mittie Collins Engineering Scholarship and Fellowship Fund**
Eligibility: students in the college.
Value: $1,000

**Co-op Student Assistance Endowed Fund**
Eligibility: undergraduates who have demonstrated financial need, have been accepted to the College of Engineering co-op program and are not a member of a social fraternity; award to help in paying fees and purchasing books and supplies.
Value: $1,000, toward fees, books, and supplies

**Cunningham Scholarship Endowment**
Eligibility: undergraduate engineering students with demonstrated financial need.
Value: $1,000

**Melvin and Florence Eickhorst Scholarship**
Eligibility: mechanical and/or electrical engineering majors.
Value: $1,000

**Philip D. and Mary Ann Estridge Scholarship Fund**
Eligibility: U.S. citizens with a strong liberal arts background, preferably with an interest in music, literature, and drama (interests of the Estridges); recipients chosen by the dean of the College; selection based on academic achievement and financial need.
Value: $1,000

**Guy C. Fulton Scholarship in Engineering Fund**
Eligibility: second-year undergraduates planning to major in engineering; awarded at the end of the second year.
Value: $1,000

**Mr. and Mrs. W. A. Godron Engineering Scholarship Fund**
Eligibility: engineering majors; academic achievement and financial need.
Value: $1,000

**Inez Culp Goodrum Scholarship Fund**
Eligibility: students in the college who demonstrate financial need and are U.S. citizens.
Value: $1,000

**Thomas O. Hunter Scholarship Fund**
Eligibility: undergraduate and entering students; emphasis is given to those with demonstrated leadership, economic need, and academic excellence; preference is given to graduates of Putnam County high schools.
Value: $1,000

**Lockheed Martin Student Support Program Fund**
Eligibility: engineering undergraduates.
Value: $1,000

**Malcolm Pirnie Scholarship Fund**
Eligibility: all engineering majors; based on academic achievement and financial need.
Value: $1,000

**P. M. Pope Scholarship Fund**
Eligibility: juniors or seniors in the college; academic achievement and financial need.
Value: $1,000

**C. Addison Pound Jr. & Annie Cannon Pound Fund in Engineering**
Eligibility: engineering students; based on standardized test scores (as applicable), GPA, academic and other accomplishments, leadership and related activities, experience (such as employment and military service), students' area of interest, economic need, creative ability, and student's ability to successfully complete all scholastic requirements.
Value: $1,000, several awards

**Snelling Scholarship Endowment Fund**
Eligibility: engineering students; based on standardized test scores, GPA, academic and other accomplishments, leadership and related activities, experience (e.g., employment and military service), students' area of interest, economic need, creative ability, and student's ability to successfully complete all scholastic requirements.
Value: $1,000

**Iva and Norman Tuckett Scholarship Fund**
Eligibility: all engineering majors; based on academic achievement and financial need.
Value: $1,000

**Wheat Engineering Fund**
Eligibility: all engineering majors; based on academic achievement and financial need.
Value: $1,000

**Joseph W. Wunsch Scholarship Fund**
Eligibility: all engineering majors, academic achievement and financial need.
Value: $1,000

**Non-Endowed Scholarships**

**Engineering Dean’s Scholarship**
Eligibility: engineering juniors or seniors; academic achievements and need.
Value: $1,500

**Fernandez Family Foundation Scholarship**
Eligibility: undergraduate engineering majors from Lee County; financial need.
Value: $1,000

**Florida Engineering Society Scholarship**
Eligibility: applicants should contact the Florida Engineering Society in the fall to apply for this tuition scholarship; juniors in engineering.
Value: $1,500

**General Engineering Scholarship**
Eligibility: juniors or seniors in the college; based on academic achievement and financial need.
Value: $1,000

**L. C. Paslay Scholarships**
Eligibility: juniors or seniors pursuing engineering majors; based on academic achievement and financial need.
Value: $1,000, may vary; several awards

**Society of Automotive Engineers Scholarship**
Eligibility: incoming freshmen planning
to major in any discipline in the college.

**Value:** $1,000

**John L. and Marie C. Traina Scholarship**

**Eligibility:** engineering majors.

**Value:** $1,000

**Loans**

The following loan funds administered by the Office for Student Financial Affairs offer short-term loans to engineering students. The amount of these loans varies according to students' need and eligibility.

- A. A. Murphree Loan Fund
- Anna A. Weil Loan Fund
- Benton Engineering Loan Fund
- Earle P. Phelps Loan Fund
- IEEE, William F. Fagen Loan Fund
- Irene H. Steinman Loan Fund
- John J. Tigert Loan Fund
- Joseph Weil Loan Fund
- Murphree Engineering Loan Fund
- Robert Tyrie Benton Loan Fund
- William L. Sawyer Loan Fund

**Department of Agricultural & Biological Engineering**

**Contact:** Dr. James D. Leary, 115 Rogers Hall; [http://www.ageci.ufl.edu](http://www.ageci.ufl.edu)

See College of Agricultural and Life Sciences.

**Department of Chemical Engineering**

**Contact:** Dr. Spyros Svoronos

219 Chemical Engineering Building; [http://www.che.ufl.edu](http://www.che.ufl.edu)

The department awards a few scholarships each year to juniors and seniors. There is no application process; GPA, leadership activities, and class participation are considered in the selection process.

**UF Endowed Scholarships and Fellowships**

The following endowed scholarships and fellowships are administered by the UF Foundation. For information check the Foundation website at [http://www.uflfoundation.org/scholarships](http://www.uflfoundation.org/scholarships).

**Class of '59 Civil Engineering Scholarship**

**Eligibility:** CE students; good academic standing; financial need.

**Value:** $600

**Crom Corporation Scholarship Fund**

**Eligibility:** undergraduate civil engineering students; FL resident, financial need, high academics.

**Value:** $1,000 per year

**Davis Endowed Scholarship**

**Eligibility:** CE students; active and exemplified leadership in a national Greek social fraternity or sorority.

**Value:** one $5,000 award or five $1,000 awards

**H. H. Edwards Scholarship Fund**

**Eligibility:** students in the last three terms in civil engineering, preferably studying structural concrete; strong interest in prestressed concrete; U.S. citizens.

**Value:** $600

**Kevin Frank Memorial Scholarship**

**Eligibility:** hydraulics graduate student; Florida resident; 3.0 GPA; good moral character.

**Value:** $1,000

**HDR Engineering Inc. Scholarship**

**Eligibility:** one or more undergrad or graduate students in the 3rd, 4th, or 5th year; 3.0 GPA or higher; financial need NOT to be a criterion.

**Value:** one to five at $1,000 - $5,000

**Keith and Schnars, P.A., Annual Scholarship Endowment**

**Eligibility:** full-time juniors or seniors pursuing a bachelor's degree in civil engineering or geomatics; based on financial need and academic standing.

**Value:** $2,000 per year

**Addison Franklin Marshall Scholarship in Civil Engineering Fund**

**Eligibility:** junior or senior CE majors, preferably from Tallahassee or NW Florida; financial need and academics.

**Value:** $2,000 per year

**Professional Engineering Consultants Scholarships**

**Eligibility:** civil or environmental engineering juniors and seniors; academics; financial need.

**Value:** $1,000

**Charles and Mary Pitts Scholarship**

**Eligibility:** undergraduate or graduate CE student; merit based; prefer a student to hold a part-time or full-time job.

**Value:** $1,000

**William E. Poole Scholarship Fund**

**Eligibility:** junior or senior CE students; Florida high school graduates and residents; financial need and educational standing.

**Value:** $1,500 per year

**Ramage/Spangler Fund in Civil and Coastal Engineering**

**Eligibility:** Civil and Costal Engineering students enrolled in the 4/1 program

**Value:** varies

**Non-Endowed Scholarships**

**Spotler Memorial Fund**

**Eligibility:** CE students; financially needy; award given by CE chair.

**Value:** one $5,000 award or five $1,000

**ASCE Transportation Technical Group Scholarship**

**Eligibility:** members of ASCE; juniors or seniors CE as majors; successfully complete transportation class; awarded by department chair.

**Value:** $500

**Design Build Institute of America Scholarship**

**Eligibility:** CE students interested in design build; financial need.

**Value:** varies

**Florida Construction Users Roundtable Inc. Scholarship**

**Eligibility:** CE students interested in construction; 2.5 GPA; financial need.

**Value:** $2,500 per year, two awards

**Florida Road Builders Scholarship**

**Eligibility:** civil engineering students; academics; financial need.

**Value:** $500 - $1,000

**Florida Rock Industries, Inc. Scholarship**

**Eligibility:** juniors and seniors pursuing a BSCE; U.S. citizens or permanent residents of Florida; academics; prefer an interest in Florida Rock industries activities.

**Value:** $750, one award; student must repay at convenience without interest

**Kimley Horn & Associates Inc. Scholarship**

**Eligibility:** senior or graduate student pursuing a career in consulting; academic excellence; outstanding leadership skills; actively involved in campus activities.

**Value:** $1,000

**Progress Energy Scholarship**

**Eligibility:** undergraduate juniors; maintain 3.5 GPA; need three reference letters; ongoing academic achievement.

**Value:** $2,000

**URS Corporation Scholarship**

**Eligibility:** CE students; bright but needy, interested in consulting engineering as a career; Florida residents, preferably from Tampa area; active in professional societies such as ASCE and FES.

**Value:** $1,000, one award
Vogel Foundation Scholarship  
Eligibility: civil engineering students; financial need.  
Value: $900

Department of Electrical &  
Computer Engineering  
Contact: Mr. Steve Permann 216 Larsen Hall; http://www.ece.ufl.edu

UF Endowed Scholarships and  
Fellowships
The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at http://www.ufl.edu/Scholarships/ScholarshipListing.asp.

Eligibility:

- Computer Engineering who in
- prerequisites

- Eligibility: students in the College of Engineering.  
Value: $500

Non-Endowed Scholarships
- Electrical Engineering Faculty/Staff Scholarship  
Eligibility: senior in electrical engineering with academic achievement and need.  
Value: $1,000 minimum

- M. J. Larsen Award  
Eligibility: outstanding seniors in electrical and computer engineering, who plan to attend graduate school.  
Value: $1,000

- N. E. Rosier Memorial Award  
Eligibility: students in electrical and computer engineering.  
Value: $300

Department of Environmental Engineering  
Sciences
Contact: Dr. Jean-Claude Bonzongo, 320 Black Hall; http://www.ees.ufl.edu

UF Endowed Scholarships and  
Fellowships
The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at http://www.ufl.edu/Scholarships/ScholarshipListing.asp.

- Florida Environmental Scholarship Fund  
Eligibility: Florida high school graduates and Florida residents who are environmental engineering sciences undergraduates; based on need and scholarship.  
Value: varies

- Non-Endowed Scholarships
  - Engineering Undergraduate Scholarships  
Eligibility: scholarships are awarded by the College of Engineering; a ranked list of candidates is forwarded to Dr. Angela Lindner, Associate Dean
  
  
  Environmental Alumni Scholarship and Poekert Award  
Eligibility: undergraduate students; service to the Department or College for the Poekert Award.  
Value: two awards; about $500 each

- Progress Energy scholarship  
Eligibility: undergraduate student entering junior year. The scholarship will be used for tuition, books and other appropriate expenses.  
Value: $2,500

Department of Industrial and  
Systems Engineering
Contact: Academic Coordinator  
Cynthia Blunt, 303 Weil Hall; http://www.ise.ufl.edu

UF Endowed Scholarships and  
Fellowships
The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at http://www.ufl.edu/Scholarships/ScholarshipListing.asp.

- Leavenworth/McClaskey Undergraduate Scholarship Fund  
Eligibility: undergraduate industrial and systems engineering students.  
Value: $1,000

Department of Materials  
Science & Engineering
Contact: Doris Harlow, 108 Rhodes Hall

In addition to scholarships listed here, the department often awards employment to students to provide an opportunity to work on research projects in their area of specialization. Scholarships listed below are for students who have applied to or are enrolled in materials science and engineering.

UF Endowed Scholarships and  
Fellowships
The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at http://www.ufl.edu/Scholarships/ScholarshipListing.asp.

Robert David Adamson Scholarship  
Fund  
Eligibility: full-time materials science and engineering undergraduates; minimum 3.0 GPA; U.S. citizen or permanent resident.  
Value: $500

Vladimir Grodsky Memorial  
Scholarship Fund  
Eligibility: sophomores, juniors, and seniors who show academic achievement and financial need.  
Value: $250–$1,000; six awards

F. N. Rhines & W. R. Tarr Scholarship  
Fund  
Eligibility: materials science and engineering seniors; based on academic achievement.  
Value: varies up to $2,500

Non-Endowed Scholarships
- Engineering Research Center (ERC) for Particle Science & Technology Undergraduate Scholarship  
Eligibility: exceptional students with a 3.0 GPA conducting research related to particle science and technology; ERC also offers a research award for undergraduates.  
Value: $500–2,000 per semester

- Joseph and Cyrille Weil Award  
Eligibility: students in the College of Engineering.  
Value: varies; opportunity for internships at Invivo Corporation

- Vladimir Grodsky Memorial Scholarship Fund  
Eligibility: full-time undergraduate electrical engineering students.

- Ralph Sias Scholarship  
Eligibility: meritorious juniors or seniors in electrical and computer Engineering who are Florida high school graduates.  
Value: $1,000

- Stephen M. Varosi Memorial Fellowship in Electrical and Computer Engineering  
Eligibility: electrical engineering students who study RF circuits and/or MRI technology and plan for a related career; 3.0 or higher in electrical engineering courses; nomination by an electrical engineering professor; preference to students who show evidence of creativity and unconventional problem-solving skills.  
Value: varies
Robert E. Reed-Hill Scholarship
Eligibility: full-time materials science and engineering students; minimum 3.0 GPA; must be U.S. citizens or permanent residents.
Value: $600

Department of Mechanical and Aerospace Engineering

UF Endowed Scholarships and Fellowships

The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at http://www.uff.ufl.edu/Scholarships/ScholarshipListing.asp.

John B. Boy/U.S. Sugar Corp.
Endowed Scholarship in Mechanical Engineering Fund
Eligibility: juniors and seniors in mechanical engineering who demonstrate financial need and are U.S. citizens and Florida residents; minimum 2.6 GPA.
Deadline: February 1
Value: varies; recipients offered cooperative employment in fall and spring; job opportunities available with U.S. Sugar Corp. after graduation

Fye Family Scholarship Fund
Eligibility: junior or senior mechanical engineering students demonstrating financial need; preference is given to students from northwest Florida, especially Bay County.
Deadline: February 1
Value: varies

Steve Hargrave Memorial Scholarship Fund
Eligibility: desiring undergraduate and graduate students studying mechanical engineering.
Deadline: February 1
Value: varies

Sylvia T. McKenney Scholarship/Fellowship Fund
Eligibility: desiring students in mechanical and aerospace engineering.
Deadline: February 1
Value: varies

Department of Nuclear & Radiological Engineering

Contact: Dr. Alineza Haghhighat, 202 NSC; http://www.nrc.ufl.edu

UF Endowed Scholarships and Fellowships

The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at http://www.uff.ufl.edu/Scholarships/ScholarshipListing.asp.

James E. Swander Scholarship
Eligibility: NRE students; leadership, outstanding academic ability, high moral character; faculty nomination.
Value: $2,500 award

Non-Endowed Scholarships

Elite Nuclear Engineering Scholarships
Eligibility: sophomores or juniors with at least a 3.5 GPA, letters of recommendation, interviews, and evaluations by the scholarship sponsor and the NRE Scholarship Committee.
Value: $6,000 over two semesters; two awards

National Academy for Nuclear Training Scholarships
Eligibility: sophomores, juniors, and seniors with excellent (3.0 GPA or better) academic records and potential for a career in nuclear utility industry; U.S. citizens.
Value: $2,500 (applications due January)

Roberto Pagano Memorial Scholarship
Eligibility: NRE undergraduates; academic performance as evaluated by the NRE Scholarship Committee.
Value: up to $2,000 per award

G. J. Schoessow Scholarships
Eligibility: nuclear and radiological engineering juniors and seniors with strong interest in nuclear power; participation in student American Nuclear Society/Health Physics Society and financial need may also be considered; must be a U.S. citizen.
Value: up to $500 each (three or more)

College of Fine Arts

UF Endowed Scholarships and Fellowships

The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at http://www.uff.ufl.edu/Scholarships/ScholarshipListing.asp.

Ahrens Scholarship Fund
Eligibility: art and art history juniors majoring in painting.
Value: varies

Dennis and Colette Campay Studio Art Scholarship
Eligibility: studio art students in the school.
Value: varies

Carolyn A. Novogrodsky Memorial Award for Artistic Pursuits
Eligibility: graduating seniors in Studio Arts who have demonstrated desire to use art to promote positive social change.
Value: varies

James J. Rizzi Scholarship
Eligibility: studio majors in the school; artistic and academic ability.
Value: varies

Amy Nicole DeGroove Memorial Scholarship
Eligibility: incoming freshmen or advancing juniors in studio arts; artistic and academic ability.
Value: varies

E. Robert Langley Scholarship Fund
Eligibility: students in art and art history for internships at the Hann Museum.
Value: varies

School of Music
Contact: Mutlu G. Citim-Kepic, Director of Music Admissions, 130 Music Building; http://www.ufl.edu/music

All scholarships listed, except for the Band scholarships, the Mark Stoughton Scholarship and loans, are restricted to music majors. Scholarship recipients must perform in their area to the satisfaction of the School of Music faculty, maintain satisfactory progress toward a degree, perform in ensembles as needed, successfully complete the requirements for recital attendance, and not be on academic probation. Students interested in band scholarships should apply to the Director of Bands for information.

UF Endowed Scholarships and Fellowships

Dean's Scholarship
Contact: Dr. Claudia Senesac, Health Science Center, PO Box 100185
Eligibility: Nominated by department or program; based on academic excellence, leadership, and professional promise.
Value: varies

Health Professions General Scholarship
Contact: Dr. Claudia Senesac, Health Science Center, PO Box 100185
Eligibility: health professions students; 3.0 GPA; demonstrated financial need.

See "Graduate Aid," Chapter 8.
CHAPTER 8: GRADUATE AID

GENERAL GRADUATE AID

We have taken care to ensure the accuracy and timeliness of information in this handbook. Contents are subject to change without notice, however, because of changing federal and state legislation and donor requests, as well as unintended error. All financial aid awards are contingent upon availability of funds and subject to revision.

Graduate Assistantships

For fellowship or assistantship information and application deadlines, contact the chairperson of your department. Information and applications are also available on the Web on the UF Graduate School admissions Web page at http://gradschool.rgp.ufl.edu. Also read the Graduate Assistantships and Fellowships section of the Graduate Catalog, http://gradschool.rgp.ufl.edu/students/catalog.html.

Alumni Graduate Program (AGP)

Alumni Graduates represent the highest graduate student award available at UF. Funded at nationally competitive levels, these highly prestigious awards support students in all programs and departments of the University awarding a Ph.D. or MFA. To ensure that Alumni Graduates receive every opportunity to succeed, the AGP provides four full years of support through a nationally competitive stipend and tuition waiver for qualifying students. Most Alumni Graduates will receive both research and teaching assignments. UF expects Alumni Graduates to demonstrate high standards of academic achievement and participation in university life.

Applicants for the AGP apply through the departments or programs of their major field of study. Successful applicants will have outstanding undergraduate preparation, a strong commitment to their field of study, and demonstrated potential in research and creative activities. For more information go to http://www3.ufl.edu/fellows/alumni.html. For more information on the fellowships available, please contact the program coordinator for the degree in which you are interested.

The Graduate School Fellowships

Graduate School fellowships are named in honor of Dr. Linton E. Grinter, who was Dean of the Graduate School, 1952-1969. The intent of the Grinter Fellowship is to facilitate the recruitment of truly exceptional graduate students. Ordinarily, the Grinter is limited to PhD students. Exceptions are made for those areas in the University that have a terminal degree different from the PhD (e.g. Master of Fine Arts, Architecture, Building Construction, and Landscape Architecture). Grinter Fellowships are not assistantships. No duties may be required of the student (except those associated with an assistantship held concurrently). Grinter Fellowship stipends are normally in the $2,000–$4,000 range. Continuation of the Grinter beyond the first year (up to a total of three years) is contingent upon satisfactory student progress. For more information, go to http://www3.ufl.edu/fellows/grinter.html.

Graduate School Financial Aid Bulletin Board and Financial Aid Page

To help you fund your graduate education at UF, the Graduate School Financial Aid Bulletin Board, found at http://gradschool.rgp.ufl.edu/students/financial-aid-bulletin-board.html, alerts you to fellowships, grants, and scholarships offered by organizations outside the university, as the UF Graduate School learns of such financial aid opportunities. Or, for more resources go to the Graduate School Financial Aid page, http://gradschool.rgp.ufl.edu/students/financial-aid.html.

Financial Aid Loans and Part-Time Employment

Graduate students may apply for loan programs (Federal Direct Stafford Loans and Federal Direct Graduate PLUS Loans) and for part-time employment through Student Financial Affairs (SFA) in S-107 Criser Hall.

Students who accept assistantships, fellowships, or traineeships must receive approval from the Graduate School before accepting other employment.

Students applying for loans or work through SFA should understand that fellowships, fee waivers, and health insurance benefits are considered part of a student’s financial aid package, and as such affect eligibility for aid through SFA. Students must report all such aid on ISIS using the “Additional Aid Reporting” page.

COLLEGE-AWARDED GRADUATE AID

This section lists graduate aid available through university colleges, schools, and departments. For more information, check with the contact person listed or the graduate coordinator or chairperson of your college or department.
Aid

Medal of Excellence Fund

Jimmy G. Cheek Graduate Student Scholarship

Contact: William C. and Bertha M. Cornett

Eligibility: Graduate students studying human or animal nutrition in IFAS, medicine, or other related fields.

Value: Varies

Davidson Graduate Travel Scholarship Fund

Eligibility: Graduate majors.

Value: Varies $300 domestic, $650 international

Deadline: November 1 for spring, May 1 for fall

Florida Wildlife Federation Scholarship

Contact: Department of Wildlife Ecology and Conservation

Eligibility: Graduate and undergraduate students; merit-based; keen interest in Florida wildlife; professional promise with intent to pursue a career in wildlife ecology or conservation in Florida after graduation.

Value: Up to $500 awarded to both undergraduate and graduate students

James and Margaret Gahan Scholarship Fund

Contact: Entomology and Nematology

Eligibility: Superior undergraduate scholars admitted to graduate programs in entomology.

Value: $12,500 plus tuition waiver

Grebe-Wahlberg Memorial Fund

Eligibility: Premiere graduate students enrolled in the college who are outstanding leaders academically and in organizations; based on GPA, leadership ability, service and extracurricular activities.

Value: Varies

J. R. Greenman Memorial Scholarship Fund

Eligibility: Junior, senior, or graduate food and resource economics majors; also, academic merit, professional potential, leadership ability and financial need.

Value: Varies

Mike Hackmann Memorial Scholarship Fund

Contact: Department of Environmental Horticulture

Eligibility: Undergraduate and graduate students in floriculture.

Value: $500

Homer and Dolly Hand Fellowship Fund

Contact: Everglades Research and Education Center

Eligibility: Graduate students supervised by a faculty member at the IFAS Everglades Research and Education Center.

Value: Varies

Paul R. Harris Fund

Contact: Department of Agronomy

Eligibility: Agronomy majors.

Deadline: October 21

Value: Up to $500 and a plaque

Phillip L. Herndon Endowment in Economics

Contact: Department of Food and Resource Economics

Eligibility: Food and resource economics graduate students studying citrus-related economics; on campus or through distance education; must maintain minimum 3.0 GPA.

Value: $1,000

Elton Hinton Memorial Scholarship Fund

Contact: Agricultural Education and Communication

Eligibility: Agricultural and communication graduate students; outstanding scholarship, leadership, and professional potential.

Value: Varies

Hunt Brothers Endowment for Fellowship in Citrus Research & Education, Lake Alfred

Contact: Agricultural Education and Communication

Eligibility: Graduate students.

Value: $300 per semester, spring and fall, for research and study of citrus

William and Else Jennings Scholarship

Contact: School of Forest Resources and Conservation

Eligibility: Students enrolled in the School of Forest Resources and Conservation.

Value: New undergraduates, $500; new graduate students, $1,000

Harold E. Kendall Sr. Scholarship Fund

Eligibility: Graduate students studying subtropical fruit with an emphasis on limes, avocados, and mangoes, including their production and marketing.

Value: $2,000

Deadline: July

Calvin L. Korf Turfgrass Research Fund

Contact: Fort Lauderdale Research and Education Center

Eligibility: Students pursuing turfgrass studies through UF’s Fort Lauderdale Research and Education Center.

Value: Varies

A. H. Kreidorn Memorial Scholarship

Eligibility: Students in horticultural sciences majoring in fruit crops.

Value: Varies

L. E. "Red" Larson Professorship and Graduate Fellowship in Animal Sciences

Contact: Department of Animal Sciences

Eligibility: Animal sciences graduate students, with priority given to the study of the dairy sciences.

Pauline O. Lawrence Fellowships

Endowment

Contact: Department of Entomology and Nematology

Eligibility: Entomology and nematology master’s or Ph.D. students in insect physiology or biochemistry; consideration to students from the Caribbean.

Value: Varies

Contact: Dr. Mark Rieger, P. O. Box 110270, 2002 McCarty Hall; http://www.cals.ufl.edu

UF Endowed Scholarships and Fellowships

The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact or the Foundation website at: http://www.ufl.edu/Scholarships/ScholarshipListing.asp

Agronomy-Soils Club/Florida Foundation Seed Producers Scholarship Fund

Contact: Department of Horticultural Sciences  
Eligibility: fruit crops majors; scholarship, leadership, interest in Florida citrus industry.  
Value: $1,000  
F. A. Woods Awards  
Contact: Department of Plant Pathology  
Eligibility: academic excellence in graduate student research in plant pathology.  
Value: $500, two awards  
**WARRINGTON COLLEGE OF BUSINESS ADMINISTRATION**

Contact: varies by program of study  
Assistantships  
A limited number of assistantships are available to highly qualified students. Historically, assistantships have been awarded to students to work ten hours per week in one of the academic programs as a research or teaching assistant or in the Florida MBA Programs Office as a graduate assistant.  
Fellowships  
UF awards a number of Graduate Fellowships to students who would make a positive impact on their academic field of study. See the "General Graduate Aid" section at the beginning of this chapter. These scholarships provide tuition assistance and a significant annual stipend. Candidates must apply by the early application deadline so that a final admissions decision can be reached before the February 15 deadline for fellowship consideration. Outstanding students admitted after that date will be nominated to receive scholarship funds that remain undistributed. These fellowships are restricted to outstanding Ph.D. candidates.  
Scholarships  
Contact: Michelle Lovell, 134 Bryan Hall, P. O. Box 117152; http://www.cba.ufl.edu  
The Florida MBA programs offer one of the most affordable graduate management programs in the country, even for non-Florida residents. A limited number of scholarships are awarded to top candidates who have been admitted to the “traditional program.” Selection is based on superior academic ability, professional achievement, and leadership potential. MBA candidates who submit their application for admission are automatically considered for the following merit-based awards.  
**UF Endowed Scholarships and Fellowships**  
The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at http://www.ufl.edu/Scholarships/ScholarshipListing.asp.

Value: varies
Non-Endowed Scholarships
Fannie Mae MBA Term Scholars Fellowship
Eligibility: 1st- and 2nd-year MBA students.
Value: varies
Fisher School of Accounting
Contact: Henry Anderson, 210 Gerson; http://www.ufl.edu/scholarships/ScholarshipByUnit
The Fisher School of Accounting administers a number of awards and fellowships each year and nominates students for a variety of externally administered awards. Fellowships are generally awarded to students who intend to enter or have already entered the master’s program. The amounts, number, and source of awards vary annually. Academic performance, particularly in upperdivision accounting coursework, is emphasized in selecting recipients. Generally, 20 to 40 $2,000 to $3,000 awards are made. A complete list of awards is maintained in the Fisher School of Accounting office (GER 210). To be considered for these awards and for nomination for externally administered awards, students should complete and submit an Application for Accounting Awards, available at 210 Gerson Hall in late fall and early spring. The submission deadline is generally February 1. Announcements of recipients and nominees generally are made in April.

UF Endowed Scholarships and Fellowships
The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at http://www.ufl.edu/Scholarships/ScholarshipListing.asp.

**College of Dentistry**

Contact: Mr. Tom Kolb, Assistant Director of Financial Affairs, Box 100445, Health Science Center Gainesville, FL 32610-0445

http://www.dental.ufl.edu/Offices/Education/Financial_Aid

Limited scholarships are available to individuals enrolled in the DMD program. Students must prove financial need and/or be selected for their academic performance to be considered for these limited funds. Parental information is required on financial aid applications, and a subsequent parent tax return will be required.

Information and application materials can be found on the College of Dentistry website. Dental students are encouraged to seek outside financial support within their hometown communities. Contacting service clubs, dental societies, hospital auxiliaries, and church organizations, can offer other potential sources of financial assistance.

The UF College of Dentistry attempts to provide additional assistance via college scholarships and loans. These resources are very limited. All awards are based on eligibility and availability. Amounts on these awards vary each year.

**UF Endowed Scholarships and Fellowships**

The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at http://www.ufl.edu/Scholarships/ScholarshipListing.asp.

Students may obtain application information on scholarships listed below from the College of Dentistry's Financial Aid office.

UF Endowed Scholarships and Fellowships
The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the Foundation website at http://www.ufl.edu/Scholarships/ScholarshipListing.asp.

Steven C. Crebbin Memorial Award
Eligibility: landscape architecture with professional potential; preference to high school graduates from Monroe or South Dade County, Florida.
Value: varies

Joshua W. Lepp Memorial Traveling Award
Eligibility: graduate and undergraduate students participating in the department’s Paris studies abroad program.
Value: varies

Howard Sebold/Herrick Smith Fellowship in Landscape Architecture
Eligibility: leadership, scholarship, and potential professional distinction.
Value: varies

Non-Endowed Scholarships
American Society of Landscape Architects Annual Scholarship,

Jacksonville Section
Eligibility: students from northeast Florida in professional studies.
Value: varies

Foster Conant Scholarship Award
Made possible by the Central Florida Builders Exchange/Frank Reed Endowed Fund.
Eligibility: excellence in detail design and a 3.0 GPA.
Value: varies

Florida Chapters of the Federation of Garden Clubs, Grants, and Scholarships
Eligibility: local chapters throughout the state offer financial assistance based on demonstration of need; apply to chapter.
Value: varies by chapter

Jodie Rabb Memorial Award
Eligibility: demonstrate excellence in detail design; 3.25 GPA or better.
Value: varies

Rain Bird Award
Eligibility: accomplishments in water conservation through irrigation design.
Value: varies

Paul Verlander Award
Eligibility: undergraduate and graduate students with demonstrated scholarship and potential for professional distinction.
Value: varies

Department of Urban and Regional Planning
Contact: Dr. Zhong-Ren Peng, Chairman, 431 Architecture Building
UF Endowed Scholarships and Fellowships
The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the Foundation website at http://www.ufl.edu/Scholarships/ScholarshipListing.asp.

Carl Feiss Urban and Environmental Design Award
Eligibility: graduate students in the department for urban and environmental design.
Value: $500–$1,000

Peter Kanavos Sr. Memorial Award Fund
Eligibility: full-time urban and regional planning students; academic qualifications and an interest in real estate and development issues.
Value: $500–$1,000

Margaret E. Raynal Memorial Fund
Eligibility: full-time urban and regional planning student; based on academic qualifications and an interest in transportation and bicycle planning.
Value: $500–$1,000

WRS Infrastructure & Environment Inc. Award in Memoriam of Mario Ripol
Eligibility: urban and regional planning graduate students; outstanding student in the specialization of planning

Information and analysis.
Value: $500–$1,000

Non-Endowed Scholarships
Ulla Rydberg Memorial Fund
Eligibility: full-time urban and regional planning students; academic achievement and an interest in gerontology and social justice issues.
Value: $200–$500

School of Building Construction
Contact: Dr. Abdol Chini, 304 Rinker Hall; http://www.bcn.ufl.edu
UF Endowed Scholarships and Fellowships
The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the Foundation website at http://www.ufl.edu/Scholarships/ScholarshipListing.asp.

Balfour Beatty Construction Scholarship
Eligibility: BCN students; financial need and academic achievement.
Value: $1,000

Clark Construction Group Fund Scholarship
Eligibility: students in the school with a primary interest in construction management; must be a U.S. citizen and junior 1 level or higher; determined by academic merit and financial need; leadership or extra-curricular activities may be considered.
Value: $1,500; three awards

Daughterty Endowment Scholarship
Eligibility: BCN students; non-traditional students with financial need.
Value: $1,000

Paul & Laura Dickert Scholarship
Eligibility: BCN students; financial need and academic achievement.
Value: $1,000

Greg Jones Endowment Scholarship
Eligibility: upperdivision and graduate BCN students; academic achievement; participation in student clubs.
Value: $1,500

Matthew Remsen Scholarship
Eligibility: BCN students with financial need.
Value: $1,000

Rinker Scholar Endowment
Eligibility: previous Associated Schools of Construction faculty members now pursuing a Ph.D. in construction management.

Ronald Vincent Tadrowski Scholarship Fund
Eligibility: students in the school, preferably from the Treasure Coast area (St. Lucie, Martin and Indian River counties), showing evidence of financial need; second preference for any Florida resident showing financial need.
Value: $2,000

Non-Endowed Scholarships
Central Florida Builder’s Exchange
Frank W. Reed Scholarships
Eligibility: upper-division and graduate BCN students who graduated from a Florida high school; financial need; minimum 3.0 GPA.
Value: Central Florida Builders Exchange, $600; Foote Steel, $600; Jack Jennings & Son, $1,200; Tri-City Electric, $600; R. C. Stevens Construction, $1,000; Walker & Co., $1,200; Hubbard Construction, $1,200.
Gainesville Builders Association Scholarship
Eligibility: building construction students interested in home building; financial need.
Value: varies
National Association of Home Builders
Eligibility: upper-division or graduate building construction students interested in home building as a career who have not have previously received this award.
Value: $1,000, ten awards
Anthony Section Memorial Scholarship
Eligibility: for information on this endowed scholarship, go to http://www.uf.ufl.edu/services.
Value: $1,500

College of Education
Contact: Ron Wright, Coordinator, Office of Student Services, G-416 Norman Hall; (352) 273-4380, http://www.education.ufl.edu/services.
For all College of Education scholarships, the application forms and instructions are available at the Office of Student Services website above. All applications and associated materials (essay, letters of recommendation, resume/vita, etc.) are due to the Office of Student Services by 5:00 p.m. on February 11. Scholarships are available in the fall unless otherwise noted.
UF Endowed Scholarships and Fellowships
The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at http://www.ufl.edu/Scholarships/ScholarshipListing.asp.
John F. and Marjorie J. Alexander Scholarship
Eligibility: first generation college students seeking a degree in the College of Education, based on financial need; students applying after freshman year must have a minimum of a 2.5 GPA to receive the award.
Value: two $750 awards
Barbara and Richard Anderson Scholarship
Eligibility: graduate students entering the college; first preference to graduates or employees of Lake City Community College; second preference to students from Baker, Columbia, Dixie, Gilchrist or Union counties; third preference to residents of Florida entering the college.
Value: $500
Glenda Ward Caro Fellowship in Education
Eligibility: graduate students in education.
Value: $750
Lincoln and Lillian Hall in Memory of Albert G. Hall Fellowship Fund
Eligibility: early childhood and elementary education ProTeach students.
Value: two $1,000
Dr. Clemons Lester Hallman Fellowship
Eligibility: graduate students in the college preparing for teaching or teacher education in one of three areas: 1) bilingual education, 2) foreign language education, or 3) ESOL education.
Value: two $500 awards
Vernice Law Hearn Scholarship
Eligibility: full-time ProTeach juniors, seniors, or graduate students in early childhood, elementary, or special education.
Value: $750
Charles A. and Alma A. Hoffman Scholarship
Eligibility: full-time students with financial need who plan to teach mathematics.
Value: $1000
Everett L. Holden and Marian G. Holden Memorial Scholarship Fund
Eligibility: students in the college; must demonstrate financial need.
Value: six $2,500 awards
Sara Lavinia de Keni Scholarship
Eligibility: students enrolled in a doctoral program in education that emphasizes collaborative partnerships with preK-20 schools and/or community groups; these awards will be given in addition to any other assistantships for which the students are qualified.
Value: four $2,500 scholarships
Elizabeth E. Larsen Graduate Memorial Scholarship
Eligibility: full-time ProTeach seniors or graduate students in early childhood, elementary, or special education.
Value: six $4,000 scholarships
Elizabeth and William F. Leonard Endowment Scholarship Fund
Eligibility: full-time science or math education graduate students.
Value: six $3,000 awards
Augie Lutz Counselor Education Scholarship
Eligibility: graduate students focusing in counselor education in the college.
Value: $500
John W. Martin and Annie Mae Martin Phillips Scholarship
Eligibility: full-time juniors, seniors, post-baccalaureate, or graduate students in the college; first preference to applicants who attended high school in Alachua County, Florida; must demonstrate financial need.
Value: five $3,000 awards
Dr. Vincent McGuire Scholarship
Eligibility: graduate students in English education program in the College of Education.
Value: $750
Stella Meissner Scholarship Fund
Eligibility: graduate students.
Value: $600
Jessie Hamm Meyer Graduate Award
Eligibility: students in the college who are returning teachers, preference to career teachers returning for graduate studies in gifted education.
Value: two $500 awards
J. Ed and Betty B. Price Scholarship Fund
Eligibility: counselor education students who plan to work in college-level student affairs.
Value: $1,000 and recognition on a plaque; two scholarships
Harold Riker Scholarship Fund
Eligibility: students currently enrolled in counselor education.
Value: $1,000
G. Ballard Simmons Memorial Scholarship Fund
Eligibility: students admitted to or enrolled full-time in a graduate professional teacher education program in the college who received their bachelor’s degree in education; financial need.
Value: $1,500
Robert O. Stripling Scholarship
Eligibility: UF counselor education students enrolled in the doctoral program; demonstrated intention to pursue a career as a full-time counselor educator; submission of a fully completed application.
Value: two $750 awards
Ralph D. Turlington Scholarship and Fellowship Fund
Eligibility: students in the college.
Value: two $2,500 awards
Marjorie Scheir Waggoner Fellowship
Eligibility: elementary education students; must be Florida residents, graduate of a Florida high school, and enrolled in a full-time masters program in elementary education.
Value: two $750 awards
Dr. Hannelore Wass Endowed Scholarship
Eligibility: College students; see website.
Eligibility: Fellowships in Civil Engineering

Natural Car and GP Fund

Fellowships

As at appreciation Value:
- Value: one $5,000 award or five $1,000 awards
- Wilson and Marie Collins Graduate Fellowship
  Eligibility: meritorious graduate students in electrical and computer engineering.
  Value: $5,000
- David F. and Cynthia A. Davis Endowed Scholarship
  Eligibility: civil and coastal engineering students; preference to students who exemplify leadership in a national Greek social fraternity or sorority, show proficiency in leadership and communication, and are active in non-academic areas.
  Value: varies
- Bob and Phyllis Dean Fellowship in Coastal Engineering
  Eligibility: coastal and oceanographic graduate students.
  Value: varies
- Carl Mercer Dow Alumni Fellowship Fund in Chemical Engineering
  Eligibility: outstanding graduate chemical engineering students.
  Value: varies
- Dow Chemical Graduate Fellowship in Materials Science and Engineering
  Eligibility: meritorious graduate materials science and engineering students.
  Value: varies
- Fahien Endowed Teaching Scholarship Fund
  Eligibility: students pursuing careers in teaching chemical engineering.
  Value: varies
- Gartner Group Graduate Fellowship
  Eligibility: meritorious computer and information science and engineering students.
  Value: varies
- Gartner Group Information Technology Fund
  Eligibility: computer science students pursuing studies in information technology.
  Value: varies
- Vladimir Grodsky Memorial Scholarship Fund
  Contact: Dept. of Materials Science and Engineering in the College of Engineering
  Eligibility: Metallurgy scholarship for students in Materials Science and Engineering.
  Value: varies
- Jonathan Hack Memorial Scholarship for Materials Science
  Eligibility: materials science and engineering students.
  Value: varies
- Harold, Mills, Hawkins Scholarship Fund
  Eligibility: chemical engineering students.
  Value: varies
- David Howell Jr. and Dan Howell Endowment in Electrical and Computer Engineering
  Eligibility: electrical and computer engineering students.
  Value: varies
- Dr. Ralph Alexander Morgen Endowed Fellowship in Chemical Engineering
  Eligibility: chemical engineering students.
  Value: varies
- Arnold J. "Red" Morway Memorial Graduate Fellowship
  Award will not support activities that include experimentation with animals.
  Eligibility: master's level chemical engineering graduate students.
  Value: varies
- Motorola Named Endowed Graduate Fellowship in Electrical Engineering Fund
  Eligibility: qualified electrical engineering students with interests related to telecommunications.
  Value: $5,000
- H. T. Odum Graduate Fellowship Fund
  Eligibility: environmental engineering sciences and Center for Wetlands students who are undergraduates in environmental engineering sciences; Florida residents.
  Value: varies
- Patterson Graduate Fellowship
  Eligibility: MS candidates with a 3.5 GPA or better; renewable annually; preference to U.S. citizens if possible.
  Value: varies
- Robert C. Pittman Fellowship
  Endowment in the College of Engineering
  Eligibility: graduate students in electrical engineering and materials science.
  Value: $10,000 plus tuition
- Charles and Mary Pitts Scholarship
  Eligibility: civil and coastal engineering students; based on merit, with preference to any student holding a part-time or full-time job outside or within UF.
  Value: $1,000
- Procter and Gamble Chemical Engineering Scholarship Fund
  Eligibility: chemical engineering students.
  Value: varies
- Robert E. Reed-Hill Scholarship
  Contact: Dept. of Materials Science and Engineering in the College of Engineering
  Eligibility: materials science and engineering students.
  Value: varies
- F. N. Rhines and W. R. Tarr Scholarship Fund
  Contact: Dept. of Materials Science and Engineering in the College of Engineering
  Eligibility: full-time materials science and engineering students; active in supporting the department.

Contact: Dr. David Norton, 300 Weil Hall, P. O. Box 116550; http://www.eng.ufl.edu

The College of Engineering offers approximately 75 research and teaching assistantships requiring one-fourth to three-quarter-time workloads with stipends of $150 to $500 every two weeks. For more information about these positions, contact the office of the graduate coordinator of your department or the Office of the Associate Dean for Academic Affairs, College of Engineering.

UF Endowed Scholarships and Fellowships

The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at http://www.ufl.edu/Scholarships/ScholarshipListing.asp.

Robert David Adamson Scholarship Fund
Eligibility: full-time materials science and engineering students, minimum 3.0 GPA, U.S. citizens or permanent residents.
Value: $500 each

McNair Bostick Scholarship
Eligibility: Ph.D. student in agricultural and biological engineering who is working on modeling/analysis of agricultural systems and natural resources; scholarship, leadership, dedication to career; high quality research related to sustainable management of agricultural/natural resources.
Value: $500

Bill and Bryon Bushnell Graduate Fellowship in Civil Engineering
Eligibility: deserving CE graduate students.
Value: varies

Value: $1,500

Non-Endowed Scholarships

Karen Koegel Annual Scholarship
Eligibility: graduate students studying special education
Value: $1,500

Norman F. Nelson Fellowship Fund
Eligibility: undergraduate and graduate students in the college; must demonstrate financial need.
Value: $750

Margaret Rosenberger Annual Award
Eligibility: students studying elementary education.
Value: $500
Value: varies
Margaret A. Ross Fellowship
Eligibility: deserving graduate students with financial need whose area of concentration is in semi-conductor research.
Value: varies
Ralph Sias Scholarship
Eligibility: electrical and computer engineering students; award is based on a 1000-word essay on a selected topic.
Value: $1,000
Charles A. and Constance C. Stokes Chemical Engineering Graduate Fellowship Fund
Eligibility: chemical engineering students.
Value: varies
Howard W. and Norma J. Smoyer Scholarship/Fellowship in Chemical Engineering
Eligibility: chemical engineering students
Value: varies
James E. Swander Memorial Scholarship Fund
Eligibility: outstanding nuclear and radiological engineering students; scholarship, leadership, and character.
Value: varies
Non-Endowed Scholarships
CDM Endowment
Eligibility: prospective graduate student; used as a recruiting tool for a top incoming graduate student.
Value: $8,000 plus a teaching assistantship
Chemical Engineering Graduate Fellowship
Eligibility: chemical engineering students.
Value: varies
Costello Awards
Eligibility: exceptional second-year biomedical engineering students; academics, leadership, and character.
Value: $1,250, several awards
Barry Douglas Memorial Fellowship
Eligibility: coastal engineering students, 3.0 GPA, financial need.
Value: $2,000 per year
Ebaugh Graduate Fellowship
Eligibility: full-time mechanical engineering students; outstanding record of academic experience.
Value: $12,000 per year
Kevin Scott Frank Memorial Scholarship
Eligibility: civil engineering students in hydraulics; Florida residents; good moral character; 3.0 GPA.
Value: $1,000
General Electric Foundation Forgivable Loan Program
Eligibility: Ph.D. students intending academic teaching careers in engineering or computer and information sciences; U.S. citizens or permanent residents; at least one year of graduate work.
Value: $5,000 per year, renewable
Sally and William Glick Graduate Research Award
Eligibility: research award for students in environmental engineering sciences.
Value: $1,000, start-up funds for a new project
Greiner Professional Scholarship
Eligibility: CE students in "design" areas of structures, soils, or transportation engineering; U.S. citizens active in professional societies; preference to MA in civil engineering students.
Value: $1,000, includes summer employment before or during scholarship period
HDR Engineering Inc. Scholarship
Eligibility: annually given to one or more 3rd, 4th, 5th year, or graduate civil or environmental engineering students; 3.0 or higher GPA; desire to pursue a career in civil or environment engineering; financial need not a criterion.
Value: $1,000
Albert Holloway Graduate Fellowship
Eligibility: full-time electrical and computer engineering student.
Value: $5,000
Herbert Hudson Jr. Scholarship
Eligibility: environmental engineering students whose research/training areas are potable water treatment/wastewater treatment.
Value: approximately $500
Industrial and Systems Engineering Graduate Award
Eligibility: entering graduate students in industrial and systems engineering with undergraduate degrees from UF; U.S. citizens; academic records.
Value: $6,000
Jones-Edmunds Fellowship
Eligibility: CE students with an interest in water resources/hydraulics; academic performance 3.0 GPA or above; U.S. citizens; financial need.
Value: $2,000, non-renewable
Kimley-Horn & Associates Scholarship
Eligibility: entering CE graduate students who are U.S. citizens with an interest in transportation and/or structural engineering; academic performance and leadership activities.
Value: $1,000, non-renewable
Mechanical Engineering Teaching Assistant Awards
Eligibility: full-time graduate students proficient in English; outstanding record of academic experience.
Value: varies
Dallas Montgomery Memorial Scholarship
Eligibility: upperdivision computer engineering students from Polk County area; 2.0 GPA; financial need.
Value: $1,000
National Academy for Nuclear Training Fellowship
Eligibility: master's candidates in nuclear and radiological engineering or environmental engineering sciences.
Value: $13,000
Linda Parker Hudson Scholarship/Fellowship
Eligibility: graduate students in industrial and systems engineering.
Value: varies
Ramage/Spangler Fund in Civil and Coastal Engineering
Eligibility: Civil and Coastal Engineering students enrolled in the 4/1 combined bachelor's/masters program
Value: varies
T.M. Reed Memorial Scholarship Fund
Eligibility: chemical engineering students.
Value: varies
Texas Instruments Fellowship
Eligibility: electrical and computer engineering students in mixed analog and digital integrated circuit design.
Value: $14,000 per year, plus fee waiver
Joel Tyner Memorial Scholarship
Eligibility: CE hydraulics students with serious interest in hydraulics career; Florida residents; good moral character; 3.0 GPA; no international students.
Value: $1,000
Wilkes Program Fund
Eligibility: chemical engineering students.
Value: varies
University Women's Club Award
Eligibility: full-time, first-year graduate students in industrial and systems engineering; U.S. citizens or permanent residents; based on academic performance, character, and financial need.
Value: $500, non-renewable

COLLEGE OF FINE ARTS

School of Art and Art History
Contact: Rhonda Riley, School of Art and Art History, 101 Fine Arts Bldg., C; P.O. Box 115801; http://www.arts.ufl.edu/ART
The school offers several cash awards. Contact the school adviser for information.

UF Endowed Scholarships and Fellowships
The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at http://www.ufl.edu/Support/ScholarshipListing.asp.

Dennis and Colette Campay Studio Art Scholarship
Eligibility: studio art students in the School of Art and Art History in the College of Fine Arts.
Eligibility: undergraduates or graduate students working on a master's or Ph.D. in Music; proficiency in choral singing, composing, or conducting; must demonstrate financial need.
Value: varies

David L. Wilmot Prize for Excellence in Music Education Fund
Eligibility: students with music education degrees or with excellence in service as a music teacher; must be pursuing a graduate degree in music education; upperclass students may be considered.
Value: $1,000, renewable

Non-Endowed Scholarships
A. Didier Graeffe Scholarship
Contact: Composition Area Head
Eligibility: demonstrated financial need; student composers in composition preferred.
Value: varies

Theatre and Dance Department
Contact: Kevin Austin, 233 Nadine McGuire Theatre and Dance Pavilion; http://www.arts.ufl.edu/theatrenddance
UF Endowed Scholarships and Fellowships
The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at http://www.uff.ufl.edu/Scholarships/ScholarshipListing.asp.

Lawrence Baynard Hubbell Scholarship Fund in Theatre Studies
Eligibility: graduate students majoring in theater performance or production or with a primary interest in writing dramas or screenplays; minimum 3.2 GPA.
Value: varies

John S. and James L. Knight Foundation Endowment for the New World School of the Arts
Eligibility: theatre students in the New World School of the Arts; must have financial need, at least one credit hour of business ethics and documented community service.
Value: varies

Jim Richardson Memorial Theatre Scholarship Fund
Eligibility: production, performance, or dance students who show outstanding contributions and excellence in the classroom and in production work; minimum 3.0 GPA; incoming freshmen must present exemplary high school transcripts and test scores.
Value: $1,000

Mark W. Stoughton Theatre Scholarship Fund
Eligibility: upper-division undergraduate or graduate theater students with outstanding artistic potential.
Value: $500, varies

University of Florida Friends of Theater and Dance
Eligibility: outstanding departmental students, graduate or undergraduate.
Value: $750

COLLEGE OF HEALTH AND HUMAN PERFORMANCE

Contact: Dr. Kelli Brown, 203 Florida Gym, http://www.hhp.ufl.edu
UF Endowed Scholarships and Fellowships
The following endowed scholarships and fellowships are administered by the UF Foundation. For information, check with the departmental contact person or the Foundation website at http://www.ufl.edu/Scholarships/ScholarshipListing.asp.

Dr. Robert E. Allen, Dr. Owen J. Holyoak, and Dr. Paul R. Varnes Scholarship Fund
Eligibility: student in any college major; preference to students with American citizenship who have made a significant contribution to society through volunteer work and/or military service.
Value: varies

C.A. Boyd Scholarship
Eligibility: graduate students of outstanding character with a 3.4 UF GPA or higher.
Value: varies

Jane Adams Edmonds Ph.D. Fellowship Fund
Eligibility: Ph.D. student in applied physiology and kinesiology; preference to U.S. citizens.
Value: varies

Danny Eggart Memorial Scholarship Fund
Eligibility: first-generation college students; Florida high school graduates, preferably from the Panhandle area.
Value: varies

Dr. Seigfried W. Fagerberg/Dr. Jill Varnes Endowment
Eligibility: first generation college students in the department with a minimum 3.0 GPA.
Value: varies

Health Solutions Scholarship Fund
Eligibility: doctoral students in health education and behavior.
Value: varies

Dr. Charles W. LaPradd Ph.D. Fellowship Fund
Eligibility: Ph.D. students in applied physiology and kinesiology; preference to U.S. citizens.
Value: varies
Dr. Norma M. Leavitt Scholarship Fund
Eligibility: outstanding character with a strong commitment to serve their profession; preference to female applicants.
Value: varies

Lee-McCachren Scholarship Fund
Eligibility: full-time applied physiology and kinesiology graduate assistants; 3.4 UF GPA or higher.
Value: varies

David and Linda McCaughey Scholarship Fund
Eligibility: graduate students in any college major with outstanding character and a strong commitment to serve their profession.
Value: varies

McGriff Family Endowed Scholarship
Eligibility: graduate students in sport management.
Value: varies

William M. Potter/M.B. Chafin Scholarship Fund
Eligibility: students in any college major who has a minimum 3.50 UF GPA and demonstrates leadership and character.
Value: varies

B. K. & Betty C. Stevens Graduate Scholarship
Eligibility: applied physiology and kinesiology graduate students who show interest in being of service to others and demonstrate successful scholarship.
Value: varies

Lillian and Herman Rosenthal Memorial Assistantship
Eligibility: students in any major in the college.
Value: varies

Dr. Linda (Dr. T) Thornton Scholarship
Eligibility: student in the recreation, parks & tourism major who consistently demonstrates leadership ability; pursues professional development opportunities; has demonstrated high moral/ethical character; strong advocate for the profession after graduation.
Value: varies

M. M. Tutton Sr. Ph.D. Endowed Scholarship
Eligibility: graduate students in health education and behaviors.
Value: varies

Non-Endowed Scholarships
Bill Sims Scholarship
Eligibility: student studying tourism, recreation, and sport management with a minimum 3.50 UF GPA; past or current involvement with the tourism industry; pursues professional development opportunities; outstanding character and strong commitment to serve the tourism profession; demonstrate leadership skills.
Value: varies

Contact: Associate Dean for Graduate Studies, Dr. Debbie Treise, 2012 Weimer Hall; https://www.jou.ufl.edu

Endowed Assistantships
Eligibility: graduate students interested in television and electronic media.
Value: varies

Emily Howard Bateman Scholarship
Eligibility: student studying sport kinesiology.
Value: varies

Herbert S. Brechner FOI Graduate Assistantships
Eligibility: Ph.D. students interested in mass media law who have extensive journalism experience.
Value: varies

Herbert S. Dolgoff Radio Assistantships
Eligibility: student seeking to study aspects of management in

Graduate Teaching/Research Assistantships
Eligibility: need; teaching or research abilities.
Value: varies

Terry Hynes Graduate Assistantship/ Fellowship
Eligibility: student with 10-20 hours a week as teaching or research assistant.
Value: varies

Ralph and Bronia Lowenstein Assistantship
Eligibility: student with 10-20 hours a week as teaching or research assistant.
Value: varies

Mark A. and Debra G. Nouss Fellowsships
Eligibility: student with 10-20 hours a week as teaching or research assistant.
Value: varies

Nathaniel W. Pickard Assistantship
Eligibility: student with 10-20 hours a week as teaching or research assistant.
Value: varies

Claudia Ross Assistantship for Investigative Reporting
Eligibility: student with 10-20 hours a week as teaching or research assistant.
Value: varies

Florence W. Ruebush Assistantship
Eligibility: student with 10-20 hours a week as teaching or research assistant.
Value: varies

St. Petersburg Times James P. Kerlin Assistantship
Eligibility: student with 10-20 hours a week at the Brechner Center for Freedom of Information.
Value: varies

Gary L. Watson Endowment for Leadership in Journalism Management
Eligibility: student with 10-20 hours a week as a teaching or research assistant.
Value: varies
Benjamin H. Ayres Scholarship  
Eligibility: Merit. Second or third year law student. Must have attended high school in Marion County or plans to practice law there. 3.2 law school GPA.  
Value: varies

Ralph R. Bailey Scholarship Fund  
Eligibility: incoming law students who have been residents of Broward County for one year before applying; academic standing, sound character, integrity, and achievement in undergraduate extracurricular activities.  
Value: varies

Robert S. Baynard Scholarship  
Eligibility: entering student; merit scholarship.  
Value: varies

Guy W. Botts Memorial Scholarship  
Eligibility: entering students; merit scholarship.  
Value: varies

Ernest B. and Estelle Pierce Bowles Memorial Scholarship  
Eligibility: women students in the college.  
Value: varies

Gertrude Brick Law Review Apprentice Prize Fund  
Eligibility: outstanding editors on the Florida Law Review Board; awardees are voted on by the board each semester.  
Value: varies

Broad and Cassel Florida Law Review Scholarship Fund  
Eligibility: senior editors of the Florida Law Review.  
Value: summer stipends; varies

Frank E. Bryant Jr. Scholarship Fund  
Eligibility: entering law school students, preferably Florida residents; academic achievement; financial need.  
Value: varies

A. H. Burnett Law Scholarship  
Eligibility: entering student; financial need.  
Value: varies

Dewey & Lynn Burnsed Endowment Scholarship  
Eligibility: merit award to entering student.  
Value: varies

Judge George C. Carr Scholarship Fund  
Eligibility: entering students; merit scholarship.  
Value: varies

Cokers, Myers, Schickel, Cooper, & Sorenson P.A. Scholarship  
Eligibility: students participating in trial competition team at UF; based on merit.  
Value: varies

Clifford W. Crandal Scholarship Fund  
Eligibility: law students with financial need who have completed at least two, but not more than three semesters in this college; 3.2–4.0 law school GPA to apply and renew.  
Value: $1,500

Cuban American Bar Merit Scholarship  
Eligibility: continuing Cuban American law students or any continuing law students who have distinguished themselves through outstanding academic achievement and significant scholarship on the subject of human rights violations in Cuba or the reestablishment of a democratic rule of law in Cuba.  
Value: varies

Cypen and Cypen Scholarship Fund  
Eligibility: students must have completed at least two semesters of study in this college; requires a 3.2 law school GPA.  
Value: $1,000

Irving Cypen Freshman Scholarship Fund  
Eligibility: student who earns the highest GPA during the first year of law school.  
Value: $3,500, $2,500, $2,000

Darrey A. Davis Memorial Scholarship Fund  
Eligibility: students who have completed one year of law school at UF with demonstrated interest in public service and commitment to highest ethical standards of the profession; law GPA in top 25 percent.  
Value: $6,000, with renewal if eligible

Dean, Mead, Egerton, Bloodworth, Capouano, and Bozarth P. A. Endowed Scholarship Fund  
Eligibility: tax students; consideration of financial need; law students, with first consideration to those in JD or LLM programs.  
Value: up to $7,500

John W. Donahoo Scholarship Fund  
Eligibility: entering students; financial need; merit scholarship; 3.2–4.0 GPA needed to renew.  
Value: varies

Dorini Family Graduate Tax Scholarship Fund  
Eligibility: meritorious tax students.  
Value: up to $7,500

Dunspaugh-Dalton Foundation Inc. Scholarship Fund  
Eligibility: entering students; merit scholarship.  
Value: varies

Atwood Dunwody Scholarship Fund  
Eligibility: second-year law students with good academic standing and financial need; 3.2 law school GPA needed to apply.  
Value: $1,000

Chester Ferguson Scholarship Fund  
Eligibility: outstanding entering students; merit and need.  
Value: varies

Carlton Fields Scholarship Fund  
Eligibility: entering students from Florida; merit scholarship.  
Value: varies

Florida Worker’s Compensation
Institute Inc. Scholarship Fund
Eligibility: entering students; merit scholarship.
Value: varies

Michael M. Fogarty Memorial Scholarship Fund
Eligibility: entering students; merit.
Value: varies

James J. Freeland Graduate Tax Scholarship
Eligibility: outstanding seniors; based on academic achievement and leadership.
Value: varies

Dan Galfond Memorial Scholarship
Eligibility: entering student; merit scholarship.
Value: varies

Harry F. Goodmark Scholarship
Eligibility: students entering third year of law school with demonstrated interest in representing workers in workers’ compensation proceedings, labor law, or employment law on behalf of low-income workers; financial need; 3.2 law school GPA to apply.
Value: varies

Gray Robinson, P.A., Endowed Scholarship Fund
Eligibility: entering students; merit scholarship.
Value: varies

Evelyn Hartman Scholarship Fund
Eligibility: entering students; merit scholarship.
Value: varies

Jeffrey Allan Hirsh Scholarship Fund
Eligibility: students in the college; preference to those who either attended high school or plan to practice in Broward County.
Value: award varies

### Veterinary Medical Student Loan
**Eligibility:** veterinary students; co-signer required.

**Term:** long-term

**Value:** $500–$1,000
CHAPTER 9: OTHER SOURCES OF AID

SFA's Student Resource Center in S-107 Criser Hall has applications on file for many of the following scholarships, since these organizations often provide forms to us during their main application period.

Students can also use SFA's Scholarship Search Engine, http://www.sfa.ufl.edu/search.

The Search Engine is a comprehensive, up-to-date database of college-awarded and non-UF scholarships and aid. For outside aid, students should choose "Is not a UF Scholarship" under the "Scholarship Type" option.

We have taken care to ensure the accuracy and timeliness of information in this handbook. Contents are subject to change without notice, however, because of changing federal and state legislation and donor requests, as well as unintended error. All financial aid awards are contingent upon availability of funds and subject to revision.

AmeriCorps, Corporation for National and Community Service, 1201 New York Avenue, N.W., Washington, DC 20525, 1-800-942-2677; Email: questions@americorps.org; http://www.americorps.org. Americorps is a national service program that provides education awards in exchange for a year or two of community service. After completing a year of service, students receive an education award of up to $5,350 that can be used to pay off student loans or to finance college, graduate school, or vocational training. Applications are available at the website.

Cooperative Education (Co-op), Career Resource Center, 1st Floor, Reitz Union, University of Florida, Gainesville, FL 32611, (352) 392-160; http://www.crc.ufl.edu/students/coops.aspx. Cooperative Education (Co-op) is an off-campus work program that blends classroom learning with paid practical work experience, providing structured, progressive work experience through multiple semesters of work. There are two Co-op work options—Alternating and Parallel—that allow students to either alternate work and academic study or work and study at the same time. The primary purpose of the program is to provide students with professional, career-related work experience. Consult the website for requirements and program information.

Florida Prepaid College Plans, Florida Prepaid College Board, P. O. Box 6567, Tallahassee, FL 32314-6567; http://www.myfloridaprepaid.com. The Florida Prepaid College Plan locks in the cost of college tuition, local fees, and dormitory housing at today’s prices, guaranteed. The Florida College Investment Plan is a new, affordable way to save for college with a wide range of investment options and tax benefits. You can use the money for any qualified college expense at colleges nationwide, and even some schools abroad. Call 1-800-552-GRAD; 1-877-431-3691 (TTY); or visit the website.

United States Peace Corps, UF Campus Recruiter, UF International Center, 170 Hub (352) 273-1530; peacecorps@ufl.edu; http://grove.ufl.edu/peace. Two years of service in the Peace Corps can significantly reduce a portion of students' college loan debt. Up to 15% of the volunteer's Perkins loan, including interest, is cancelled for each of the first and second years of service. Students must be U.S. citizens and 18 years of age to qualify.

PRIVATE SCHOLARSHIPS AND LOANS

Many civic, corporate, and private organizations offer students awards based on place of residence, background, professional affiliation, academic achievement, or intended field of study. Lists of private aid can also be found in public and university libraries, high school guidance offices, and at bookstores.

The following organizations have provided funds for students in recent years. We cannot guarantee that each scholarship and loan is still available. Each agency handles its own application and selection procedures. Students interested in these awards should contact the organization directly. Most awards have deadlines, so students should research these opportunities early. Some awards are for undergraduates, some for graduate students, and some for both.

SFA posts information recently received from private organizations. Click on SFA's Scholarship Search at http://www.sfa.ufl.edu.

Agriculture/Horticulture/Animal Science
