Financial Aid Offers

Financial aid listed on your aid package are only predictions of what you may be eligible to receive. They are NOT official aid commitments. You must meet all program eligibility requirements to receive a disbursement from any aid program.

– If a **Florida Student Assistance Grant** is part of your aid offer, information from your FAFSA and the State of Florida was used to predict this grant based on full-time enrollment. You must meet all eligibility criteria to receive funds.

– If a **Florida Bright Futures** (Florida Academic or Florida Medallion) or a **José Martí Scholarship Challenge Grant, Rosewood Family Scholarship, Benacquisto Scholarship, Florida Farmworkers Student Scholarship, or Scholarship for Children & Spouses of Deceased or Disabled Veterans** is part of your aid offer, information from UF admissions files and the State of Florida was used to predict your eligibility. Determination of eligibility is made by the Florida Department of Education. The actual amount you receive will be calculated after the Drop/Add period of each semester.

– If a **Federal Pell Grant** is part of your aid offer, the prediction of your grant was based on full-time status and information from your FAFSA. The actual amount you receive will depend on your enrollment status and on the Expected Family Contribution (EFC) listed on your Federal Student Aid Report. Your grant will be calculated after the Drop/Add period of each term.

– If a **Presidential, UF Gold, UF Platinum, Admissions Alumni, Sunshine, Admission Honors, or Gator Nation Scholarship** is part of your aid offer, information from the UF Admissions Office was used to predict your eligibility. Final determination of recipients will be made by the UF Admissions Office.

– If **Federal Direct Subsidized or Unsubsidized Loans** are a part of your aid offer, you will need to take action on the loan in order for it to be disbursed to you.

– If a **Federal Direct PLUS Loan** is a part of your aid offer, the loan is for informational purposes only. To receive this loan, PLUS applicants must complete the PLUS application at <https://studentaid.gov>. All PLUS loans are subject to credit approval.

If you do not want the loan, use the “Take Action” button on your **ONE.UF** Aid Package to decline it.

– If a **National Merit Award** is listed as part of your aid offer, information from the UF Admissions Office was used to predict your eligibility for this scholarship. Final determination for these scholarships will be made by the UF Admissions Office.

IV. OVERMET NEED

If the total amount of your aid exceeds your gross financial need as a result of you receiving additional outside aid (such as a scholarship or fellowship) not listed on your aid package, or due to a change in your expected family contribution, your need is considered overmet. Certain federal programs require UF to adjust aid to eliminate overmet need; others, such as Federal Pell Grant and private scholarships, do not require this. **If you receive funds that cause your need to be overmet, you may be required to repay the overmet amount. You will be notified should this occur.**

V. FINANCIAL AID PROGRAMS

Following is a brief description of programs that may appear on your aid package. For more information, refer to SFA's website at <http://www.sfa.ufl.edu>.

Grants

Grants are offered to students with the greatest financial need. They do not have to be repaid.

Federal Pell Grant

The Federal Pell Grant program is the largest federally funded undergraduate grant program. Your grant is based on your enrollment status and on your Expected Family Contribution (EFC) as determined by a federally established formula. Full-time grants range from \$639 to \$6,345 per academic year.

Federal Supplemental Educational Opportunity Grant (FSEOG)

FSEOG is a federally funded grant program offered to undergraduates who demonstrate exceptional financial need. Aid offers generally range from \$100 to \$2,000 per academic year.

Teacher Education Assistance for College and Higher Education (TEACH) Grant

The TEACH Grant is a federally funded program that provides up to \$4,000 per year in grants for graduate and undergraduate students who intend to teach full-time, for at least four years, in high-need subject areas at schools serving students from low-income families. Part-time students are eligible, but the maximum grant will be reduced.

To receive the grant, students must be enrolled in one of UF's TEACH Grant eligible programs, as determined by UF's College of Education and complete a TEACH Grant application annually. Note: if students do not fulfill ALL program requirements, TEACH Grants must be repaid as Federal Direct Unsubsidized Stafford Loans. Interest will accrue from the date of the original disbursement.

Florida Student Assistance Grant (FSAG)

FSAG is a need-based, state grant program for undergraduate students attending eligible Florida institutions. Recipients must meet Florida residency requirements for state student aid and be enrolled in eligible academic degree programs. Aid offers range from \$200 to \$2,610 per academic year.

I. Douglas Turner Grant

This UF-funded grant program is offered by SFA to undergraduates who demonstrate exceptional financial need. Aid offers generally range from \$200 to \$5,000 per academic year.

UF Graduate and Professional Grants

These UF-funded grants are offered by SFA to graduate and professional students who demonstrate exceptional financial need and are enrolled at least half-time. Aid offers generally range from \$100 to \$3,000 per academic year.

Scholarships

Scholarships are aid that are based on grades, financial need, or special criteria and do not have to be repaid. Students do not have to work or perform service to receive scholarship funds.

Florida Bright Futures Scholarship

This State of Florida scholarship program has two levels: the Florida Academic Scholars and the Florida Medallion Scholars. Each scholarship has different academic eligibility criteria and offers a different amount based upon enrollment. The top-ranked scholar from each school district receives an additional amount, also based upon enrollment, called the Florida Top Scholars Award.

Students will be required to repay the amount for any course dropped or withdrawn unless the student appeals for, and is granted, an exception.

UF Admissions Office Scholarships

The UF Office of Admissions offers academic scholarships to incoming freshmen and transfer students based on academic ability and achievement.

State of Florida Scholarships

The State of Florida Office of Student Financial Assistance (OSFA) administers the José Martí Scholarship Challenge Grant, the Rosewood Family Scholarship, the Benacquisto Scholarship, the Florida Farmworker Student Scholarship, and the Scholarship for Children & Spouses of Deceased or Disabled Veterans. Each program has specific eligibility requirements, application procedures, scholarship amounts, and renewal requirements.

For more information visit the OSFA website at <https://www.floridastudentfinancialaidsg.org/SAPHome>.

Machen Florida Opportunity Scholarship

This scholarship program is offered by SFA to incoming freshmen who are first-generation, first time in college. Florida residents whose FAFSA results are received and who meet specific income guidelines are considered. A limited number of scholarships are offered and scholarship amounts vary depending on the student's need, as determined from the FAFSA.

SFA-Administered Scholarships

Many privately funded scholarships are available through the University and are offered by SFA. Scholarships are offered based on guidelines provided by donors. The value ranges from \$200 to \$3,000 per academic year. Full-time enrollment is required to receive funds and a FAFSA must be completed. A complete list of these scholarships is available on the SFA website at <http://www.sfa.ufl.edu/types-of-aid/scholarships>.

Student Loans

Borrowing money for college is a serious financial obligation, and students should carefully consider the amount of debt they incur. In addition to principal borrowed, interest is charged for use of funds.

Most long-term student loans have interest rates that range from 4% to 9% and offer deferred repayment provisions.

Interest rates for all Direct Loans are subject to change. Check the SFA website for current rates.

Further information on federal loans (including current rates) is available through the U.S. Department of Education at <http://studentaid.gov>. Interest rates and other information on UF institutional loans can be found at <http://www.sfa.ufl.edu/types-of-aid/loans>.

Federal Direct Loan Program

The Direct Loan Program consists of the Subsidized Stafford, the Unsubsidized Stafford, and the PLUS loan programs. To receive a Federal Direct Loan, you must be enrolled at least half-time and have completed a FAFSA.

Subsidized Loans are loans for undergraduate students with financial need, as determined by cost of attendance minus expected family contribution and other financial aid (such as grants or scholarships). Subsidized loans do not accrue interest while the student is enrolled at least half-time.

Unsubsidized Loans are loans for students that are not based on financial need. Eligibility is determined by your cost of attendance minus other financial aid (such as grants or scholarships). Interest is charged during in-school, deferment, and grace periods. Unlike a subsidized loan, you are responsible for the interest from the time the unsubsidized loan is disbursed until it's repaid in full. You can choose to pay the interest or allow it to accrue and be capitalized (added to the principal amount of the loan). Capitalizing the interest will increase the total amount you have to repay.

Both subsidized and unsubsidized loans have a fixed interest rate, and repayment is deferred until a student graduates, withdraws, or enrolls less than half-time.

Federal Direct PLUS/Graduate PLUS Loans are for parents of dependent undergraduate students and for eligible graduate students. Parents or graduate students may borrow up to the cost of attendance minus other financial aid through the PLUS Program. There are no aggregate loan limits. Borrowers cannot have an adverse credit history. Repayment begins within 60 days after final loan disbursement, unless the borrower is eligible for a deferment.

Parent and Grad PLUS borrowers must complete the application at <http://studentaid.gov>.

University of Florida Long-Term Loans

SFA offers these university and/or private donor, need-based loans, including the SAFE Loan, the Meril S. Beers Loan, the Cora B. Pilling Loan, the John G. and Fannie F. Ruge Memorial Loan, the Hart R. Stringfellow Loan, and the Arthur L. Wallace Loan. Most long-term student loans offered by UF have interest rates that range from 4% to 9% and may offer deferred repayment provisions.

Each UF long-term loan has its own disclosure documentation. Promissory notes and disclosure notices must be signed and returned to the University Bursar (UB) in S-113 Criser Hall before loans can be disbursed. More detailed information and disclosure notices, can be found on SFA's website at <http://www.sfa.ufl.edu/types-of-aid/loans/uf-long-term-loans>.

Employment

Part-time employment is available for students through the Federal Work Study (FWS), Student Other Personnel Services (STAS), and Florida Work Experience (FWEP) programs. In order to be eligible, an individual must be a UF degree-seeking student enrolled at least half-time. Students, on average, work between 10 and 20 hours per week, earn at least Florida's minimum wage per hour, and are paid on a biweekly schedule.

Job opportunities exist for all students whether or not they are eligible for financial aid. Students can view available job postings by going to <http://jobs.ufl.edu>. For more information on student employment, go to <http://www.sfa.ufl.edu/types-of-aid/employment>.

Federal Work-Study (FWS)

FWS is a federally funded, need-based, student work program (including the Federal Community Service component) which is offered by SFA. Students participating in the FWS program must maintain satisfactory academic progress. To view this aid, login with your Gatorlink username and password at <http://one.ufl.edu>. In the new window that appears, scroll down to the "Financial Aid" section and select the correct aid year under "View Your Summary." On the financial aid summary page that appears, scroll down to "Aid Package" and "Work Study." To receive FWS, students must look for work-study positions at <https://jobs.ufl.edu>.

Florida Work Experience Program (FWEP)

FWEP is a state-funded, need-based, student work program which is offered by SFA.

Student Other Personnel Services (STAS)

STAS employment is an institutionally and state-funded program which is not based on financial need. Applications for this program are open year-round. While students employed under the STAS salary plan do not have to demonstrate need, they are required to maintain a minimum 2.0 grade point average. The department will verify your enrollment status before appointing you. Students can provide the hiring department a copy of their semester schedules, available on **ONE.UF**.

VI. ENROLLMENT REQUIREMENTS

To receive federal aid, students must be enrolled in coursework required for their degree. Furthermore, most aid programs require students to be enrolled at least half-time; however, due to limited funds, priority is given to full-time students. Federal Pell Grants, TEACH Grants, FSAG, and Florida Bright Futures are prorated according to enrollment status. Students who enroll less than full-time may have their aid adjusted after

the drop/add period. Please refer to the following chart for minimum enrollment eligibility requirements.

CLASSIFICATION	FULL-TIME*		HALF-TIME*	
	Fall/Spring	Summer	Fall/Spring	Summer
Undergraduate/Post Baccalaureate	12	12	6	6
Graduate	9	8	5	4
Law (JD)	10	5	5	3
Medical, Dental, VetMed	1	1	1	1

* Credit hours for minimum enrollment eligibility requirements.

VII. RECEIVING YOUR AID

Address Policy

You are responsible for keeping your current "UF Business Email Address," your "Local Mailing Address," AND your "Legal Address" up to date in the UF Directory. Update these using myUFL at <http://www.my.ufl.edu>.

Disbursement

Students receive financial aid by Direct Deposit from the University Bursar (UB), generally after classes begin and as soon as aid is available. Direct Deposit is required for the delivery of financial aid funds for students and recommended for Parent PLUS borrowers.

To sign up, go to **ONE.UF** at <https://one.ufl.edu/campusfinances/directdeposit> and sign in with your Gatorlink username and password. Follow the instructions on the screen. Please direct any questions about Direct Deposit to the University Bursar (UB) at (352) 392-0737.

UB disburses aid only after verifying enrollment status and making sure students have no financial or academic holds on their records. All current term unpaid tuition/fees, UF housing charges, and UF Bookstore charges are deducted from students' financial aid before disbursement. Other accounts receivable charges, such as parking and library fines, and meal plans may be deducted upon completion of a UF permissions form, available at <http://one.ufl.edu>. Financial aid may not be used to pay prior-term tuition/fees.

Important Loan Disbursement Information

Loan Entrance Counseling

Before loans can be disbursed, first-time Federal Direct Stafford and Federal Direct Graduate PLUS borrowers must complete Entrance Counseling. Federal Direct Loan borrowers must go to <http://studentaid.gov>.

Federal Direct Stafford Loan Confirmation

Stafford Loan borrowers must "accept" each term's loan at **ONE.UF** before their funds can be released. Visit <http://one.ufl.edu> and select "Login with Gatorlink." Login with your Gatorlink username and password. In the new window that appears, scroll down to the "Financial Aid" section and select the correct aid year under "View Your Summary." On the financial aid summary page that appears, scroll down to "Aid Package" and then to "Loans." Select the "Take Action" button to accept, reduce or decline loans listed. Accept loans early to get your funds at the beginning of the term. See SFA's website at <http://www.sfa.ufl.edu/process/receiving-your-aid/disbursements> for more complete information on loan processing and disbursement. If you are sure you don't want to receive a loan, decline it.

Effective for the 2020-21 award year, all Direct Loan borrowers (subsidized, unsubsidized, graduate PLUS, and parent PLUS) will be required to complete the Annual Student Loan Acknowledgment (ASLA) before receiving the first disbursement on the first Direct Loan that the student or parent borrows for each new award year. The ASLA requirement is in addition to entrance counseling.

Federal Direct Stafford Loan Master Promissory Notes

Previous Stafford Loan borrowers should already have a Stafford Master Promissory Note (MPN) on file. New borrowers who do not have an MPN on file must go to the federal website at <http://studentaid.gov> to complete one.

Federal Direct PLUS Loan Master Promissory Notes

New Parent PLUS and Graduate PLUS borrowers who do not have a PLUS Master Promissory Note (MPN) on file must go to the federal website at <http://studentaid.gov> to complete one.

Promissory Notes for UF Long-Term Loan Borrowers

The University Bursar (UB) will mail promissory notes to all UF Long-Term loan borrowers. These promissory notes must be signed and returned to UB in S-113 Criser Hall before the loans can be disbursed.

Federal Work-Study/Florida Work Experience

If Federal Work-Study (FWS) or the Florida Work Experience Program (FWEP) is part of your financial aid, you will be paid for hours worked on a biweekly schedule, in accordance with the UF payroll schedule.

VIII. FEDERAL VERIFICATION

Federal verification is a process of confirming selected data supplied by the applicant and/or parents to the federal government. If your application is selected for verification, you will receive an email from SFA to check your “To-Dos” list on **ONE.UF** for the documents you are required to provide. Do not submit any documents unless you are requested to do so. If your application is selected for verification, aid cannot be disbursed to you until you have submitted all requested documents and the accuracy of your information has been reviewed and verified. This process can take three weeks or more. Login at **ONE.UF**, scroll to “Action Items,” then choose “To-Dos” to complete any and all verification requirements to receive aid you have been offered.

IX. SATISFACTORY ACADEMIC PROGRESS

Students receiving federal financial aid are required to maintain satisfactory academic progress. A copy of UF’s financial aid satisfactory academic progress policy is available on SFA’s website at <http://www.sfa.ufl.edu/process/additional-information/satisfactory-academic-progress-policy>. This policy, satisfactory academic progress petition information, and forms may be printed from **ONE.UF** or from the SFA website.

X. WITHDRAWAL & REFUNDS

The Office of the University Registrar assists students who wish to withdraw from UF and coordinates the process. Complete information, as well as the application, can be found on the Registrar’s website at <http://www.registrar.ufl.edu/services/withdrawals.html>.

If you officially withdraw or stop attending all courses, you may be required to repay all or part of the financial aid disbursed to you in the term you withdraw.

Students receiving federal funds may be required to repay aid determined to be “unearned.” The earned/unearned calculation is based on the percentage of days you attended during the term in which you withdrew. The amount of aid you have earned is determined on a pro-rata basis. For example, if you completed 30 percent of the term you withdrew, you earn 30 percent of the federal aid you received. Once you have completed 60 percent of the term, you are considered to have earned all of your aid.

The difference between your earned federal aid and 100 percent equals the percentage of unearned federal funds that are subject to repayment. Federal regulations require Title IV aid to be refunded in the following order:

1. Federal Direct Unsubsidized Stafford Loans
2. Federal Direct Subsidized Stafford Loans
3. Federal Direct Graduate PLUS Loans
4. Federal Direct PLUS Loans (for parents)
5. Federal Pell Grants
6. Federal Supplemental Educational Opportunity Grants
7. Federal TEACH Grants
8. Iraq & Afghanistan Service Grants

For any loan funds that you must return, you (or your parent for a Parent PLUS Loan) may repay in accordance with the terms of your promissory note. That is, you make scheduled payments to the holder of

the loan over a period of time. If the funds you must repay are grants, federal regulations allow one half of the grant repayment to be forgiven. Any amount you do have to return is a grant overpayment, and you must make arrangements with UF or the U.S. Department of Education to return the funds.

Please Note:

(1) You may also be required to repay other federal, state, institutional, or private student financial aid programs based on the terms and conditions associated with those programs.

(2) UF is required to return to the applicable federal program account the unearned percentage of institutional charges (tuition, fees, on-campus housing). You may be billed by UF for any funds returned on your behalf.

(3) UF’s tuition refund policy is separate from the federal requirement to return unearned aid. Whether or not you receive a tuition/fee refund has no bearing on the amount you must repay under this formula.

Refunds

If, due to withdrawal, cancellation, or termination of attendance, you are entitled to a refund of tuition/fees (determined by the University Bursar) or campus housing charges (determined by Housing & Residence Education) and you received aid for the same payment period, part of your refund will be returned to the appropriate federal Title IV or institutional account. After accounts from which you received aid are reimbursed, any amount remaining will be returned to you.
