

WORK HOUR RESTRICTIONS:

Students are limited to working 20 hours per week if they are registered full-time. If a student is not registered full time, the maximum number of hours they may work is based on the total credits registered for the semester.

Any student wanting to work more than the maximum hours permitted, can submit the completed Hours Extension Petition Form to the Student Employment Office. If approved, this form will allow the student to work up to 31 hours per week. You may find the form at the following link:
