

FINANCIAL AID CHECKLIST

COMPLETE THE FAFSA

If you would like to be considered for all available financial aid programs, you will need to complete a **Free Application for Federal Student Aid (FAFSA)**. Complete the FAFSA at studentaid.gov/fafsa.

If you plan to be enrolled in Fall 2025 or Spring 2026, complete the 2025-26 FAFSA.

If you plan to start attending UF in Summer 2025, also complete the 2024-25 FAFSA.

- ▶ UF's Federal School Code is 001535.

CHECK ONE.UF

When available, students can access information about their financial aid at [ONE.UF.EDU](https://one.uf.edu). Log in with your GatorLink username and password.

- ▶ View your financial aid awards and summary.
Most aid programs, including Bright Futures, require students to be enrolled at least half-time (6 credit hours).
- ▶ Report scholarships that are not listed on your award summary.
Do not report UF Scholarships, Bright Futures Scholarships, Florida Prepaid or Private Loans.
- ▶ Check "To-Dos" and "Holds" to see if you are missing requirements or documentation that could prevent the disbursement of your financial aid.
If your FAFSA application is selected for federal verification, you will be required to provide verifying documentation before aid can be disbursed to you. Respond promptly to requests for information or documentation. Do not wait until school begins to submit required documents. Ask questions if you are unsure about any part of the verification process.
- ▶ At [ONE.UF.EDU](https://one.uf.edu), you can monitor financial aid disbursements/refunds, view campus finances, tuition statements, payment history and MORE!

UPDATE AND MONITOR BRIGHT FUTURES

If you are a potential Bright Futures Scholarship recipient, contact the Florida Office of Student Financial Assistance (OSFA) at 888-827-2004 or online at www.floridastudentfinancialaidsg.org, to verify the University of Florida is listed as your institution and to view your eligibility status. You do not need to complete a FAFSA to be eligible for a Bright Futures Scholarship.
