

FINANCIAL AID CHECKLIST NEW UF STUDENTS

▶ COMPLETE THE FAFSA

If you would like to be considered for all available financial aid programs, you will need to complete a Free Application for Federal Student aid (FAFSA). If you have not already submitted a FAFSA for the 2019-2020 academic year and expect to be enrolled Fall 2019 or Spring 2020, you can complete the 2019-20 FAFSA at www.fafsa.ed.gov.

If you plan to start attending UF in Summer 2019, you will need to also complete a 2018-19 FAFSA at www.fafsa.ed.gov.

- UF's Federal School Code is 001535.

▶ CHECK ONE.UF

By early March 2019, students can access information about their financial aid at <https://one.uf.edu>. Log in with your **gatorlink username and password**.

- View your financial aid awards and summary.
Most aid programs, including Bright Futures, require students to be enrolled at least half-time (6 credit hours).
- Report scholarships that are not listed on your award summary.
Do not report UF Scholarships, Bright Futures Scholarships, Florida Prepaid or Private Loans.
- Check “To-Dos” and “Holds” to see if you are missing requirements or documentation that could prevent the disbursement of your financial aid.
If your FAFSA application is selected for federal verification, you will be required to provide verifying documentation before aid can be disbursed to you. Respond promptly to requests for information or documentation. Do not wait until school begins to submit required documents. Ask questions if you are unsure about any part of the verification process.
- At ONE.UF, students can monitor financial aid disbursements/refunds, view campus finances, tuition statements, payment history and MORE!

▶ UPDATE AND MONITOR BRIGHT FUTURES

If you are a potential Bright Futures Scholarship recipient, contact the Florida Office of Student Financial Assistance (OSFA) at 888-827-2004 or online at <https://www.floridastudentfinancialaidsg.org>, to verify the University of Florida is listed as your institution and to view your eligibility status. Students do not need to complete a FAFSA to be eligible for a Bright Futures Scholarship.
